faith in the justice of our higher tiribunals, had the we shall not fail to have all our rights guarded from infringement. It is no evidence that the are not encreaching on our privileges, fructure, because we have not suc timing a injunction now. Delays may be ver-timing an injunction now. Delays may be ver-ations, but they do not deregate iron out claims to an noobstructed navigation.

"THE NEW CANTLE GAZETTE "+ Our inty, Lawrence, leaps at once to a high main Working and the second seco printed with new materials. the right politics, too, being so The Gazette is unity Whig, and a Lawrence will take her position among the Whig counties of the State this fail, the Gazette will be the leading paper. We wish it every success, and abundant prosperity in the good Shaw and D. Craig, editors.

POPULATION OF HUNGARY _DE Keni professor of Modern Languages in the Ukiversi-ty of Virginia, is delivering a seties of lectures in tic., also went out in the same steamer. The Philadelphia Pennsylvanian says that Boston, on the war in Hungary, of which thit to cellent paper, the Boston Travellar, in publishing ingary of which that the a last line is a state is allowed for the source are a last line is a state is allowed for the source are from frequent is that which and expresses the belief that all the section of the source are allowed for the source of the s are, we learn that the Mag- will be completed ng before the time specified : er 4 500,080; there and 4,200,000 Sela yans nun yara humbergs ou oro; tuerte alta accordante hubut vonians; of Crostinas 2 200,000; ; Germand hubut 1,200,000; Balgarians, a kind of Selavonians, 12-000; Jews 214,000; French 6,000; Greeks 6,000; lite contracts. FROM NEW YORK. Correspondence of the Pintsburgh Gazette. Naw York, Aug. 23, 1519. ians 3,000 to 4,000 -- making a grand toa grad to-200650 are all hour borders speaks of bosiness. No city er-apple The he ashon-tic is their to the seen here with the weeks. In place of the bosiness to be marked a change, as has been seen here with the weeks. In place of the bosiness to be marked a change to be bosiness. 0,000. Of this number 6,000,600 are Catholics, 2,600,000 belonging to the Greek thu even the wheely used to example the second of the neuron term and terror and term and terror and term and term and ter who obey the natriarcha ligion, and it may be called the M strangers, there is Rev. Alex. Campbell's Libel Suit. count, and a pressure upon our hotels never be fore seen. The rooms are double and tribble bed The most of our readers will recodect that dur-ing the visit of the celebrated Alugander Campbell. are recen. The roome are double and tribble bed-ded, the parlors "could" to sufficient and tribble bed-nits" established is full the accessible private buses. Every stretticeens with busy merchants, and the walks are algost impassible with goods. Si much for the restriction of trade, and the rap-nd return of public health. Xill the raircasis sail steamboats come loaded. And the series of this companies to me to added. of Bethany, Va., to Scotland, a few years be became involved in difficulties with a Rev M abored. They will now be pleased to leady that abund. They will now be pleased to leady, that Mr. Campbell has obtained justice in the Spottish Courts, and that the Reverend gentleman Wiołany assilici him, has been made to göy the piper most handsomelv. We copy the following fom the Scotaman, of July 28.—
 "Rev. Alexander Campbell and Mändstör, r. Rev. James Robertson.—At Edinburgh, sha Febru-ary, 189, in the sammon and action of dafage-dated and signeted 7th November, 3ets, instituted before the Lords of Council and Session, at the in-stance of the Rev. Alexander Campbell, Précident of Bethany College, Virginia, U. S. Ameridd, and Alexander Patoh, merchant, Giasque, his médida-tory, arginati the Rev. James Robertson. regilting at 27, Gilmour Place, Edinburgh, défender, dom-planing fint, while the parsuer was in Schland in 1847, the defender commenced asystem of viru-leut and malicious shous of the pursuer, is, i the allegation that he was a size holder, dec., pfrang and circulating arards, in which the pursuer (was represented as a man stenler, d.c.; and size that the defonder had maliciously and lingally expland the paramet to be apprehended under a warkant, as In assettations Jage, granted by the Shefill of Lanartshire, on or about the 6th September, 3617, all as more fully libelled.
 Stimg in judgment, the sand Lords, in abeyner, decorred and ordinated the said leaded to make payment to the physner the sum of £2000 in Bane of damages and as a saitren for injures sustained by him sforesaid, with expense.
 Extracted 27th June, 1819." and the receipts of the companies begin to accu-mplate with gratifying isplicity. The great frade book sale commences to-morrow, and there are already in altendance be usual number of buyers. violently assailed him, has been made t We copy the fulle The manufacturers are sold aumore of buyer the distribution of the sold and the sold are sold and the buyer of the sold are sold and the sold are sold and the buyer of the sold are sold and the sold are sold and the sold are sold are sold and the sold are this obtained good procession satisfactory, this obtained good procession satisfactory, this obtained and the set of the set of the set optimized the set of the set of the set of the optimized set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the set of the set of the set of the local set of the local set of the local set of the local set of the local set of the local set of the local set of the set Fairbana man, that will wark wonders.
