has been spared to remedy all such defectson the part of Mr. Colianer. Mr. Buchinan han been here for several dayshav-ing been drawn hither for the purpose of setting on foot a more systematic plan to undermine Gen. Cass, and to render more sure his own aclection as the sext Loco-Foco nominee for the Previden-ery. Some parts of Gen. Gens's speech on the Wilmod Provise, has taken ihe wind out of Buch-ann's mile, and rendered a third raviaion and al-barrition of his forthcoming latter accessary, fefore making its appearance in the public prints. There is some of the neatest balanced deception and chi-enery going on between the managers of these for officiential spirants toward each other hist was aver known. In a few diys I will lift the well, that the cutions of the Union sy look be-hied the curstan." Buchanan feets confident of the conset, and is high spirits, so far as getting a aventaging is configured. and is in high spirits, so far on is concerned.

It is stated that Mr. Abbot Lawrence has suc coeded in negotiating a loan of three millions of dollars in London, for the Eastern Railroad.

The New York Sun says that the Usury Law of that Binto is likely to be repealed and modified. despaths of business.

your design is to have no landless men in the community, you would be obliged to make a dirit sion and durinbution every Saturday pight. The truth is, whatever the motives, this giving away R. LEA. of lands for the asking is the merest flummery is the world. If a man or woman wants enough for a homestead, fifly dollars will now purchase it. This sum can soon be procured by any serson ca-pable of making a good use of the land when ac
