Great Elessing to Blothers and Children.

It is the safert and most effectual medicine for parifying the system, and relieving the sufferings attendant
upon child-birth ever discovered. It strengthans both
the mother and child, prevents pain and discase, increases and enriches the food, those who have used it
think it is indispensable. It is highly useful both before
and after confinement, as it prevents diseases attendant
upon childburth—in Contineness, Piles, Crampo, orbitor.
Fau in the Back and Loine, False Pales, Hemorrhag,
and in regulating the sceretions and equalizing the circulation it has no equal. The great beauty of this
medicine is, it is always and, and the ment delicate use
is most successfully, very few cases require any other
modicine, in some a little Cantro Oil, or Magneris, is
useful. Exercise in the open air, and light food with
this medicine, will always ensure a safe and easy confiscance.

A A SECTION AND other medicine.

CHESTER CO. April 25th, 1-15.

Br. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of sawing my fife. I caught a revere could, which gradually grew worse, attended with a severe cough, that reasted all the remedies which I had recourse to, till increasing until my case exhibited all the symptoms of Philmonary Consumption. Emplaint increased to rapid to have no effect, and the compount increased to rapid to have no effect, and the compount increased to rapid typy of the course of the cou rich and delicately thated and variagated nowers. A free, active and bashity circulation of the fluids, or the coursing of the pure, rich blood to the actremities, is that which bugits the consustance to the fluids, or the coursing of the pure, rich blood to the extremities, is that which bugits the consustance to the most exquisite beauty. It is that which imparts the indescribable shades and fashes of loveliness that all admire, but made on the course of the
