**Reversible Filtering Cock,**
FOR PURIFYING WATER,
Which renders turbid water pure by removing all substances not soluble in water. The croton water in N. York, although clear and pure to the eye, yet when it passes an hour through this filtering cock, shows a large deposit impure substances, worms, &c. This is the case more or less with all hydrant water.
The Reversible Filterer is neat and durable, and is not attended with the inconvenience incident to other Filterers, as it is cleansed without being detached from the water pipe, by merely turning the key or handle from one side to the other. By this easy process, the course of water is changed, and all accumulations to impure substances are driven off almost instantly, without unscrewing the Filter. It also possesses the advantage of being a stop cock, and as such in many cases will be very convenient and economical.
It can be attached where there is any pressure high or low to a cask, tank, tub, &c. with ease. To be had of the sole Agent, W. W. WILSON,

**IN QUART BOTTLES.**
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM, VIZ:
Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptons, Sciatica or Lumbago,—and diseases arising from an injudicious use of Mercury, Acities or Dropsy, Exposure or Imprudence in Life; Also—Chronic Constitutional Disorders, &c.

In this preparation are strongly concentrated all the Medicinal properties of Sarsaparilla, combined with the most effectual aids, the most salutary productions, the most potent simples of the vegetable kingdom; and it has been so fully tested, not only by patients themselves, but also by physicians, that it has received their unqualified recommendations and the approbation of the public; and has established, on its own merits, a reputation for VALUE and EFFICACY far superior to the various compounds bearing the name of Sarsaparilla. Diseases have been cured, such as are not furnished in the records of time past; and what it has already done for the thousands who have used it, it is capable of doing for the millions still suffering and struggling with disease. It purifies, cleanses, and strengthens the fountain springs of life, and infuses new vigor throughout the whole animal frame.

ANOTHER CURE OF SCROFULA.

The following striking, and—as will be seen—permanent cure of an inveterate case of Scrofula, commends itself to all similarly afflicted:

SOUTHPORT, Conn., Jan. 1, 1848.

Messrs. Sands: Gentlemen, Sympathy for the afflicted induces me to inform you of the remarkable cure effected by your Sarsaparilla, in the case of my wife. She was severely afflicted with the Scrofula on different parts of the body; the glands of the neck were greatly enlarged, and her limbs much swollen. After suffering over a year, and finding no relief from the remedies used, the disease attacked one leg, and below the knee suppurated. Her physician advised it should be laid open, which was done, but without any permanent benefit. In this situation we heard of, and were induced to use, Sands' Sarsaparilla. The first bottle produced a decided and favorable effect, relieving her more than any prescription she had ever taken; and before she used six bottles—to the astonishment and delight of her friends—she found her health quite restored. It is now over a year since the cure was effected, and her health remains good, showing that the disease was thoroughly eradicated from the system. Our neighbors are all knowing to these facts, and think very highly of Sands' Sarsaparilla.

Yours with respect, JULIUS PIKE.

Extract from a letter received from Mr. N. W. Harris, a gentleman well known in Louisiana co., Va:

"Gentlemen, I have cured a negro boy of mine with your Sarsaparilla, who was attacked with Scrofula, and of a scrofulous family.
"Yours, truly, N. W. HARRIS.
"Fredericks Hall, Va., July 17, 1848."

SANDS' SARSAPARILLA.—It seems almost unnecessary to direct attention to an article so well known, and so deservedly popular, as this preparation, but patients often who wish to use the extract of Sarsaparilla, are induced to try worthless compounds bearing the name, but containing little or none of the virtue of this valuable root; and we think we cannot confer a greater benefit on our readers than in directing their attention to the advertisement of the Messrs. Sands, in another column. The bottle has recently been enlarged to hold a quart, and those who wish a really good article will find concentrated in this all the medicinal value of the root. The experience of thousands has proved its efficacy in curing the various diseases for which it is recommended; and at the present time more than any other, perhaps, is this medicine useful in preparing the system for a change of season.—[Home Journal, Sept. 1848.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Druggist and Chemist, 100 Fulton street, corner of William, New York. Sold also by Druggists generally throughout the United States and Canada. Price $1 per bottle; six bottles for $5.

MR. ELIJAH EATON'S CERTIFICATE TO DR JAYNE.—This certifies, that immediately after having attended my brother, who died of consumption in March, 1842, I was taken sick with the Consumption or Liver Complaint, and was reduced so low with the disease, that for four years I was unable to attend to my business, either at home or abroad, being for the most time confined to my bed. During the above period of time, I had expended for medical attendance on regular Physicians and medicines, to the amount of $300, without receiving any benefit therefrom. In July, 1845, I commenced taking Dr. Jayne's Medicines, and have taken them more or less ever since, and believe that it was by persevering in their use, that I can now truly say that I have completely recovered my health. I believe that Jayne's Sanative Pills and Expectorant are the best family medicines now in use.

I reside in Springfield, Otsego county, N. Y., ... ELIJAH EATON.

## MEDICAL.

SELLERS' LIVER PILLS WAS MY DOCTOR!
BUTLER, Pa., [illegible]
MR. R. E. Sellers—Dear Sir: I feel it a duty I owe to the public, as well as to the credit of your Liver Pills, to state the good effects produced by them in my own case. During the month of June, 1845, I took very unwell, my appetite failed, and my strength was entirely prostrated, with severe pain in my side and shoulders. I was told by medical men that my disease was a severe attack of liver complaint. I took several boxes of M'Lane's Liver Pills, and some syrups which I was told was good for that disease, but after all I was getting worse. I finally concluded to place myself under the care of a physician [illegible] worse; but, fortunately, just at this time, I was told by the Rev. J. Niblock, of this place, that a friend had sent him a box of Sellers' Liver Pills from Pittsburgh, which had benefited him very much. I then sent for a box of your Liver Pills, and by the time I was done using them, I was satisfied that it was just the medicine that suited my case. I sent for more, and took five or six boxes, and found myself almost entirely cured; but in March last I caught a severe cold, which brought back the disease, and at a short time I was as bad as ever. I again had recourse to your Liver Pills, and took them every other night for six weeks, and occasionally since, and I can now say, that I feel little if any symptoms of the Liver Complaint, and my general health is as good now as it has been for the last 15 years.

My neighbors ask me who was my doctor. I tell them that Sellers' Liver Pills was my doctor, and by the blessing of Divine Providence the means of curing me. I am confident that when the public become acquainted with the value of your Liver Pills, the demand for them will increase. Many of my neighbors, to whom I have recommended the pills, can testify to their value, as well as to the facts above stated.

Respectfully yours, [illegible]

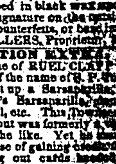
**CAUTION EXTRA.**
A man by the name of RUEL CLAPP has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it GENUINE, Original, etc. This Townsend is no doctor and never was, but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. He is sending out cards headed "Tricks of Quacks," in which he says, I have sold the use of my name for $7 a week. I will give S. P. Townsend $100 if he will produce one single solitary proof of this. This is to caution the public not to be deceived, and purchase none but the GENUINE ORIGINAL OLD Dr. Jacob Townsend's Sarsaparilla, having on it the Old Dr.'s likeness, his family coat of arms, and his signature across the coat of arms.
JACOB TOWNSEND.
Principal Office, 102 Nassau st, New York City.



OLD JACOB THE ORIGINAL OF THE DOCTOR TOWNSEND, DISCOVERER [illegible]
**TOWNSEND SARSAPARILLA.**

Old Dr. Townsend is now about 70 years of age, and has long been known as the AUTHOR and DISCOVERER of the GENUINE ORIGINAL "TOWNSEND SARSAPARILLA." Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth and known its value. This GRAND AND UNEQUALLED PREPARATION is manufactured on the largest scale, and is called for throughout the length and breadth of the land.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better; because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the Art, have all been brought into requisition in the manufacture of the Old Dr.'s Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains medicinal properties, and some properties which are inert or useless, and others, which, if retained in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the properties of Sarsaparilla are so volatile that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process, known only to those experienced in its manufacture. Moreover these volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medical properties of the root, which gives to it all its value. The

**GENUINE**
OLD DR. JACOB TOWNSEND'S SARSAPARILLA
is so prepared, that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted and rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the [illegible]

CURE OF INNUMERABLE DISEASES.
Hence the reason why we hear commendations on every side in its favor by men, women and children. We find it doing wonders in the cure of Consumption, Dyspepsia, and Liver Complaint, and in Rheumatism, Scrofula and Piles, Costiveness, all Cutaneous Eruptions, Pimples, Blotches, and all affections arising from

IMPURITY OF THE BLOOD.
It possesses a marvellous efficacy in all complaints arising from Indigestion, from Acidity of the Stomach, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and cold hands, cold chills and hot flashes over the body. It has not had its equal in coughs and colds, and promotes easy expectoration, and gentle perspiration, relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.
It works wonders in cases of fluor albus or whites, falling of the womb, obstructed, suppressed, or painful Menses, Irregularity of the menstrual periods, and the like; and is effectual in curing all forms of the Kidney Diseases. By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and cures all forms of

NERVOUS DISEASES AND DEBILITY,
and thus prevents or relieves a great variety of other diseases, as Spinal Irritation, Neuralgia, St. Vitus Dance, Swooning, Epileptic Fits, Convulsions, &c. Is not this, then, THE MEDICINE YOU PRE-EMINENTLY NEED?

But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be COMPARED WITH THE OLD DR.'S, because of the Grand Fact, that the one is incapable of Deterioration and NEVER SPOILS, while the other DOES; it sours, ferments, and blows the bottles containing it into fragments; the sour, acid liquid exploding and damaging other goods! Must not this horrible compound be poisonous to the system? What! put acid into a system already diseased with acid! What causes Dyspepsia but acid? Do we not all know, that when food sours in our stomachs, what mischiefs it produces?—flatulence, heartburn, palpitation of the heart, liver complaint, diarrhœa, dysentery, cholic and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour acid fluid, which insinuates itself between the joints and elsewhere, irritating and inflaming the tender and delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulations, and nearly all the ailments which afflict human nature.

Now, is it not horrible to make and sell, and infinitely worse to use this

SOURING, FERMENTING, ACID COMPOUND OF S. P. TOWNSEND?

and yet he would fain have it understood that Old Jacob Townsend's Genuine Original Sarsaparilla, is an Imitation of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article! and which should bring down upon the Old Dr. such a mountain load of complaints and crimination from agents who have sold, and purchasers who have used S. P. Townsend's Fermenting Compound!

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are heaven-wide apart, and infinitely dissimilar; that they are unlike in every particular, having not one single thing in common.

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the despairing bosom, to restore health and bloom and vigor into the crushed and broken, and to banish infirmity—that old DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his GRAND UNIVERSAL CONCENTRATED REMEDY within the reach, and to the knowledge of all who need it, that they may learn and know, by joyful experience, its TRANSCENDENT POWER TO HEAL!

SALEM, Columbiana co., O., [illegible]
DR. D. JAYNE: Dear Sir—I feel bound to you and the afflicted public, to avail myself of this opportunity of giving publicity to the extraordinary effect of your Expectorant on myself. Having been afflicted for several years, with a severe cough, hectic fever and its concomitant diseases, and doomed only to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in the neighborhood without deriving any benefit, or the consolation of surviving but a few days or weeks at farthest—when the last gleam of hope was about to vanish, I had recommended to me your Expectorant, and blessed by that Being who does all things in the use of the means—and contrary to the expectations of my physicians and friends, I was in a few days raised from my bed, and was enabled by the use of a bottle, to attend to my business, enjoying since better health than I had for ten years previous.
