THE UTTENTION AMERICA

STATE AND and says:—

"The true cause of many of our failures in this county is that a branch of the party are obstrately forth upon making the tariff a political question, and upon addring to the tariff of 16, as though it were the only system of datues suited to the condition of the country. Even imany distinguished Democrats, who opposed that measure with the most pertinences obstunery, been now to be considered that it ought to become a matter of principle to support at the consideration of the Democratic party, to be guilty of the grusser shurdity. It is, in tact, an innovation upon our professed doctrined in matters of policy, open and expand, and suit themselves to the exigences of the country. If the guilt the support is considerably of the grusser shurdity. It is, in tact, and in matters of policy, open and expand, and suit themselves to the exigences of the country. If the guilt the suit is the suite of the country is the most policy, open and expand, and suit themselves to the exigences of the country. If the guilt the suite is a suite of the country is the suite of the suite of the suite of the country is the suite of the suite o
