ing there may be no appearance of them, by noon the ground will be pierced in every direction, ound will be pierced in every direction, all bind now take the Union, for I shall all younder trees, and in a short time after those of its underground robe, and feel some confidence that I can open it at breakfast

John Morrison Commissioner. Epwards of 100 votes were print the Borough.

West Elizabeth—E. Percival and J. B. McGrow, delegates, triends of R. C. Walker, tininstructed. In all these meetings the best feeling prevailed, and nothing occurred to many the proceedings of the evening. May the same liberal spirit prevail in the Convention on Wednesday next.

Respectfully your ob't servant.

JAMES A. E. REILY.

Current dence of the Pittaburgh Gazette.
Washington, May 29, 1849. go W. Lane, of Alabama, written in reply to

inps they thought it a higher honor to refuse to have any thing to do with Polk, in which many honorable men will agree with them.

Gov. Johnston has been expected in town for some days, but not having seen him, nor heard of his arrival, I think he could not have come, up to last night.

The Union of this morning, formally announces the association of those morning, formally announces the association of the past for the paper. For several reasons the party throughout the country will be gratified by this proceeding. The paper can hard by failt be improved in vigor, in consequence of the individual liability claim in they come alone, as now.

The Basiness was hardly ever so so dull as now, or with less prospect of improvement. Goods have faller money in the temperate.

Basiness was hardly ever so so dull as now, or with less prospect of improvement. Goods have faller money in the temperate.

Basiness was hardly ever so so dull as now, or with less prospect of improvement. Goods have faller money in the season. Country merchants and the represent the season. Country merchants are antended by ther families on a usual and their families are not with hem, a singular theory come alone, as now.

The Basiness was hardly ever so so dull as now, or with less prospect of improvement. Goods and be trained to hear and the season. Country merchants are not with hem, as angular and their families are not with hem, as angular and their families are not with hem, as angular and their families are not with hem, as an

the very important general question that has lately been much speered at the Union, and particularly by the Baltimore American; namely, what is "the

the weaking. May the same liberal spirit prevail in the Convention on Wednesday spirit.

sceptical have given in their adhesion to the gold manua, and he is a bold man who has many doubts now. The Crescent City will bring the metal brought by the steamers to Panama, and until then we hold our breath at the immense stories told of the wealth of our western province, or colony rather.

A new place of amusement is at once to be W. M. Wright, M. D., Dentist,

colony rather.

A new place of amusement is at once to be opened, that will give New York a real Loudon, or rather European inxury. Castle Garden is to be devoted to concerts a 13 Marard. The large number of foreign artists here will enable us to have a band almost as good as that of Julien or Strauss, and dancing will become quite a national pastume. Loungers now can drop in at the Garden and, with thier ladies, dance an hour, and the ramble on to another source of pleasure.—

The concert will draw crowds, and the charm of the dance will make the Garden quite a lion.

The general heulth of the city continues good but we still have cases that are colled cholera. The presence of this disease creates no alaim, for, this lar, not a single case has occurred in which the live States. These tecamers will now probly make their regular trips, and persons will got a single case has occurred in which the claim and processing the castle of the still the still the best like of the dance will an a single case has occurred in which the

New when the decommodations in the city were crowded, and two-thirds of the people were encamped out. A small room in a little sharily ten feet square, realted at 18 per day. Board in good bouses was \$10 per day. The merest day laborer received \$16 per day. There was considerable difficulty in getting the little of the state of the stat

In markers were is not mach annual and approved of the prices of breadstuffs are not varied enough to need a quotation. The sakes for export are to a good extent, in flour as well as grain. Freights rule very low, and breadstuffs can be laid down in Liverpool at as low a rate as has been known for many years. Mess pork \$9.57/kiol 0. Fraine, \$5.50. Lard is dull. Cut meats are firm, and in large demand, full 1400 parkages changing hands for the day. Ohio Butter, \$2.611c. Cheese, \$4.57c and in domand.
