BY READING THE FOLLOWING AFFIDAVIT the Public will learn the origin, or rather where the recipe for making the stuff they call OLD Dr. Jacob Townsend's, came from—and will be able to judge which is the genuine and original, and of the honesty of the man who are employed in selling it as the original Dr. Townsend's Sarsaparilla. Dr. S. P. Townsend was the original proprietor and inventor of Dr. Townsend's Sarsaparilla, and his medicine has obtained a reputation by no other remedy ever gained. He manufactured over one million of bottles last year, and is manufacturing at present about one bottle per day. We have been obliged to build the Yellow Book in our establishment each day, than all the other Sarsaparilla Manufacturers in the world. Principal Office, 126 Fulton st.

READ THE AFFIDAVIT.

City and County of New-York, ss.

William Armstrong, of the said City, being duly sworn, doth depose and say that he is a practical Druggist and Chemist. That some time in the latter part of May, or first of June, 1845, a man by the name of Jacob Townsend, at that time was a book and pamphlet peddler, called upon deponent, at the house of Mr. Thompson, No. 42 Hudson-street, where deponent boarded, and requested deponent to write him a recipe by which to make a Sarsaparilla. Deponent further says, that he became acquainted with said Townsend at the office of Theodore Dimon, Esq., Book Publisher, with whom said Townsend then resided. That said Townsend had frequent conversations with deponent respecting the manufacture of an article of Sarsaparilla to be sold under the name of Dr. Jacob Townsend.

That said Townsend stated he was an old man, and poor, and was not fit for hard labor—and wished to make some article by which to live easy in his old days, and that, if Sarsaparilla under the name of Townsend sold so well, and so much money was made by it, he could see no reason why he might not make something out of it too, (his name being Townsend.) if he could get a capable person to prepare a recipe, and manufacture it for him. Deponent in most of the conversations asked said Townsend if he was related to Dr. S. P. Townsend, to which he replied, that he never was, but expected he would be down on him after he should commence. But that he did not care for him, as he had formed a co-partnership with men who would furnish the requisite amount of capital—and was well prepared to defend himself against any attack that might be made on him.

Deponent further says, that pursuant to the request of said Jacob Townsend, he wrote a recipe for the manufacture of a Sarsaparilla, and gave it to him. Said Townsend observed that he wanted to make a specimen to exhibit to his partners for their approval, in which he would put a little in every thing, as they furnished all the capital—said Townsend also told deponent that the bottles they were to use were to be of the same size as those used by Dr. S. P. Townsend's, and deponent, at the request of said Jacob Townsend, went to the office of Dr. S. P. Townsend, and procured one of his bills.

And deponent further says, that he has been informed, and verily believes, that Syrup of Sarsaparilla, as an Old Jacob Townsend's, is made after the recipe furnished by deponent, to Jacob Townsend, as aforesaid.

And further deponent saith not.

WILLIAM ARMSTRONG.

Sworn to before me, this 24th day of May, 1849.

C. S. WOODHULL,

Mayor of the City of New York.

PROOF!! PROOF!!!

Here is proof conclusive that Dr. S. P. Townsend's Sarsaparilla is the original. The following is from some of the most respectable papers in this State.

FROM THE

Albany Evening Journal.

Dr. Townsend's Sarsaparilla.

There probably never has been so popular a remedy, or patent medicine, as Dr. Townsend's Sarsaparilla, which was originally got up by a physician of much talent in this city, at first by the Doctor himself, and afterwards for several years and to the present time, by Clapp & Co., the present proprietors. Since the partnership was formed, the Doctor has resided in New York, where he keeps a store, and attends to the business that accumulates at that point. The manufactory is in this city, and is conducted by the junior partner, Mr. Clapp—here all the medicine is manufactured.

Few of our citizens have any idea of the amount of this medicine that is manufactured and sold. Besides the sales in this country, it is shipped to the Canadas, West India Islands, South America, and even to Europe, in considerable quantities. At the manufactory they employ a steam engine, besides a large number of men, women and girls, in the preparation of the medicine, in putting up, labelling, &c., and turn out, ready for shipment, over 400 dozen per day, or nearly 4000 bottles. This is an enormous quantity.

The sale of the medicine has acquired, has induced a number of men to get up imitations, and there are called "Dr. Townsend's Sarsaparilla." One in particular started a short time ago in New York, is called "Old Doctor Jacob Townsend's Sarsaparilla," and apparently with a view, by dint of advertising, and the usual remedies resorted to in such efforts, to appropriate the name of Dr. S. P. Townsend's great remedy. But this gain all the advantages resulting from the popularity of the name which he has acquired for it, by years of perfect and expensive labor. Dr. S. P. Townsend, formerly of this city, as is well known here, is the inventor and original proprietor of the medicine, as far as Townsend's Sarsaparilla is, and we think those persons who are attempting to sell their article as the genuine, should be exposed.

FROM THE

New York Daily Tribune.

☞ We published an advertisement inadvertently some time since that did not refer to Dr. S. P. Townsend, as the original proprietor of the preparation of Sarsaparilla known as Dr. Townsend's. Other parties have since arisen in the field, some engaged or connected themselves with a man by the name of Townsend who put up a medicine and calls it by the same name. This medicine was advertised in *The Tribune* as the original, &c. This advertisement also contained matter derogatory to the character of Dr. S. P. Townsend, as the original medicine. We regret it appeared, and in justice to the Dr. make this explanation.

FROM THE

New York Daily Sun.

Dr. Townsend's extraordinary advertisement, which occupies a portion of the 8th page of the Sun, will not escape notice. Dr. S. P. Townsend, who is the original proprietor of Dr. Townsend's Sarsaparilla, and whose efficacy as a purifier of the blood is known all over the country, is driving an immense business. He receives no less than four hundred dozen of Sarsaparilla per day, and the demand is increasing so rapidly that we doubt if the supply can keep pace with the demand. No medicine ever gained so great a popularity as his preparation of the Sarsaparilla. His sales as at present since the 1st of January last \$22,000, and he has paid the New York Sun for advertising in the last two years, over \$10,000, and he acknowledges that it is by that channel advertising he has had done. This medicine is exported to the Canadas, West Indies, Texas, Europe, and Havana, in considerable quantities, and is coming into general use in these countries, as well as here.

Swedlarl.

Druggists and others that sell Sarsaparilla for the genuine and original Dr. Townsend's Sarsaparilla, that is not signed by S. P. Townsend, commits a fraud, and cheats and defrauds customers. Men that would be guilty of such an act, would commit any other fraud—and are a disgrace to human intelligence but knows that cents by the dollar.

Old Jacob Townsend.

Some people who are not well informed, and have not read the papers, and been on our advertisements, have been led to suppose, that because these men advertise their stuff as "Old Jacob Townsend's," that it is the original. To less than one year since they commenced to make their medicine. None can be found in the market over ten years.

Fresh Old Jacob Townsend.

Sheriff are endeavoring to palm off on the public as an old Physician, &c., he is not a regular educated Physician, and never attempted to manufacture a medicine, until these men hired him for the use of his name. They say they do not wish the people to believe that their Sarsaparilla is cure, or the same—but the better to deceive the public, they at the same time assert that their's is the Old Dr. Townsend's, and the original, and endeavor to make the people believe that the stuff they manufacture, is the Dr. Townsend's Sarsaparilla, that has performed so many wonderful cures, for the past ten years, and which has gained a reputation which no other medicine ever enjoyed—which is a base, villainous, unprincipled falsehood. We have never attempted suits against these men for damages. We wish it to be understood, that the old man is no relation to Dr. Townsend whatever in their advertisements and circulars, they publish a number of gross falsehoods respecting Dr Townsend, which we will not notice.

False Reports.

Our opponents have published in the papers, that Dr. S. P. Townsend was dead. This they send to their agents all over the country, who report that we have given up business, &c. &c. The public should be on their guard, and not be deceived by these unprincipled men.

Notice of Removal.—After the first of September, 1849, Dr. S. P. Townsend's New York Office will be in the South Baptist Church, No. 93 Nassau-street, which is now undergoing a thorough change, and will be fitted for the better accommodation of the proprietors and the public.

The particular Notice.—No Sarsaparilla is the genuine and original Dr. Townsend's Sarsaparilla, unless signed by S. P. Townsend.

Agents—Redding & Co., No. 8 State-street, and Wm. K. Kidder, No. 10 Court-street, Boston; Samuel Kidder, Jr., Lowell; Henry Pratt, Salem; James R. Green, Worcester; Allison Heath, Concord; J. GRAHAM'S STATION, Ohio May 2d, 1849.

R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling from twenty to thirty worms from two children that have used your Liver Pills and Couch Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your Medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

W. H. PINNELL.

GREAT CURE OF LIVER COMPLAINT, by he original, only true, and genuine Liver Pill.

SHORT CREEK, Ohio county, Va.
March 26th, 1849.

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public general ly, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abcess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED; and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

West Liberty, March 26, 1849.

I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate.

DR. JAYNE'S CARMINATIVE BALSAM—From the Rev Abel Stevens, A. M., Editor of the Ladies' Repository, and Pastor of the Wesleyan Methodist Church in the city of New York.

The undersigned has been afflicted during the past winter with a severe cough, sometimes preventing sleep for the greater portion of the night, and often without intermission. And after having tried various remedies with little effect, was furnished with a bottle of Dr. Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the cough to abate in three or four minutes—the shortness of breath and soreness of the chest immediately ceased, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks found himself entirely relieved, that the sufferer was thereby relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr Jayne's Carminative Balsam, as a valuable remedy for diseases of the throat and bowels. A MINER
