INSURANCE.

FIRE AND MARINE INSURANCE.
THE INSURANCE CO. of North America will make permanent and limited insurances on property in this city and vicinity, and on shipments by Canal, Rivers, Lakes, and by Sea. The profits of this Company are well invested, and afford ample security to those who may desire the assurance. Apply to the agent for the ample indemnity of all persons who desire to be protected by insurance.
may18. WM. P. JONES, Agent, 41 Water st.

INDEMNITY.
The Franklin Fire Insurance Co. of Philadelphia.
DIRECTORS.—Charles N. Bancker, Thomas Hart, Tobias Wagner, Samuel Grant, Joseph R. Smith, Geo. W. Richard, Mordecai D. Lewis, Adolphe E. Borie, David S. Brown, Morris Patterson.
CHARLES N. BANCKER, President.
Charles G. Banckee, Secretary.
The Company continue to make insurance, perpetual or limited, on every description of property in town or country, at rates as low as are consistent with security.
The Company have reserved a large Contingent Fund, which, with their Capital and Premiums, safely invested, afford ample protection to the assured.
The assets of the company, on January 1st, 1849, as published agreeably to an act of Assembly, were as follows, viz:

Mortgages	$1,047,450 41
Real Estate	56,758 95
Temporary Loans	29,064 85
U. S. Bonds &c.	70,000 00
Cash, &c.	34,885 37
	$1,238,159 71

Since their incorporation, a period of 19 years, they have paid upwards of one million four hundred thousand dollars, losses by fire, thereby affording ample evidence of the advantages of insurance, as well as the liberality and disposition to meet with promptitude all liabilities.
JAMES CRAGHEAD, Agent,
Office N E corner of Second and Wood sts. may1-dly

Reversible Filtering Cock.
FOR PURIFYING WATER.
When rendered turbid water pure by removing all substances not soluble in water. The moment water in New York although clear and pure to the eye, or when it passes near through the filtering cock, shows a large deposit of impure substances, worms, &c. This is the case more or less with all brittany water.
The Reversible Filterer is neat and durable, and is not attended with the inconvenience incident to other filterers, as it is cleansed without being detached from the water pipe, by merely turning the key of handle from one side to the other. By this easy process, the course of water is changed, and all accumulations of impure substances driven off almost instantly, without discovering the filter. It also possesses the advantage of being a stop cock, and as such (in many cases will be very convenient and economical.
Can be attached where there is any pressure high or low in a cask, tank, tub, &c., with ease. To be had of the sole Agent,
W. W. WILSON,
jan27 corner of Penn and Market sts.

FOR SALE—A handsome Family Carriage, for one or two horses, built at Philadelphia by a celebrated manufacturer. FOR PURIFYING WATER.
When rendered turbid water pure by removing all substances not soluble in water. The moment water in New York although clear and pure to the eye, or when it passes near through the filtering cock, shows a large deposit of impure substances, worms, &c. This is the case more or less with all brittany water.
The Reversible Filterer is neat and durable, and is not attended with the inconvenience incident to other filterers, as it is cleansed without being detached from the water pipe, by merely turning the key of handle from one side to the other. By this easy process, the course of water is changed, and all accumulations of impure substances driven off almost instantly, without discovering the filter. It also possesses the advantage of being a stop cock, and as such (in many cases will be very convenient and economical.
Can be attached where there is any pressure high or low in a cask, tank, tub, &c., with ease. To be had of the sole Agent,
W. W. WILSON,
jan27 corner of Penn and Market sts.
