this creditable musical entertainment are devoted,

a sumilar process, was compelled to relinquish ber trap, re-shipping her treight and passengera-We record these facts for the contemplation of the the grievance will be brought before the Supreme Court, and adjudicate before the Supreme Court, and adjudicate before the Supreme Since writing the above, the filbernia No. 2, re-the grievance will be brought before the Supreme Since writing the above, the filbernia No. 2, re-sengers, and give up her trip. Thivate letters from Washington affirm that it is members to make an effort to bring about what the the will consider a virtual dissolution of the Un-tion, by preventing an organization of Congress. There can no longer be a doubt that there are written the hestory of their own indelible disgrace. The example of the Southern States. We cannot, however, believe that there are many of this finantical cred, and still less do we believe twe cannot, however, believe that there are many of this finantical cred, and still less do we believe twe cannot, however, believe that there are many of this finantical cred, and still less do we believe twe cannot, however, believe that there are many of this finantical cred, and still less do we believe the south example the states. We cannot, however, there are failed by the subate and finantical tred, by the subate and still as dow believe the such doctrines and practices will be subations, in both extremes of the Union, to prevent an or-tit manot, however, there are failes and the first and the public for a dotter in the subate and still as dow believe the anoth, however, there are failes and the subate and the difficulties and dasgrer result. The promote are a failen anoth in both extremes of the Union, to prevent an or-tite from the as suits meas the sailer or the targer a packets, hurt her atem chimes, scaling the duty--it may now be the duty--of the firedd the duty--it may now be the duty--of the firedd the duty--it works in view, it may become the duty--it way now be tho duty--of the firedd the congrine an much thist

the duty--it may now to the series in Congress,— of its Ugion,—of the Conservatives in Congress,— to exchew party, for the time being, and elect some gentleman of high standing and character, and of sufficient honesaty and firmusate be im-partial, to the office of Speaker. The people of Pennyivanis, and, we believe, of the entire North, love the Union better than party, and, if a good man can be agreed upon, pledged to impartiality, we see no reason why both parties cannot vote for him, as a deraier resort, be be Whig or Demo-terst. It is high time this dangerous struggle was end-lity in this dangerous struggle was end-to the loss of many of hoir warrors, who have fallen in many atkirniabes with the emi-struction in the struggle was end-

It is high time this cangetous studgeto studgeto the to the total of t

ed, and surely there are a sufficient number and right minded men in Congress, who will step for-word in this emergency, and rally on the platform of the Union, and thus elect a Speaker in spite of factious disorganizers. The following sensible and dispassionale re-marks on this subject are from the National In-telligencer.

The Parkman Murder. The verdict of the Coroner, pronouncing Pri-fessor Webster guilty of the murder of Dr. Par-man, does not seem to have occasioned much au prise. For some days the public mind had bee prise. manuate for some ays the public mind has been prepared for such a result, in consequence of de-velopements, to which we have aircady alluded, tending to show that the nurder was premodila-ted. The Coroner's Jory have spoke their con-victions freely and fully, without blas, we believe, from any opioion outside of the room, where their protracted and carried inquiry was conducted— it now remains to extend to the pressore a fair tri-al before the high legal tribunal of the State. And was trugt that the sgattenion which have 2.4 arenar the

in the times of the long elimonico, the basic way or course, the Rittish way of 1812, the Basic way or 18334, the Texas annexition way of 1815, hen the Mixiana way of 1946. The context betwee different interests, personal and political, in the Joues, however it is magnified into undue conse quences by the telegraph, by letter writers, an ity the echoes of the distant press exaggrand all, is bot one of those ebuiltions common to pop usar governombis—may, which are a part of the orthore— which are at last settled by the decino existing and the sequence of the sequence o

sy is precisely the same which it has b --that although he has read the finding paer's inquest, it has not disturbed him t and he remains perfectly only and I ular governments-nay, which are a part of them cast, and he remains perfectly calm and selfposteret. Which are a list settled by the decision of the majority, and, when thus settled are access the settled with decision of the majority, and, when thus settled are cases.
