Concert. — We have the pleasure to assounce ry Shaw Forg, will give ber first concert at Anollo loubtless enhalmed in the recollection of many of our citizens. The papers of the South, and West, speak of her musical powers as having advanced to a still higher pitch of perfection, since her retired ment to private life, which circumstances have compelled her unwillingly to abandon. She will be accompanied by that highly talented artists Professor Robbock, who will preside at the piano NEW COUNTERPSITE.—We were shown a new counterfeit on the Bank of Pittsburgh, of the de nomination of fen dollars, by Major Larimer, of saturday, and we caution our business men to be on the look out for them. The counterfeit is an exact fac simile of the genuine, except that the

In the unterfeit the ink is rather pale, and the shading OTER-A young man whose name we concesas he was discharged, was arrested on Saturday charged with attempting to pass one of the Te Dollar Counterfeits on the Bank of Pittsburgh, tore out in Riceville. She not having change enough, sent out to get the note changed, when it was pronounced to be a counterfeit. The young fellow, when brought before the Mayor, told a plain

straight forward story, and se he had no more is his possession, he was let off. STOUT'S OMNIBUS LINE -- We notice the establish ment of a new line of omnibuses, which is doing a good business, and promises much convenience to our citizens whose business or residences may call them to pass along its route. The line extends depot on the Allegheny River, every morning a 7 o'clock, and performing six trips each day. The omnibuses are convenient and pleasan and best of all, they are driven by experienced and

attentive drivers. RATHE.-- We naid a visit on Friday atternoon the splendid bathing sulcon recently opened by Mr. Crossen, in the room next to the barber shop of the Monongahela House. The baths embrace the usual wariety of hot, cold, and shower, and are the most extensive, and indeed almost the on y public ones in Pittsburgh. We sincerely hop that they will have a good run of custom, sinc cleanliness is one of the greatest preventative ues for bathing saloons, as any city in the Union when the absolute necessity of baths and bathing will be felt by all our citizens. Cleanliness truly "the parent of all other virtues."

CHILD ABANDONED.—A fine child of about three weeks old, was found on Friday night, snogly wrapped in a blanket, with a bundle of clothes be side it, lying near Sproul's Church on Lacock at who, we believe, intends to adopt it.
