PHILADELPHIA NORTH AMERICAN

The Legislature—We have secured the services of an able and experienced correspondent, at Harrisburg, and our readers will be kept informed of all matters of interest passing there duranteed of all matters of interest passing there duranteed.

politeness of Gov. Johnston, to lay the annual message, which was read to the two zens, says the message, the favor that a politicness of Gov. Johnston, in laying and the manager, which was read to the two sound and enlightened system of education houses yestatian, before our readers this morning, without the expense and trouble of telegraphing it. Conies, sufficient to supply the press of the city, were forwarded by mail, to the Post Master, and delivered to the offices on the receipt of a despatch anterior of the first of the city of the cit

Of the message itself, we are happy to say, it is a document honorable to the State, to its author, and to the Whig party.

Mithree o'clock in the afternoon, some valuable properly, on the South side of Soyenth Street, between, Smithfield and Grant, belonging to the tween, Smithfield and Grant, belonging to the same genileman, will be sold, positively, as we are authorized to say.

There has been, of late, a centible rise in the value of real extate in this city and vicinity, and quite a speculative feeling is predicted the coming geason. Be this asit may, there is no danger of purchasing real extate in this city, or vicinity of the public works has been little.

State for the factor of the factor of the public works and superint tendants employed upon the public works. They have been permitted to draw from the family of the fam

cash, will form come oriterion for the rating of property in their vicinity.

Notwithstanding the revision of the last Legislature of the laws in relation to com

nouncing its delivery in Harrisburgh. What a world of trouble and anxiety this has saved the press! Printers every where will impreciate it, and heartily thank our worthy Gövernor for his considerate kind- renewed until a thorough examination of the institution shall have demonstrated its e, to its author, and to the Whig party. nomination than five dellars, are practically But in place of any strictures of our own, disregarded by the citizens. It is therefore

Manufacture in the Presenty on Dec. 1, 1915.
