THE NICARAGUA TROUBLES.

The New York Express publishes a proclama ion by the Government of Hon duras, in which the outrages of Mr. Chaifeld, the British agen are fully set forth, and protested ag ainst. It does n five any facts in addition to the letter publishe o Saturday, but shows the light in which th tillo, and other outrages, committed by the British agent, with an armed force, the proclam

"But, on our Southern coast, the British have abone yet worse. On the preience of obtaining milifaction by parific measures on the claims of British subjects squinst Honduras the captain of the war steamer, the Gorgon, crithe 16th of the present month, took possession of the late of Ti-gre, landed an armed force and set up the British ag over the island. The furg of the Republic was to effect this purpose, forebly taken down, and three discharges of infanty, twenty cance of ceanon celebrated the mounting of the Ang of the Queer of Encland. The commandant of the land, in head of horses and mules. The fature journey is we travelled down the river abo hus told:—

celebrated the mounting of the flag of the Que of England. The commandant of the island, the name of the Government and of the Repub protosted against such unbeard of violence, and t English Consul, as the commandant has inform barking, the commandant of the Gorgon inform the Governor of the island that if the flag done without long consultation. We were com-pelled, when packing, to sell a great deal of our provisions, taking but what was sufficient to keep Central America should be reinstated on the iand, he would return with his war steamer a restore by force the British flag. The other go ernments of the republic, as well as our Comm rements of the republic, as woll as our Commis-er, charged to treat with the Charge d'Affairs of the United States residing in Neararguts have been made acquainted with these events, that they may take such measures as may seem to them proper, especially since the island of Tigre has been by is during the journey through, which we then ere informed would require but six or eight day on the road we took. The disadvantages sition ing the other road were, an almost entire destiti tion of grass and water for nearly a hundred mile besides the whole emigration in the advance had gone that way. Our chief motive, however, for

This is certainly a very serious matter. A grosser outrage could hardly have been commit ed on a weak and defenceless power. How far th U. States are compromitted by this seizure, w cannot say, but the following concluding par graph of the Proclamation shows that the Nicar guan Government looks to us for support and

......

" People of Honduras-Notwithstanding own wast of means to resist, with effect, and ut defend the integrity of our soil, and the dignity o our government, yet we need not submit to the unjust and wielent conduct which oppresses me for the Star Spangled Banner will be unfuried in injus and violent conduct which oppresses us for the Star Spangled Bunner will oppresses us our seas, to assist us to vindicate our rights, an encous us from insults. Yes that bright flag, re splendent with glory, backed by immense powe will be out gunranty in vituo of solema trea and has generously pledged itself to ad us. identity of our principles, and the fact that we shildren of the same continent, is a band of u children of the same continent, is a band of main with that great power. Let us then, coafide i her resources, under the bonds which bunk or interests. Long live republican government Long live the illustrious descendants of the int Long ive and management mortal Washington' The Ministry of the Gavernment of Hondaras at Teguagaipa, October 21st., 1519." J. Makta Monada.

I MARIA MORADA. In commenting on this ourrego, the New York Tribune remarks as follows, "Were there any reach to suppose that this Consular agent were acting by exploit dividing of his Government, there would be occasion to treat him and his doing with more keronas atte-tion than we now bestow upon them. In that cases the United States would have received an open insult, and a recent to extreme ensurance might its works and a stream of the additional states to a two subing the bounds of probable possing. Swengepposing—which we do non-that the ne-gorintions of Adr. Squire, and the coasis of the is in advington, or we new pool our rights as a making, one fag would non-the the hard suffered a new ad intelestic sentence. But without the on guard nearly every night, and daring day we found it very difficult to keep the train-pro-oreding alter many mises without being able to for the statement, of course, produced a the week of state any extilement. We overtook a meas of five any enswired. Back, very high, and a doreu others, rose to thank the Whigs in the state any miter and at the end of alters and and at the end of alters and and at the end of alters and at the end of alters and and at the end of alters and and the end of alters and and at the end of alters and at the end of alters and and at the end of alters and and at the end of alters and and at the end of alters and alters and and at the end of alters and alters and and at the end of alters and alters and and at the end of alters and alters and and at the end of alters and alters and and at the end of alters and alters and and at the end of alters and alters and alters and and at the end of alters and alte more stisfactory evidence than we have a seen, we shill not identify the Brush dovernme with the hot bead who represents it in Gent America. We look accordingly for a prompt an sulfactory disavowal of his important <text><text><text><text><text><text> mainfactory disavoration in the second and a second second

R.C. Winth The Washington Republic, speaking of the rsmor of the President's Message having sot out, says: "We do not believe that there is the least foundation dotted S. Moreland bundation for the many rumors which have bee Horace Mann. noncation for the many remote which which the President's port in circulation, to the effect that the President's Message and the Secretary of the Treasury's Re-port, or either of them, have been sent any where or in any shape, from this city. jority. He got of the Free Soulers, Preston King, Wilmot, Durkee, Giddings, and Allsn, but three of them, Root, Home, and Tuck, he could not get; away in any direction." THE OVERLAND JOURNEY. The overland journey to California, made during the past season, by so many our fellow citizens, is they were well advised of the "arrangement."

of incident and romance, and many a esant evening will be spent at the firesid lighted youthful auditors, the stirring scenes of a Wilkoc of South Carolina, who then voted for journey over the Rocky Mountains to the land of now repudiated him. They had been worked enterprize and gold. The pressure upon our columns has for some Mrs Stanley submitted a resolution for a con-

days prevented us from giving a letter describing

the overland journey, by a Pittsburgh emigrant, T.S Follansbee, and we are compelled to content From the Missouri to Fort Hall, which was passed with only the usual incidents. Sixty miles from Fort Hall, the party came to the junction of the california and Oregon roads, on the 20th of July. Here there found 30 or 40 believe with the state of Demonstrate the state o Here they found 30 or 40 Indians, of the Denmark over the way. Vallah-Wallah tribe, on their way from Oregon b Fort Hall, with Furs. They had a large num-

to Fort Hall, with Fors. They had a large num-ber of horses, and nearly every one of the scon-pany obtained for barter, an Indian pony. Mr. Follanabee obtained a fane bay horse which was of great service to him on the remainder of the jour-ney. From the Humbolt or Mary's River, the party left their wagons, and packed, having 25 hard schwarz and while. The future integraps 14 The rumor on that side of the House was clear and explicit—it was, that a written engagement had been made by which only the Free Soil vote had been secured. This enraged Bayly, Mead, Green, of Muss

and many others more than ever, and in most in diguant terms, and even with threatening ges tures towards Mr. Ashmun, they dem and then left the main road, taking a north west course over the moontains, and striking a road from Oregon to California, about two day's travel authority for these charges. Mr. Ashmun told them that the authority was sommon rumor. Mr. Bayly and others, still under uncontrols lable excitement, denounced common rumor as tains. Our entrance on this road, about which mmon list. othing definite could be ascertained, was not Mr. Ashmun-but has th

pondence ? Mr. Bayly-No not with any one on this sid not that I know of. [Oh--ah, you don't know.] Mr. Root took up the cudgels in favor of the Free Soilors, and, from his remarks, it became rigues, were known by him to be true. His speech kept the House in a roar of laughter, from We were warned of the danger of so doing. The dote, the point of which, as an illustration, was that the Democrats had sate down with the Free ase of Graves, who started with the Pittsburgh Sollers at a game, and, thinking them green, had stocked the cards, and commenced cheating by tucking away the ares and honors under their impany, as guide, was cited to us, to induce us prefrain from taking any cut off whatever. This coat alceves. But presently they were constraine

to call out, "Why, where in the world are all the aces\*" And ",Free Soil" had occasion to reply time, was compelled to make a meal on his sh strings, and finally to eat his own parents. We had not gone many days on the cut off before we had not gone many days on the cut off before we found that the term "cut off " was a misnomer, it being in fact no cut off at all, but really much "Why, we think one of them is under the cuff your cost, and we know the other three are in the legs of our boots." The hit was so palpable thi er than the main road. With the wagon the House shock with laughter for some minutes. Mr. Bayly now rose, and begged leave to say that he was mistaken, there had been a corres pondence between Mr. Brown sud Mr. Wilmon who had taken this road was a man named Maget who had trapped in the Sierra Novada Mountain some years since, and or whom all depended fo information relative to the road. Traveling with on the subject of appointing the committees. him, however, or in his wake, was a slow bus Mr. Brown was, of course, appealed to, and he reluctantly rose. He would explain. His friends had made him a candidate for Speaker, and, on reas to us who were packing through, and more iver, he contensed that he was only acquainter with the road, after he reached a camp severa Monday last, had given him fifty three votes fo d and flour, we were compelled to start out

Monday last, had given him miy three votes for the station. After the vote, Mr. Without had come to him to enquire his views upon slavery, &c. He told him that he concurred in sestiment with three Gurths of the people of the free States, and was opposed to the extension of slavery. Mr. Without ament of our own most, a minit of present having dono the same thing the day beine. Ma-gee told as of the indiana being troublesome, hav-ng stripped him, in company with offers, some years before. That they were troublesome we knew from superieses, having two, or three nights said the Free Soilers wanted to be assured that the Committees would be constituted so that their opinions would not, as heretofore, be stilled, occ. &c. He replied that he would satisfy them in this in a stone's throw of the guard. The hows died immediately, but the mule laved although the processing and through the neck and was taken to a stone's through the neck and was taken to a prompty and caudidy. He read the reply bodying the same interrogations. He had replied to it, promptly and caudidly. He read the reply it was very short but very decided, saying that b should, in making up the Committees on the Judi

intry, the Territories, and the District of Columbia, obey the wishes expressed by Mr. W, and that he was himself in favor of restricting slavery where-

FROM WASHINGTON. of the Pittsburgh Gazette. Washington, Dec. 13, 1849. We have had another day of passion and agitaes, and I say it wit Depressization con re is no prospect of its being termin e of things. I must a fer you fo any thong these sharing corry sketch of the tunnilur. Here, our agenes and the violent harangues of that day's sitting of the House of Représentatives. It seemed during this memorable day, as it the fountains of mutual hat had been opened, and the waters of for hittenmen the hardbeet of the set o 226 terness had broken forth. To me, who am not and Violent feelings in our pational legislature, the tit days of our Union appeared dead to be numbered TO Mr. Meade, of Vingibia, who by his course to many other occassons, has carred the reputse. To many other occassons, has carred the reputse. Unionist both in feeling and by avowed opinion, belongs the honor of having introduced the drder of debate into the discussions of the day whole ex-cited the flame of discource and the the sufference of the sufficiency of the sufficiency of the sufficience of the sufficiency of the sufficience of the suffi Mr. Cobb. of Alabana, who refused to vote i im yesterday, now came up to the scratch, and helped Brown along to the pinnacle of his fame. But Mesars. Seddon and Bocock, of Virginia,

him peaterday, now came up to the scratch, and belongs the hours allow of the very first dividence of public, helped Brown along to the pinnetle of his hame.
