REPORTED & TELEGRAPHED FOR THE PITTSBURGH DAILY GAZETTE

CONGRESSIONAL.

WASHINGTON, Jan. 23.

Senate—The Vermont slavery resolutions came up for consideration.

Mr. Phelps made a moderate and well timed speech, in defence of the resolutions.

On motion, the motion of Mr. Butler, relative to the capture of fugitive slaves, was made the order of the day for to morrow.

The Senate then adjourned.

House—After considerable debate, the resolution, allowing ninety days to collect the testimony relative to the contested seat of Mr. Thompson, of Iowa, was adopted.

The House then took up the President's territorial Message.

Mr. Seddon had looked into the documents accompanying the message, and felt bound to say, that there was no truth in the remark of the President, that the administration had not interfered in the affairs of California. He read extracts, proving that the President advised the formation of a State Government in California, and usurped the legislative power which now places Congress under serious embarrassment.

The President was evidently no constitutional lawyer, but a brave soldier—and had been deceived by his cabinet.

Mr. Foote moved to refer the subject to the Committee of the Whole, pending which motion the Senate adjourned.

OFFICE, PITTSBURGH GAZETTE, Thursday Morning, Jan. 24, 1850.

The weather continues unusually mild for the season and at the present writing, there are strong indications of rain.

Business, during yesterday, was generally quiet, throughout the market, and every thing remained as per previous days quotations.

The river during yesterday, was falling slowly, with some 15 feet water in channel, and no floating ice.—Several of the boats composing the Cincinnati packet line, after a short detention, have commenced running again, and we presume they will soon all be in regular operation.

Pork Packing in the West.

Hogs slaughtered and cut at Cincinnati and vicinity this season, according to present figures

At Louisville	154,000
At Chilicothe	32,000
At Hamilton, according to the Intelligencer	15,100
At Evansville, Ia	12,800
At Lafayette	40,000
At Terra Haute	65,500
At Vincennes	15,000
At Clinton	14,000
At other points points in the Wabash Valley; (Attica 8,000, Williamsport 6,000, Covington 3500, Perrysville 5,000, Eugene 7,000, Newport 3,000, Logansport 5,000, Delphi 5 000	43,000

These figures for the Wabash Valley, strike us as high. They are given by the Lafayette Journal, of the 14th inst., which states that exactly all the particulars were "gathered from the most reliable sources." If correct they show a large increase in the amount of pork packed in the Wabash Valley this season, as compared with last.

The Hamilton Intelligencer says that the figures given for that place this season, must be set against 22,000 head for last season. This shows the large falling off of 17,000.

A note from New Lisbon, Columbiana county, to the Cincinnati Price Current, says: "The number of hogs packed in this county, this season, was 5,150 head, weighing 1,032,000 pounds, against 7,560 head last season, which weighed 1,539,000 lbs. You perceive the number of hogs is greater this season than last, yet there is a deficiency in the weight of 206,000 lbs."

Aggregate deficiencies have been summed up at seven or eight places, of about 80,000 head, but they rest more upon estimates than actual returns, and therefore, should not be too strongly relied on.

SUNK.—The steamer Yorktown reports the loss of the Chas. Carroll, bound from Nashville to New Orleans, in the Cumberland river. She sunk to her hurricane deck. The following despatch to the Nashville Union, gives some of the particulars of the disaster:

EDDYVILLE, Jan. 15.

The steamboat Charles Carroll, heavily loaded, while rounding to a mile below Hillman's iron works and nine miles above this place, at 3 o'clock this morning, struck a stump close to shore, and immediately sunk in 10 feet water. She has since swung round into deep water. The furniture, books, papers, and money were saved, and the passengers taken off by the Josephine, and carried to Smithland.

The cargo is supposed to be an entire loss. The river however, is now full of floating freight, which is being collected by boats and rafts.

LOCAL MATTERS.

REPORTED FOR THE PITTSBURGH DAILY GAZETTE

NOMINATION OF WILLIAM B. MCCLURE.—Telegraphic despatches were received in town yesterday, to the effect that Mr. Wm. B. McClure, of this city, had been nominated by the Governor as Judge of this District. This is a most excellent nomination, and we hope it will be immediately ratified by the Senate.

Mr. McClure is known to our citizens as a gentleman possessed of the highest order of legal and literary attainments. His whole previous life is a guarantee for the faithful discharge of his duties in the honorable, responsible, yet well deserved position which he now occupies.

COURT OF QUARTER SESSIONS.

Judge Patton did not take his seat to day, but his place was ably filled by his honor, Samuel Jones, Associate Judge.

The only trial which went to a jury, was that of the Commonwealth vs William L. Miller, Wm. Powers, and Abraham Moore, indicted on oath of Wm. Freany, for assault and battery. A nol pros was entered as to Mr. Moore, and the jury returned a verdict of "not guilty," prosecutor to pay the costs, as to the other defendants.

WILKINS HALL.—The Euterpeans still continue to attract crowded audiences at this place.—They will remain until the end of the week.

WATCHMEN DISCHARGED.—The following watchmen were discharged by the police committee on Monday night. Joseph Justice, James McKelvy, Edward Karns, Jabez Jenkins, John L. Crossett, James McFerran, Clarke Jewell, Geo. Matthews, Thomas McKee, John McClain, Samuel Hesson, James Orr, Jas. L. Kerr, C. Gibson, and D. Jewell.

SUICIDE.—Mr. Adam McKee, of Allegheny, who took a dose of laudanum, on Tuesday, with the intention of committing suicide, died yesterday morning.

ARRESTED.—A young lawyer was arrested yesterday, at the Mayor's Office, on a charge of "contempt." He was discharged after remaining in custody a few minutes.

CLERK OF THE MARKET.—Mr. John Green, Clerk of the Market, requests us to say that he did not, as we stated yesterday, "acknowledge his error." He maintains that he was in the right, in the recent fracas between himself and the Mayor.

The Allegheny Riot Case.

We had prepared a synopsis of the speeches of the Council, in this case, but it was crowded out of our paper by the length of the Judge's charge.

Mr. Eyster addressed the Jury, on Monday morning, on behalf of the defendants, in his usual happy strain, and was followed by his colleague, Captain Naylor. The gallant captain was suffering severely from the effects of sickness, but made a masterly speech, in defiance of bodily suffering.

The Honorable Charles Shaler concluded on behalf of the Commonwealth. Most of our readers have had the pleasure of listening to this eloquent gentleman, and, therefore, are well aware of his oratorical talents, but we think they have never known him to make a more brilliant and powerful appeal to a jury than in the present instance. This speech was listened to with the most intense (almost painful) interest, and seemed to make a deep impression.

MAYOR'S OFFICE.

PITTSBURGH, Jan. 23.

The Mayor still continues to prosecute the war against the hucksters with vigor. Two persons were fined respectively $3 and $1 for this offence, this morning. One of them, a woman, had been four times brought up on this charge—she refused to pay her fine and was committed.

Two were fined 67 cents each, and costs, for drunkenness and disorderly conduct.

Two rather prepossessing young men were charged with drunkenness. As it was their first offence, however, they were discharged. One of them had lost some money; he said that he "came over from Birmingham last night with $30 in his pocket, and this morning had two cents. He hoped he should learn something after a while."—He was advised by his Honor not to take any more lessons in his school.

DROWNED.—The body of a stranger, name not known, was found in a pond, in a brick yard, near the Glass Works of L. Harcum and Co., Birmingham. He had evidently stumbled into the place, and been drowned on the proceeding evening.—[Journal.

LIVER COMPLAINT.—Another cure performed by using the original, only true and genuine Liver Pill.

ABERDEEN, Brown co., O., March 20, 1847.

Mr R. E. Sellers—In April last my wife was attacked with Liver Complaints, and had the advice of two physicians, who tried various remedies without producing any good effect. Having heard of your celebrated Liver Pills, I concluded to give them a fair trial. I purchased one box of Mr. Scott, of Aberdeen, and gave them according to the directions, by which she was greatly relieved. I procured a second box, which entirely cured her, and she now enjoys excellent health. I have used them myself, and pronounce them the best family medicine I ever tried.
Yours, &c., MASSIE BEASLY.

Prepared and sold by R. E. SELLERS, 57 Wood st; sold also by Druggists generally in the two cities.

THIS is an article of great value to all persons engaged in building, or to those who have already built, and are without window fastening. MEDICAL AND SURGICAL OFFICE,

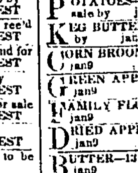
No. 65, DIAMOND ALLEY, a few doors below Wood street, towards market.



DR. BROWN, having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him. 14 years assiduously devoted to study & treatment of those complaints, (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) amply qualifies him to offer assurances of speedy, permanent, and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.

Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured; he having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflamation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them, and their cases treated in a careful, thorough and intelligent manner, pointed out by a long experience, study, and investigation, which it is impossible for those engaged in general practice of medicine to give to one class of disease.

Hernia or Rupture.—Dr. Brown also invites persons afflicted with Hernia to call, as he has paid particular attention to this disease.

CANCERS also cured.

Skin diseases; also Piles, Palsy, etc., speedily cured Charges very low.

DOCTOR WISTAR'S BALSAM OF WILD CHERRY.

THE following article we copy with pleasure from the "Boston Mercantile Journal," of March, 1849, and we hope that if any of our readers are suffering from any of the complaints which it is said to cure, they will speedily avail themselves of it:

DR. WISTAR'S BALSAM OF WILD CHERRY.

It was well known many years ago that the wild cherry bark tree of this climate possessed valuable medicinal qualities. Indeed this fact was known to the aborigines, and decoctions of the leaves or bark of this tree has ever been regarded by their physicians as one of the most effectual remedies in many diseases. This fact, several years since, arrested the attention of Dr. Wistar, a highly respectable practitioner of Virginia. He investigated with care the healing properties of the wild cherry—tested its effects when administered alone, and when in combination with other remedial agents. He found that its curative virtue might be greatly improved, and by combining it with ingredients whose properties were all well proved and generally recognized, a medicine was produced which constitutes a remedy of great importance in pulmonary affections and diseases of the chest and throat—diseases which are proverbially prevalent in our cities and large towns, and often prove fatal, swelling the bill of mortality to a much greater extent than is the case with most others, we had almost said all classes of disease.

The genuine Wistar's Balsam of Wild Cherry has a fac simile of the signature of Henry Wistar, M. D., Philadelphia, and Sandford and Park on a finely executed steel engraved wrapper. None other are genuine.

We are just in receipt of the following voluntary tribute to the curative power of Wistar's Balsam of Wild Cherry, from E. Hall, M. D., of Mt. Clemens, Michigan, who is a physician of high standing, and an extensive druggist:

MT. CLEMENS, Mich., Oct. 20th, 1849.

To the afflicted, this may certify that Mrs. B. Roberts, of this village, three or four weeks after confinement, was attacked with a violent cough and great prostration, and seemed hastening to the grave with fearful rapidity. I advised her to use Wistar's Balsam of Wild Cherry—she did so, and with that valuable medicine alone was restored to health, and is now a living proof of the value of Wistar's Balsam of Wild Cherry. E. HALL,
Physician and Druggist.

Read on and be convinced still further of the remarkable virtues of Wistar's Balsam of Wild Cherry:

Messrs. Sandford & Park: Gents, As a matter of justice to you, and for the benefit of the public, I would offer the following statement of a cure effected by your medicine, known as Wistar's Balsam of Wild Cherry. In the spring of 1847 my wife was severely attacked with Peripneumonia, or Pleurisy, which resulted in a deep seated pain in the side, accompanied with a severe cough; she was attended by some of the best physicians in Chicago, but to no purpose; for weeks she suffered, without relief, coughing incessantly night and day. I came to the conclusion that all the remedies known to the physicians could not help her, and was induced to try your Wild Cherry. I procured one bottle, and commenced using it according to directions; before it was all gone—the cough stopped, the pain in her side left her, and with the aid of another bottle she was restored to PERFECT HEALTH. In consideration of these circumstances, I would recommend it to the public as a valuable medicine.
Yours, respectfully, R. N. GARRATT.
GRAND RAPIDS, Mich., Oct. 8, 1849.

Read the following Testimonials.

Of all the cures that have been recorded, there are certainly none equal to the one first mentioned, which plainly shows the curability of Consumption, even in some of its worst forms:

CROWN POINT, Lake co., Ia., June 15, 1849.

J. D. Park: Dear Sir, As I have a deep commiseration for the afflicted, permit me to give you a brief history of my afflictions, and the benefits derived from the use of Dr. Wistar's Balsam of Wild Cherry.

In July, 1844, I was attacked with a fever of the typhod character, which left me in a very debilitated state, when in the following winter I was taken with a severe cold, which reduced me to such an extent as to give me the appearance of a confirmed consumption. I labored under a severe cough—expectorated a great deal, and was troubled with cold feet and night sweats. I also frequently raised blood from my lungs. I continued in this state, gradually sinking under the disease, until January, 1847, when I was again attacked with fever. My friends despaired of my life, and my physicians thought I could survive but a short time. My extremities, especially my feet, were constantly cold, and almost lost their feeling. Under these circumstances it may truly be said that I was a living skeleton. I finally determined to quit taking medicine prescribed by physicians, and try Dr. Wistar's Balsam of Wild Cherry, and from the first week that I commenced taking it, I can date a gradual recovery. I continued its use six months, at the end of which time I was cured, and have enjoyed good health ever since, and cheerfully recommend the Balsam to all those afflicted with disease of the lungs, and would say to those commencing its use, not to be discouraged if two or three bottles do not effect a cure; but persevere as I have done, and I have no doubt but nine cases out of ten will be blessed with renewed health as I have been. Respectfully, yours,
JOSEPH JACKSON.

It cures diseases of the Gums, spungy or ulcerated, and for the Teeth it is unequalled, removing the tartar, fastening the teeth in the gums, and clean them as white as the *snow of the frozen North.*

Such, reader, are the properties of Jones's Amber Tooth Paste, and, without praising it ourselves, hear what one of our most respectable and scientific Dentists, Mr. F. Field, of New York, says:

"I have both used and analized this beautiful and impalpable article, (Jones' Amber Tooth Paste,) and can recommend it as possessing all the qualities claimed for it." Reader, we can say no more to convince, only that if you try this once you will be well pleased.
