GERMAN'S STATION, Ohio. May 25, 1849

R E Sellers I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

Mr. R E Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abcess formed and broke, which left me in a very low state Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. E. OIL JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain of the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This we used according to the directions, and found invariably that the medicine caused the pain to abate in two or three minutes, and in fifteen or twenty minutes after the operation was entirely quieted. The medicine was afterwards used whenever indications of an approach of pain were perceived, and the pain was always subdued. He continued to use the medicine every evening, and sometimes in the morning, and has not been troubled with the disease since. He has also used Jayne's Compound Syrup of Wild Cherry, and found relief from a large amount of oppressive pain. I consequently, therefore, be can safely recommend Dr. Jayne's Carminative Balsam, as a salutary remedy for diseases of the stomach and bowels ASA SHINN

MEDICAL.

DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.

Wonder and Blessing of the Age!

The most extraordinary Medicine in the World!

This Extract is put up in Quart Bottles: it is not three times cheaper, pleasanter, and warranted superior to any other Sarsaparilla now before the public.

It cures without vomiting, purging, sickening or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES

Ever known: it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood, a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10 000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the streamless indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial.

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system. In a most extraordinary degree.

New York, April 25, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I was for several years in bad health. I became worse and worse. At last I raised large quantities of blood, and night Sweats, and was greatly debilitated and reduced, and fast approaching my grave. I heard only and your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I have no blood, and my cough has left me. You are well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 65 Catharine st.

SPECIAL SYMPTOMS OF CONSUMPTION—A Quick pulse, hacking cough, general weakness, restless nights, a dull pain in the shoulder blades, pains between the shoulder blades behind

Thus should Symptoms of Consumption Coughing night and day, flabby muscles, general debility, great shortness of breath on going up stairs, according a little of walking but a little real, take always above one hundred for weeks together, drinking cold sweats towards morning

Catarrhal Consumption comes on like a common catarrh or cold, but about the period when that disease usually is expected to subside, some of the symptoms are aggravated. The cough is more troublesome, especially when lying down. There is no fixed pain in the chest, but difficult breathing, which is worst on lying down. The appearance of the expectoration, which is copious, is changed from a thick yellow mucus, to thinner substance. It is very unpleasant to the patient, and emits an unpleasant smell when buried. It is of an uniform appearance, and is probably a mixture of pus and mucus, as on mingling with water part sinks and part swims. This disease may occur in any habit or at any age, and is characterized by the peculiarity of the cough

The Balsam of Liverwort effects the cure of this insidious disease by expectoration, mouths and heals the affected lungs It never fails Wherever this medicine has been used, we hear of its success. For thirteen years it has been before the public, and has been thoroughly tested for all complaints of the Lungs, and has proved itself superior in merit to any thing in use. We might give hundreds of testimonials from physicians, the press, clergy, and those who have been cured, but all we desire is to call the attention of the afflicted, and for them a good they will try it

DALLEY'S MAGICAL PAIN EXTRACTOR!

THE indigenous from George E Pomeroy, Esq. the well known proprietor of the Express, speaks for itself of the importance of the Pain Extractor to every parent

EXPRESS OFFICE, Albany, Sept 1

MR DALLEY My Dear Sir—With feelings of no ordinary pleasure I address you in relation to the benefit I have received from your invaluable Pain Extractor I have by my little daughter, seven years old, had a pitcher of boiling water turned into her bosom; her stomach were dreadful, so that a crowd instantly gathered before the house to learn the cause of the terrible screams I tore her clothes asunder, and soon spread on your salve, and she was carried and laid upon a bed She was soon relieved from her pains, and says 'Ma. I feel as I could laugh' and was soon in sweet sleep She was scalded to a blister from the top of her shoulder over more than half her chest, and round under the arms On the shoulder and breast it was very deep set from the first hour, she complained only when it was dressed. The sore healed rapidly, and there is no contraction of the muscles

With many wishes my dear sir, for your success in the use of his mighty article

I am yours, with respect,

The Counterfeits—no 2 alike under what names they may appear—always irritate, and increase the pain.

TO THE PUBLIC

I, Edward P. Holmes, of Chatham, Melvin Bridge, Columbia county, N Y, have been afflicted with rheumatism in my breast, feet, and all over my body, for 4 years, so that I could not stand, and was cured by 2 applications of Dalley's Magical Pain Extractor

EDWARD P. HOLMES

Dalley Sir—I cut my finger with a copper nail, poisonous nature of which caused my arm to swell considerably, with constant shooting pains up to the shoulder A large swelling taking place at the armpit, with increasing pain, I became fearful of the lockjaw In this extremity your Pain Extractor was recommended to me, and which I was prevailed upon to try The consequence was that it afforded me almost instant relief, and in three days I was completely cured

M'ALLISTER'S OINTMENT

CONTAINING NO MERCURY, or other Mineral — It has power to cause all INTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters, and then heals them

It is rightly named by A. L. HEALING, for there is scarcely a disease external or internal, that it will not benefit. I have used it for the last fifteen years for all diseases of the skin, with unbounded success and responsibility, and I declare before heaven and man, that not in one case has it failed to perform a perfect cure, whenever it has been within the reach of mortal means

I have had physicians learned in the profession I have consulted in the course of my practice, and gentlemen, lawyers, gentlemen of the highest standing, and multitudes of the poor use it in every variety of cases, and all concur in your opinion, and pronounce saying—M'ALLISTER, YOUR OINTMENT IS GOOD!

RHEUMATISM—It removes almost immediately the inflammation and swelling, when the pain ceases take and the directions around the box

HEADACHE—One salve now and then prevents of the head ache of twelve years standing, and who had it in every week or month, and who had it in every week or month, and who had it in every week or month
