meeting the First Preabyterna Church, Alice cheav City.

Byson OF Weenland.—The Syond met at Stenbenville on Tuasday the 16th instant. The

the Rev. John Esgieson, and the Rev. John M.

keen and most truthful sarcasm:

No act of the Administration, of any description, has sccaped their censure. The President issued a trecommendation to the People to devote one day, while a, faul petulicate properties that the state of the truth of the

The study of the control of the cont

for some time. They also caught some birds, and 20 days after parting from the Janet they reached days after parting from the Janet they reached them, and they caught and killed, afford ded the means of reviving their strength. Two days after reaching the island, a boat from the Leonides, which happened to be watering at the laind, reached them, and they were taken on board the ship and kindly treated. Growded as the ship and kindly treated. Growded as the annals of the whale fabers are with diasators, we remember few to compare with this in afferings to which the boat's crew from the Janet were subjected.
