DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHERMAN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. The he used according to the directions, and found invariably that its medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every unpleasant sensation was entirely quieted. The medicine was afterwards used whenever indications of the attacks of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks his health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. I would persence, therefore, he can confidently recommend D D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels.

COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitutions, New Fever, Nervousness, Debility, and all Diseases of the Throat, Breast and Lungs, the most effectual and safe remedy ever known for any of the above diseases.

DR. SWAYNE'S

Compound Syrup of Wild Cherry!

This medicine has become so much among those requiring it. It has passed away from the thousands it has launched upon the tide of experiment, and now stands the highest of reputation, becoming more particularly used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced very extensively through the United States and Europe, and there are at present more unequivocal and unanimous testimonials in evidence of its good effects. For proof of the truth of these statements, and of the value and the merit of this remedy, call at the warehouse of the subscriber, where a few of those testimonials which have been presented to him by men of the first respectability—men who have thrown views of moral honesty to the winds, and cannot be unduly influenced, because it will do another a favor, and themselves no injustice. These testimony, proves conclusively, that in nurturing disease, it is not to be overcome by its terminate merits, and the unquestionable authority of public opinion, which is the opinion of those who feels, and by the soothing influence diffused through the whole frame by its use, reflects it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, acting from conscientious impulses, voluntarily bear testimony to the truth of a particular fact, such testimony, being contrary to their worldly interests and purposes, coerces conviction, and is entitled, and commands the most profound attention and universal credence."—O'Hogben's Moral Maxims.

VALUABLE DISCOVERY!

CONSUMPTIVES, BE ON YOUR GUARD!

COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitutions, New Fever, Nervousness, Debility, and all Diseases of the Throat, Breast and Lungs, the most effectual and safe remedy ever known for any of the above diseases.

DR. SWAYNE'S

Compound Syrup of Wild Cherry!

This medicine has become so much among those requiring it. It has passed away from the thousands it has launched upon the tide of experiment, and now stands the highest of reputation, becoming more particularly used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced very extensively through the United States and Europe, and there are at present more unequivocal and unanimous testimonials in evidence of its good effects. For proof of the truth of these statements, and of the value and the merit of this remedy, call at the warehouse of the subscriber, where a few of those testimonials which have been presented to him by men of the first respectability—men who have thrown views of moral honesty to the winds, and cannot be unduly influenced, because it will do another a favor, and themselves no injustice. These testimony, proves conclusively, that in nurturing disease, it is not to be overcome by its terminate merits, and the unquestionable authority of public opinion, which is the opinion of those who feels, and by the soothing influence diffused through the whole frame by its use, reflects it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, acting from conscientious impulses, voluntarily bear testimony to the truth of a particular fact, such testimony, being contrary to their worldly interests and purposes, coerces conviction, and is entitled, and commands the most profound attention and universal credence."—O'Hogben's Moral Maxims.

MURDOCK'S

PATENT DASHER CHURN.

CAN be procured in 5 or 10 MINUTES FROM NEW MILK

The attention of the public is invited to this very valuable Churn, which has the advantage of all others in combining the old and new inventions together.

The operation of this invention is apparent as by a simple motion the air is forced beneath the dash, and driven away with the necessity of purchasing a new churn, as exercise is opposed to any churn in use, and the same can also have the improvements of the season combined with it, rendering the Butter in the usual way.

The public are invited to call and judge for themselves before purchasing elsewhere, at 87, corner of Market and Fifth streets, or at 61 Diamond alley, between Wood and Market streets, Pittsburgh
