tain only a moral innuence in the papts of the mids of the financial crisis, and in the papts of the mids of the financial crisis, and in the conservative element of the State, renewed again the valive element of the State, renewed again the state of the state, renewed again the state of th

display. In sculpture and painting they contain more of the richest treasures of set. The mountered of the richest treasures of set. The mountered of genius that can never die. Herois seen the hand of Raphaci, and there or yonder wall or high on this frescoed ceiling, lives some grand design of Michael Angelo. Beautiful, unpeakably beautiful, are the Catholic Churches of Italy. At this, the great Catherda, the most beautiful, perhaps in the world, is one vast grouping of marble beatury, both exterior and interior. And I remember well, that on entering the Church of Santa mondle in montaine the Michael Angelo, Dante, Alferia and Gallico, either of which (one was by Canova) would immortaine any strust, though no one of them was necessary to immortaine the beyond enterior and remember well, that on extensing the most beature of the man accessary to immortaine the beyond enterior and almost beyond enterior and almost beyond enterior than 500 more than forty millions of dollars, and it costs more than forty millions of dollars, a
