thority, and we feel confident that his doings will be disavowed. Whether our own agent, Mr. Squier, has not also been acting with more seal than discretion, we very much doubt. Under THE NEW YEAH-1850. For sight four years has the Pittsburgh Gazette sunnally groeted the citizens of this eity and com ty, on the birth day of a new year. During this is time, in the midst of the imm which have been going on around us, and all over the world, it has never failed to make its weekly or daily visits, as regularly as the revolving hea-sons. It commenced its existence in the eightntury, and now, in the middle of the nin teenth, it presents to its patrons the congratula tions of the senson, and wishes them all a happ

new year. Never did a brighter era dawn upon Pittsburgh than is ushered in by this new year. Hitherto w have depended upon rivers, tarnpikes, and cana nians to learn that the nomination of Hon. Ed ward J. Morris, of Philadelpeia, to be Charge to for our means of intercommunication, and for the romotion of our prosperity and growth. The Naples, was this day sent into the Senate. It was hich have proved every where else to be th precursors of unwonted prosperity. By the openned ill health required a declination of the aping of spring we expect to see the work actually ed, both east and west of us, and the

I regret to state that we have had this wee ats of money, and the anticipati a region in state the colora in the city, one at least of which terminated fatally this manning. This is a most unusual occurrence at this season. benefits to follow, will foreshadow some of the oming realities. We predict for Pittsburgh, from this date, a degree of prosperity hitherto unknown in her provious history, fistiering as that has been crity which has been steady, sale, and place are merely sporadic, and that the disease will not spread.—The weather is very cold. scalthy, and which has made her one of the chie Mies of the Union. / As is the past, so in the future, will the Gazette We have had a busy and animated tim

gress to day. In the house anotherscene in the trag-ical farce of Slavery and politics has been played the devoted to the promotion of the interests of this city and the surrounding region, as regards off, involvidg a sharp discussion and quiet reifes of the Northern Democracy, from a position some happiness, or fibancial success. No pair what vanningip assumed by num. As a nonceal same days ago, an Ohio Democrat had announced his purpose of moving to deprive the Speaker of the power of appointing certain committee. To day the whole matter came up for decision, and will be spared to make it a reliable vehicle of new sther of foreign or domestic, commercial or po-cal. As an independent Whig paper, is ain ue to be to present facts for the consi shall co eration and information of the people, giving our own opinions frankly, where we think they are not a breath of any such design was heard from one on that side of the House. own opinions frankly, where we think they are called for, and standing firmly aloof from al

The CLIPPER No. 5, Capt. Pars Deva itiaburgh every Friday morning at 10 of no every Friday evening at 10 r. w.

They are, however, entirely mistaken in relation to the estimate in which Mr. M'Cattheon is held by the Whig community. As far as we have as

ablin sentin and will receive a general an are all the grumblings of t

NANWILL -- The telegraphic one or two paricular. The free public square, at the corner of public square, at the corner of

Dedrick street, in the house owned by Mr. Nati McNary. We are informed that this same prop McNary. We are informed that this same prop-erty was destroyed by fire, a few years since, from the same cause in which the recent disaster originated-wir: an accident at the Water Works, which provented a sufficiency of water to subdue the same sufficiency of water to subdue

The young gentleman who is employed to writ editorials for the Mercury, devotes a column perily in reply to what he is pleased to call the contemp conslities of the Gazette, and partiy in a tible personalities of the Gazette, and partly in a attempt to prove that the American Governme has submitted to " an insult and outrage to whic ted to " an insult and outrage to which ander similar circumstances, the meanest Siate i Encope would not submit."

We indignantly repel both these charges. We deny, in the first place, that we have resorted to any personalities that were not justifiable. When we see some one urging upon a stoor man, o acknowledged bravery, though peaceably inclined that he has been grossly outraged and insuled and that he ought to fight, if it can be shown that deny, in the first place, that we have rea

this beligrerent person has a feud of his own with the alleged offending party, which he is himself too weak to avenge, we hold it to be perfectly allows able to do so. His vehement averments can then he taken with the necessary allowance. Now, th is exactly the case with the writing editor of the Mercury. British government, and British law. Mercury. British government, and British law, and he are not friends. We have no objections to

that. He has probably reason for his enmity But when he tells us that we, in America, hav also been insulted and outraged, and that our Gov-erament has tamely submitted to it, we must make free to tell him that we ourselves are the bes

ettisen ho will have learned, (unless incorrigibly strupid), that a tame submission to inrult and sg-gression is not one of our vices. But wa are about. We are perfoculy ready, and know what we are about. We are perfoculy ready, and know what we are about. We are perfoculy ready, and know the subcorrigibly have been wronged, let the injury come from what quarter it may, it will not the form the subcorrigibly the sub construction of the subcorrigibly the subcorrigible the subcorrigibly the subcorrigible the sub

Whenever it shall be clearly ascertamed that we have been wronged, let the injury come from regist guarter it may, it will not aced to small route of our self constituted mentor to roses the cosmiry. Ho will see it units, as an man, for re-trained. With fewer windy haragues, it may that has the hor ment to her windy haragues, it may the they her here windy haragues, it may

be, than he has been used to, but with an adapta-tion of means to ends from which he would do

well to take a lesson. In The Morenzy mark a bijections to the President's in The Morenzy mark a bijections to the President's in Memorenzy mark a bijection of weakness and imbechity, wanting in dignity and deciden? and imbechity, wanting in dignity and deciden? and imbechity, wanting in dignity and deciden? and what the style and tone much resemble those which characteries Kings' speeches? are sufficiently contradictory and absuit to be allowed to pass for what they are worth, without comment; but the modessy and fine sense of deciram which friends, who had themselves some ground of pre-termino to the farti office, its unmark of candidates the struke administration is at all courst to be sufficiently admined. If the Mercury mark's distate of the British administration is at all courts which shelters the origines for that of the country which shelters respondingly multiplied. It is prepared to night error sumcosmut contraintered and is desired for their the sear of the contrast of the main of the main of the desire that the compliment by put Southern men in the chifr, and t

the former, in and out of this House, upon the sla-very, question, I recommend that portion of the regular report to your attention. Mr. Root, of Obio, had charged the Whigs with having elected Mr. Cobb, by passing the plurality rule, and by them voting for the resolution decla-ring him duly elected. Mr. Gidings followed up the charge by assert-ing that the Whigs had only to have proposed to them a main known to be in favor of the Wilmon. There is a furry in the street about Reading di-home to disc this sfernoon. This looks strange 1 provide of the nease the section to half an hour. He them went on to assail Mr. Winthirop, and to reay what this morning closing at 3, and charles of sook them sent proves to have be readed to say him and Howell Cobb, the Free receive the stock at high rates. Several parti-refused to receive their stock, to day, but the that as between Soil men had no choice. Mr. Winthrop defended himself with indignan

mes are not quite current enough to priat ye Mr. Winnerpletended inter the strugger eloquence and warmth, and declared that Mr. Goldings had circulated statements concerning him which were known to be utterly unlounded To day has been settling day with the banks, and to day has been setting of which them by way of ct course, little can be had from them by way of accommodation, and money is temporarily tight. The Bostonians and Philadelphians are drawing and false, which he had before proved to be so,

and unise, which use and before proved ab or to, and which he now again hoo pronounced. There was one feature in this debate that I could not but reyret. Mr. Schenck''s definition of the position held by Mr. triddings and Mr. Koot, show-od but two plainly, that this was to become if some measure an Ohio state fueld, upon which is i power and influence was to be divided and ene-trained in the great contest now pending for the Union and the rights of freedon.—Mr. Wishindp I is an expectent and noble member of the Whie marvery close upon New York, which helps on the stringency in the market, though it is impossible for it to last after New Year. made public this forencon, and is regarded as fa vorable, telegraphic blunders excepted. The firm ness in coiton, and the growing framess in bread-stuffs, added to the strong position of our stocks abroad, warrant the hope of an export of bread-stuffs, and a reduction in the rates of exchange

is an excelent and noble member of the Whig par-ity. His talent, diguity, and impartiality are un-questioned. He ought to have been elected Speak-er. The Free Soil men ought every one to have er. The free Soil med ought outly due to and youed for hims. But it was known that they would do so. They offered to vote and did wate for Thadeau Stevens. It has i become evident that Mr. Winthrop could not be elected, and though I would not have yielded one inch to the Southern

traitors who descrited him and betrayed their par-ity, I would have taken up Mr. Vinton, or some other Western Whig, and tried what could be tone with him. These interminable feuds at the North deprived

Incomination intermination for the state of all power to act efficiently, and keep usin continual vasanlage to that hateful spint of South-era domination which is rapidily making of us the money. slaves only less contemptible than their own ne-

groes. Bart's resolution was passed, and Mr. Cobl-Barrs resolution was passed, sud Mr. Con-will be occupied from now until Wednerday next in farming his committeer. In the Senate, Foote withdrew his notice of bills for dividing California and Texas, so as to make

in the Senate, Foote withdrew his notice of bills for dividing California and Texas, so as to make another free and have atack, and three additional territorial governments—so that notable scheme for provening the admission of California is aban-dened. doned. Mr. Clemens, the new Democratic Senstor from

Alabams, presented a resolution making general enquiries concerning the course of the admiota-tration in California, and strongly censuring it, by

Grain there is little to notice. The market for Pork is firm, with sales of 2,-100 bils at 11 75 Ø12 for Mess, 8 75 Ø \$9 for Prime, to arrive in February. Mess is offered at 811. Beef, with sales of 250 bbls, is without change. Beef Hamsaro better. Sales of 300 bbls at 12 75 Ø12 671. Cut Meals are without activi-Sales of block driv Hams at 56c. Pickled are Mr. Cobb is making up his committees, and

at 12 75 @ 12 671. Cut Meals are without activi-ty. Sales 40 hhás dry Hams at 54c. Pickled are r nominally Ge and 7c for Shouldors and Hams. Lard is heavy. Sales of 100 bbls Grease at 54c 150 trea good at 6@ 64. Rice is inquired for, and stiff. Coffee is rather doll, and grovers do not care t. buy largely at present. Whiskey doll at 261 @ 27. Teas are uniet.

Sin-It appears that Measurs Darsie and Rol ave, very efficiently, attended to the duties im posed upon them as the agents o our Count cations with the

The news by the Cambria, from Liverpool, was der the corporate seal of the Company:

this day, the following resolution was unauthous, adopted: "Resolved, That the Chief Engineer be instruct-ed to put unber contracts, as safy in the Syrang as the seather will permit, the time cestwardly from Pitthourgh as far as the point of intersection with the Turpike near Turle Creek, and such heavy sec-tions on the whole line as be may deem expedient, and to press all the contracts as rapidly as possible. Extract from the Minutes. Theor. J. First, Sec Y." which are now in our favor enough for all pracal purposes. The dizsolution of an eminent Ger
