Reversible Filtering Cock,
FOR PURIFYING WATER,
Which renders turbid water pure by removing all substances not soluble in water. The croton water in N. York, although clear and pure to the eye, yet when it passes an hour through this filtering cock, shows a large deposit impure substances, worms, &c. This is the case more or less with all hydrant water.
The Reversible Filterer is neat and durable; and is not attended with the inconvenience incident to other Filterers, as it is cleansed without being detached from the water pipe, by merely turning the key or handle from one side to the other. By this easy process, the course of water is changed, and all accumulations of impure substances are driven off almost instantly, without unscrewing the Filter. It also possesses the advantage of being a stop cock, and as such in many cases will be very convenient and economical.
It can be attached where there is any pressure high or low to a cask, tank, tub, &c. with ease. To be had of the sole Agent, W. W. WILSON,

MEDICAL.

RUBEFACIENT.—Horses while running at large in the fields are very apt to bruise and injure themselves in many ways. They are often disabled so as to be useless for a long time. If immediate use could be made of B A Fahnestock & Co's Rubefacient, and the bruised part well saturated, and the remedy rubbed in, it would give relief and ease the pain. No farmer should be without this celebrated medicine, as it is alike healing to man or beast. Prepared and sold by B A FAHNESTOCK & Co, corner of Wood and 1st sts, also, corner 6th and Wood. my17

MORGAN'S WORM KILLER.—Another proof of the triumphant success of Morgan's Vermifuge.
PITTSBURGH, May 10, 1849.
Mr. John D. Morgan:—If my name is of any use to the suffering community, in regard to the article of Morgan's Vermifuge, you are perfectly welcome to it. I had two children sorely afflicted with worms. I became alarmed, and very justly so, when I tried your renowned Vermifuge, and astonishing to tell, one of them was delivered of about fifty worms fifteen inches long, of the most frightful kind, resembling more the appearance of eels. The other child was delivered of about 20. The children are now doing finely. You may well be proud of your Worm Killer.

YOUR COUGH MAY BE CURED.
ALLEGHENY CITY, 2d Ward, April 20, 1849.
Mr R E Sellers: Being afflicted for some time with a cough, which was so severe as to unfit me for my daily employment. Frequently after coughing, I have been so much exhausted, as to be obliged to sit down and rest. Hearing of the good effects produced by your Cough Syrup, I concluded to give it a trial, and am happy to say it produced the desired effect in my case. After using it one night, the cough was abated, and I am now perfectly well. JAMES JOHNSON

IMPORTANT TO THE AFFLICTED.
Dr. Rose's Celebrated Remedies.
DR JACOB S ROSE, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the Lungs, in effecting a cure of Chronic diseases, was a student of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years since has been engaged in the investigation of disease, and the application of remedies thereto.
Through the use of his inflating tube, in connection with his Prophylactic Syrup and other of his remedies, he has gained an unparalleled eminence in curing those dreadful and fatal maladies, Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Old Erysipelas, and all those obstinate diseases peculiar to females.
Indeed every form of disease vanishes under the use of his remedies, in which humanity is heir—not by the use of one compound only, (or that is incompatible with Physiological Law) but by the use of his remedies, adapted to and prescribed for each peculiar form of disease.
Dr. Rose's Tonic Alterative Pills, when used are invariably acknowledged to be superior to all other, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness; as also his Golden Pills is admitted by the faculty to possess peculiar properties adapted to female diseases, but being satisfied that a bare trial is sufficient to establish what has been said in the minds of the most skeptical.
The afflicted are invited to call upon the agent, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy and its application.

Jaynes' Expectorant.
SALEM, Columbiana co., O., Apr. 24, 1841.
DR. D. JAYNES: Dear Sir—I feel bound to you and the afflicted public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your Expectorant on myself. Having been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in the neighborhood without deriving any benefit, or the consolation of surviving but a few days or weeks at farthest—when the last gleam of hope was about to vanish, I had recommended to me your Expectorant—and blessed by that Being who does all things in the use of the means—and contrary to the expectations of my physicians and friends I was in a few days raised from my bed, and was enabled by the use of a bottle, to attend to my business, enjoying since better health than I had for ten years previous.
Respectfully yours, &c., JAS W. ESTILL.

ROUSSEL'S AROMATICK VINEGAR.—The highly sanatory, balsamic and tonic properties of this Vinegar render it far superior to Cologne water for the ordinary purposes of the toilet, surpassing the latter in its perfume. It prevents and removes pimples, tetter and asperity of the skin, it refreshes and whitens the skin, rendering it soft and smooth. It corrects the clammy and disagreeable taste of the mouth, imparting a fresh and pleasant breath. It cleanses and whitens the teeth, and hardens the gums. For all the above purposes, it is used with water in such proportion as may be found most agreeable. By inhaling it and rubbing it on the temples, it will remove headache. If applied instantly to a burn or bruise, it will eventually prevent mortification. It correct vitiated air, and guarantees from contagion, it is therefore very useful for purifying and perfuming apartments. For sale by

MR. ELIJAH EATON'S CERTIFICATE TO DR. JAYNE—This certifies, that I continued sick, after … I was attended by my brother, who died of consumption in March 1842, I was taken sick with the Consumption, … was reduced so low with the disease, that for four years I was unable to attend to my business, either at home or abroad, being for the most time confined to my bed. During the above period of time I have expended for medical attendance of regular Physicians and medicines, to the amount of $400, without receiving any benefit therefrom. In July, 1845, I commenced taking Dr. Jayne's Medicines, and have taken them more or less ever since, and … it was by perseverance in their use, that I can now truly say that I have completely recovered my health. I believe that Jayne's Sanative Pills and Expectorant are the best family medicines now in use.
I reside in Springfield, Otsego county, N. Y., and carry on a furnace and machine shop in that place, and am not interested in any manner in the sale of the above medicines, and make this certificate for the benefit of those afflicted. ELIJAH EATON

COAD'S
Patent Graduated Galvanic Battery and Patent Insulated Poles for Medical and other purposes.
THIS is the only instrument of the kind that has ever been presented in this country or Europe for medical purposes, and is the only one ever known to man by which the galvanic fluid can be conveyed to the nerve, the ear, the brain, or to any part of the body, either externally or internally, in a definite graduated stream, without shocks or pain—with perfect safety—and often with the happiest effects.
This important apparatus is now highly approved of by many of the most eminent physicians of this country and Europe, to whom the afflicted and others whom it may concern can be referred. Reference will also be given to many highly respectable citizens, who have been cured by means of this most valuable apparatus of some of the most inveterate nervous disorders which could not be removed by any other known means.
Among various others, it has been proved to be admirably adapted for the cure of the following diseases, viz: nervous headache and other diseases of the brain. It is with this apparatus alone that the operator can convey the magnetic fluid with ease and safety to the eye, to restore sight, or cure amaurosis; to the ear to restore hearing, to the tongue and other organs, to restore speech, and to the various parts of the body, for the cure of chronic rheumatism, asthma, neuralgia, tic doloreux, paralysis, or palsy, gout, chorea or St Vitus's dance, epilepsy, weakness from sprains, some diseases peculiar to females, contraction of the limbs, etc. etc.
Rights for surrounding counties of Western Pa., and privileges, with the instrument, may be purchased, the use also tested for the cure of diseases.
Full instructions will be given for the various chemicals to be used for various diseases, and the best manner for operating for the cure of those diseases will be fully explained to the purchaser, and a pamphlet put into his hands expressly for these purposes, carefully prepared by the patentee.
