By the President of the United States. A RECOMMENDATION.

At a season when the Providence of God has manifested itself in the visitation of a learful pes-tilence, which is spreading its ravages throughout the land, it is fitting that a people, whose relance-has ever been on His Protection, should humble themselves before His throne; and, while acknowl-

It is, therefore, earneady recommended that the first Friday in August he observed throughout the United States, as a day of fasting, homiliation anp prayer. All business will be suspended in the various branches of the public service on that day; and it is recommended to persons of all religious denominations to abstain, as fir as practicable from secular occupations, and to assemble in their respective plances of public worship, to neknowledge the infinite goodness which has watched over our ovisience as a nation, and so long crowded us with manifold blessings; and to implore the Almighty, in His own good time, to stay the destroying hand which is now lifted up against us.

have suffered them to remain in Florida under treaty.

There are yet a considerable number of Indians remaining in Florida. We have it on the authority of one who is intimately acquainted with them, a resident of Tampa and Charlotte's Harbor, that the number of warriors cannot be less than two hundred and fifty. He has had opportunities, from his dealings with them, to know something of their number. They are well supplied with arms and ammunition, and, eattered in small parties throught out the country, as they will be, will give serious trouble.
