A STONISHING EVIDENCE that DR JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and all diseases of the throat and lungs, is that the same persons who commenced the use of it in the first stages ten years ago still prefer it to all other remedies of the kind; and whenever a cough or severe cold is contracted they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the use of the many pretending preparations introduced from the Eastern cities—and returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which they have found by long experience to be possessed of the most wonderful healing properties. SELLERS' FAMILY MEDICINES—They are the Medicines of the day.

GRANDA'S STATION, Ohio, May 25, 1849.

R. E. Sellers: I think it right for the benefit of others to state some facts relative to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, and find it a most powerful and speedy agent for expelling large quantities (say 1 to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

W. H. PUSHELL.

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you as well as the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me an invalid for three years. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. R. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they were represented, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

I certify that I am personally acquainted with Mr Coleman, and call bear testimony to the truth of the above certificate. A R SHARP

Dr. JAYNE'S CARMINATIVE BALSAM FROM the Rev. ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. I used two doses according to directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes it entirely ceased. The medicine was afterwards used whenever indications of the approach of pain were perceived, and was thereby prevented. He continued to use the medicine occasionally for several months in the morning, and in a few weeks was entirely relieved from a disease of long standing, and of a very distressing character. I have since recommended it to many persons in this place, and have never known it to fail in affording relief when used according to directions. I have used it myself for a severe cold, which settled on my lungs. During this time I had tried various preparations and prescriptions, but found no relief. I was induced and persuaded by a friend to try a bottle of your Balsam. I procured one in Wilmington to make trial of your Balsam. I procured one in Wilmington to make trial of your Balsam. I must confess that previously I had been prejudiced against patent medicines, and I am still against those deceiving and worthless species, but I must confess that I have found your Balsam to be a valuable medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr. Shew, one of your agents, and commenced its use. My dangerous symptoms soon began to abate, and in less than one week from the time of its first use I was decidedly better, and consequently in a few days more was entirely relieved from the disease. I have since frequently used it in my family, and have found it to be a valuable medicine. I did so with the most happy results. The first one had been afflicted with the cough, easily to appear to be consumptive freely; and by the use of two bottles I was entirely well, and have had no return of it since. My wife, too, has now been for a long time in delicate health, and is now so healthy a female as I could wish. I could say much more in favor of your Balsam, but in this case, that other sufferers may derive the benefit of the above which I am so grateful for, I will only add my testimony to the above, and refer you to Peter Rush, Grocer, West Wilmington, in reference to the above statement, one of whom I purchased the medicine of.

Respectfully yours, JAMES MOSHER.

Wonderful Cure of a Methodist Minister.

Dr. Shew:—Dear Sir: I have a bottle of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the Lungs, which was accompanied with a distressing cough, pain in the breast and head, a very considerable discharge of offensive matter from the throat, and offensive breath. I was rapidly progressing into consumption convinced that I was rapidly progressing into consumption convinced that I was rapidly progressing into consumption and weaker, and at length was scarcely able to walk about, or speak above a whisper, so much was the inflammation of my lungs. During this time I had tried various preparations and prescriptions, but found no relief. I was induced and persuaded by a friend to try a bottle of your Syrup of Wild Cherry. I procured one in Wilmington to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those deceiving and worthless species, but I must confess that I have found your Balsam to be a valuable medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr. Shew, one of your agents, and commenced its use. Sore throat and Lungs; the most effectual and speedy cure in use for all diseases of the above diseases.

Dr. SWAYNE'S

Compound Syrup of Wild Cherry.

This medicine is the longest established and most successful that has ever been offered from the thousands daily extolling its virtues and some parts of Europe; and all practitioners called by the name of Wild Cherry, have been putting forth their own power of some deceptive character, in order to give currency to their sales. Dr. Swayne, from a long and extensive practice in the city, is thereby enabled to give them a correct opinion of the value and efficacy of this medicine, the proprietor will assert it is the most valuable remedy and testimonials, which have been presented to him by first respectability—men who have higher at stake than the paltry consideration of pecuniary reward, and would not for a moment be induced to another a favor, and only to have their names improperly used in the manufacture of patent medicines, which testimony proves conclusively, that this extraordinary remedy is the most effectual in curing the most inveterate and the most dangerous diseases of the throat and lungs, that has ever been offered to the public. Dr. Swayne will be added hereafter, so as to distinguish the genuine from all others. Now all that are out of the preparation from all others. Now all that are out of the preparation from all others. Now all that are out of the preparation
