the discoveries of the real yellow dust field no good foundation.

The deaths from cholers and the same class of discases, for the week ending the Illh of July, were three hundred and unnery-three. During the same week there were seven hundred deaths from other crasses. Cholers cases had been linercasing is Lundon, at the rate of fifty a week for several weeks previously. Average length of attacks of cholers appears to be about fifteen b. tris.

Mamsaile Soring that was twenty years ago the Countess Rossi, that is, has returned to the stage. She is by birth a Prussian, but married an Italian Count, whose fortune has been awalliseed up in the political convolutions of his country. Her fast sippearance in England was in 1822, when she took the part of Rosina in the Barber of Seville, in which she carried the town by storm. She reapneared in the part at the Queen's thealty, on the peared in the part at the Queen's theatre, on the CHOLERA IN LEMINGTON - The pestilen e continue

rival. She goes to France in November; and probably after the cholera shall have subsided in the United States, as she desires to repair the wasted firstness of her lord, she will make us a professional visit.

One of the most curious libel suits of our day has recently taken place in England. The Expublic of Branswick, son of him whom Byzon's verse has made; immortal, in that grainf and particle passage, alluding to his death at Waterloo, and that of sis father at Jeon, has beed is refugee substantial for sincteen years, having been expelling the first of the deaths are proposed in England for sincteen years, having been expelling the Batter of Southers of C. Firmen, which ware Alfred Rose, two daughters of C. Firmen, Wan, asid Mr. Bexter. On Monday 9 deaths occurred, among them were larged to supply the supply Brain, Miss Sarah Frances Monkr, and John Mailig and Making 44 deaths since Saraday mothers and the deaths are started with the supply to the su

im alike as a soverien and a man: When driver out of his dominions by his exasperated subjects. much information can be gothered. the London Sunday Disputch called him a "wretch" and a menuter," who had well deserved that and

and a monater," who had seel deserved that an another who were fate. The fix Dake wrote the edic sentiment there, its strong y is invor of the immediator a letter, remonstrating with him, and to the sent it is a clique in Sun Francisco which interposes all

Interesting from California.

a much worse fate. The Ex Duke wrote the edie tor a letter, remonstrating with him, and undertakning to correct him in hir, platements. He said it was true be had left in a hurry, and his subjects had made a bonfire cibis iglace, but that was because they wished to show their regret at his derivative, and to light him of his way. In this same letter he commented most severely on the course of George the Pourth, who he said had been at time plate the commented most severely on the course of George the Pourth, who he said had been at time parties to denth of his beloved lather at Waterioo, and had at leagth succeeded. The matter slept for seventeen years, but something hapmened to bring up the Duke's conduct again in 1817 and 1815, when the Depatch again bailed him over the coale, and specified several acts for desponsim and buser ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of ness which he had committed against the rights of subjects, among other things stating the head of the head of the propose of having a Till and the propose of having a Till nent of the Lrindon bar, among others by Serjessit nat oas, and with the spirit of the Constitution.

Tailord, the author of long. But he beat then all. Here tohows an account of markets, wages, tehts, &c., the extravegant rate of which will the monitrons principle, that no lapse of time could onlaw a libel. It was not minimized that the language heldly the editor in 1913 was intellous unless connected with that expressed eighteen years before a 1939, so that the action rested on a bushel of ontoin, of the ordinary a ze, for which libel alleged to have been unread numerican years. However, and with the ordinary a ze, for which helds alleged to have been unread numerican years.

unless canneted with that expressed eighted and objate confusion.

We learn that the President, excompanied by Gyernor Jourston, and other gentlemoto will spend Priday night at Greenaburgn, rad heave early on Saturday morning, the lost, for this city, where he will arrive some time between he and air the deference alleged that the links was a public alternative be will arrive some time between he and air the deference. He will remain here during Sanday and Mogday, and leave on Tuesays morning Le New York, by way of the Leke. The route, by the Likes, we have to tyet learned.

We would again suggest the propriety of colling a compty morning Le New York, by way of the Calette, which is the mediately.

During these rather dull times, we cannot offer our renders a morning tradition, and easy of degetion. We propose to repeat the dish, out of new materials as occasion may require.

A great deal of interest has been exceeded in London the heavy of the simple immediately.

A great deal of interest has been exceeded in London a charge of violating the neutrality laws of the kingdom. The parties were the Prace tiffanately and the leaves of the Coll Bailey couries, not a charge of violating the neutrality laws of the kingdom. The parties were the Prace tiffanately out and shore the country was the the had opened, and given it to compare the court of the Coll Bailey couries, not be larged strongly for the platinitial search meaning the platinitial and platinitial to the materials and the platinitial and the platinitial point of the Coll Bailey couries, not on the search of the court for the beauty and the platinitial point of the Coll Bailey couries, not the laws of the platinitial and the platinitial point of the Coll Bailey couries, not the laws of the platinitial and the platinitial point of the Coll Bailey couries, not the laws of the parties were the Prace tiffanately and the platinitial point of the Coll Bailey couries, not the kingdom. The parties were the Prace tiffanately point and platinitial point of the Coll Ba

Legislature examined the matter, and voted the

cistions of capitalists in the world. They carry the British mails to and from Southampton to the East and West Indies, to and from Southampton to the East and West Indies, to and from the Mediterraneau, South America, Spain, and Purtugal. They recieve from the government \$2,200,000 at year for the mail service they render, but they expend crary year \$10,000,000, the promptly to the constitution, and not in conformity to law. The Legislature resolved that it was a likely upon the order of many instances of extraordinary year \$10,000,000, the balance being inadeup by passengers and freights.

They have forty steam thips, the average cost of which is fliny thousand pounds. The Latal cost of their steam versules alone therefore in \$10,000,000 and they employ a vast number of salling vessels.

McNutt recommended, and did reputate the last correct in the even of these cases of the secretic or labor. In this view of the case it is to be regretted in the various depots. They Both Banks, in a short lime, exploded, and the re- items of interest in the eyes of most tolks, we tak

Ragish roads is usually more pountly per mile than that of ours is dillars. It cost one line \$70,000 per mile, merely to get its bills through \$70,000 per mile, merely to get its bills through \$70,000 per mile, merely to get its bills through \$14,000,000 per mile. Other roads have cost \$100,000 per mile, and yet they pay good dividended suppose of mile, merely to get mile, the propose of mile, the state of the road was \$1500,000 per mile, of the road was \$1500,000 per mile, of the road was \$1500,000 per mile, of the propose of mile, the mile promises to prove of imments of Congress, and a most estimable and state of the propose of imments of the mile promises to prove of imments of the propose of the first propose of the country. THE NATIONAL PAST DAY.

THE NATIONAL FAST DA

BY BEV SAMUEL RISSAN

Come, let us, a whyle r.a ion, how

Before Johovshi's throne,
in penitennial geit, and low,

Our varied vina to owe;

A tinity grant, imposing sight,

In which e'en angels must delight. Let rulers in their stations high,

Tho' coronate they wear,
O'er their transgressions deeply sigh,
Conteasing what they are.
Here let their souls be feask and free,
Nor hope but in the Gospel see. With rulers let the people kneel, Performing each their parts. And to the King of kings reveal The burden of their licarts, While is their dure and pressing aced, For mercy they like Jacob plead.

Our public was like mountains rise, Par restribution cell; For these let tears suffuse our eyes, While feare our tweste spoel. As patrols let as deeby mourn-As Christians to our God return

Nor private sins let us forget, While we the pest run o'er; Filling the soul with deep regret, Let us the Lord adore' That with his judgments mercies blend, To prove him still our Father, Friend An increase to the Lord of love,
Mayour find priyers preven,
His tender sympathes to move.
To creatures fellen, frant
That o'er our free and wast domain,
The openitance no more may reign.

Danloy was appointed Navy Agent in the Mediter

Mr. Osborne publishes a card, in reply to the statement of the Whig, in which he acknowledges himself to be ruined and left destitute by the failure of European houses, in whose hands his own fortune and the moneys of the government were placed—but still hopes, if his life is prolonged, to to discharge all his indebtedness. He also asserts that Secretary Visson is in no way implicated in documents to friends and opponents, and is ready to submit them to any tribunal, with a perfect co-fidence that his integrity can in an wise be in

pugned by honest judges.

With regard to one of Mr. Denby's sureties denying his signature, Mr. Osborne says it is a matter of no umportance, as he has long since been insolvent. Mr. O. also states that on ascertaining

ington Republic, of Friday, says:

"It is very probable the case, as is said to have

been stated by Mr. Ashmead, that the missing money never came into the hands of Mr. Denby. It came into the hand of his agent, who lost it in commercial speculation. Whether or not Mr. Denby received the money is a matter of very little
