The Mark Myrth, Sperimenti, Am. Senting in the Country Myrth, Sperimenti, Am. Senting in the Country Senting in the Coun DALLEY'S MAGICAL PAIN EXTRACTOR. TESTIMONY of a respectable Physician Ren the following, addressed to my Agent, Mr. F. Met ryweather, Cincinnati: Sirr A sense of duty compels me to give my tribut to Dalley's Pan Extractor. Being opposed to quasiery and all nostroms having for their object sinist motives—but realising manel sood from the "King Pain Killers"—I am induced to tender you this serviceste. I have sood it in my family, in my practice, at the services will be apply and wonderful edects that couposably he immiglied. H. J. Boosts, M. D. Dr., Broklie is the zenior partner of Brodie & Le-Druggials. to only one basin in its whole leagth for one notes to drop into, while another passes. The locks too, we found youth pherior to these constructed on our Monogahels Slank Water works, and ne boats beyond a needlam size can pass them at any stage of water, on stroom of their great deficiency in length and width, even if they wend deep enough. On the other hand, the Indians Carallis to be of sufficient width to allow boats to pass each other a slay point, and they will be four feet water at the lowers singe, whethere is only one too whether water in the Louisville and Portland Canal.

The enterprising spirit evinced by the Indians Legistic for the Parkers of t inat in my opinion, founded on actual expenses your Magical Pain Extractor is the most valuable decovery of the present age for the immediate attack of bodily pain. It is an almost immediate and a perfect care for Burns and Scalds, and all external inflammation.

Having many acquaintances formed by their visual my husband's hold in this place, I have suppose by your showing them the contract of the property of thotatger class steamers saming in the trade between Lonisville, and St Louis, and New Orleans, have to discharge their loads at Fertiand as the foot of the Canal, from whence the cargoes are subject to a drayage of two miles up to the Louisville depots, thus creating an additional cest upon the transportation of all articles of merchandise destined for our city and other points along the river. When the Indiana Canal is completed, all those differentiate to obtain the completed all those differentiates to obtain the completed. completed, all those difficulties will be obvisted. There will then be, as we have already stated, an abundance of water for boats to pass and repass even a the lowest stage of the river. Thus, obvisting the cessity of transhipment, and the great additional penus attendant upon such a state of things.

Having many acquaintances formed by their vans at my hutshand's totel in this place. I have suppose by your showing them these few lines, it may possibly be of benefit both to them and yourself.

If entertain the hope that Mrs. Gime will parion the publicity I give to her letter, as well on the score of animality at of its being life surrest mode of bringing to the notice of her friends.—If. Daller!

Extract of a letter, dashesser, Ky. Nov. 20, 1815.

Mr. H. Dalley. If have tried your Fann Extractor at a case of felon, in my own family, which it refuse and curred in a very short time. In hale, yours respectfully,

our columns on Friday, we were compelled to omit a notice which we had prepared of a trial in which George H. Bell, keeper of the Perry House, was defendant. It will be found below. Commonwealth vs George H. Bell—Indictment

—Assault and Battery committed on Michael Mc

we believe). Mr. McMath's testimony was to the effect, that he had met a friend of his, Mr. Rhineenect, man me man mer a mona or man men and hart, who was stopping at the Perry House, one night at a fire, and he told him that Mr. Norton, another friend of Mr. McMath's was also stopping about the state of that he was not in the bar room, and was probably either up stairs in the parior, or in his room, at the ame time desiring him to step up. In going along ame time desiring him to step up. In going along he passage which led to the stairs, he met and todded to Mr. Bell, with whom he states he had several conversations previously, and with whom that ne "wanted to see Mr. Norton." You "can't see nothing here," said Bell. "I did not say I wanted to see nothing. I want to see Mr. Norton." I tell you you sto say your winner to see mobiling. This was again denied by the one and asserted by the other, with the addition of some opprobrious language, on the part of Bell, when Mr. McMath, feeling himself somewhat aggrieved, turned to leave the house, but stopped on seeing Mr. Nagarante to house, but stopped on seeing Mr. Nagarante the house hake hands. He was explaining to Mr. Norton low the mistake occurred, when Bell came up to

arties were somewhat excited Mr. Bell then not Norton. That gentleman declared that he had not, and Bell, with an oath said, if you again say that you did not say nothing, I'll kick you out of doors. The gentleman declared that he had and Norton, and Bell, who is a large, powerful man, caught him by the collar of his coat, and with one kick, sent him, as Mr. Norton testified, about ten feet down the steps and on to the pave-ment. This is the substance of Mr. McMath's tes-timony which was corroborated by Mr. Norton, who saw the whole proceeding from the point at which he shook bands with that gentleman.

Tac bar-kceper swore that Mr. McMath had asked for Mr. Norton, and that he requested him to go up stairs to see him. His whole deportment, far as he saw, was that of a gentleman.

be gentlemen of the utmost respectability.

The Court charged the jury against the defendant. The assault was committed wholly without rovocation, and no testimony whatever had been witnesses. The jury after a short absence rought in a scaled verdict of guilty. Scanced.-We understand that at a late hou
