acrea, they quety began to disperse. There was no tunnuit, no demonstration of any kind, although this verdict was certainly unexpected. Whatever the merits of the case were, few persons supposed that a verdict of "supity" would be rendered against the defendants, almost all seeming to think that the jury: would not agree. Kirkland and Sharp who were in the court room when the ver-dict was rendered, seemed to bear it philosophi-cally, but Barker gathered an indicace on the steps in front of the Rotunda and dommenced hars againg them in svery inflamajatory manner. Immediately after the verdicit had been render-ed Mr. Brady, on the part of the defence, made a motion in arrest of judgment, and for a new trial for the following reasons. 1st. The offence charged in the first and second rounts is not indicable. 2nd. The third count is defective because the y charge which it contains is too generally set forth, be
