AUCTION SALES.

ciety. There may possibly be gentles York and Ohio have this system in practical ope York and Ohio have this system in practical ope-ration, and both these States are explanally pro-perous in all the various elements which go to make up a great and thriving Commonwealth. The Free Banking system has, in these States workeed admirably, and is universally popular. No one has been injured by it, while it has reattered it-blersings to the remotest cofforr, affording a safe workey and adquate basking fashities, and de-veloping the resources of the States, and at imale value provide the remotest cofference of the atom of the atom of the atom value provide the remotest cofference of the states. The value content of the remotest cofference of the states at the value of the remotest cofference of the states. The value of the remotest cofference of the states at the state value of the remotest cofference of the states and a value of the remotest cofference of the states at the statest well managed. It might be begue to the corps of wood conterns, Let there be at its head to a man of king the conterns. Let there be at its head to content the cofference to the statest content of the cofference of the statest of the state and genisl manner, securationed to cultivate the soil of the heart. Give him one or more practical farmers, to show the boys how to handle their tool; let them have lectures on all subjects conting the enterprise and industry of the people. If this system is so bene fizial in Onio and New York, with which states we are intimately identi-fisd, why net adopt it in Pennsylvania? Would nected with agriculture, the care of animals, etc. And what think you, will be the comparison of it not be equally useful to us? Our New York correspondent, in his letter of yesterday, speak-ing of the benefits conferred upon New York by And what think you, will be the comparison of bealth between young men thus trained, and the graduating class in college! I speak of physical health; morally there could be no comparison. That some of the Fathers will take up the sub-ject and adopt a suitable plan for it, is the estrest with of -

We trust our Legislators will adopt this sound advice, and vield to the almost universal wish o the people in this behalf. Pennsylvania need such a system to famish her a safe currency, to a sich a system to turnish her a vale currency, to --sist her inhabitanisio develope her vast resources, and to enable her to keep pace in the march of improvement with her nonhern and castern neigh

Us. WINTER.—There seems to be a dispose tion to prejudice public opiniou sguinst this unfor tranze man, now shortly to take his trial, which we deem exceedingly wrong and upjust. By the laws of civilized nations a man is presumed inne-tioned in their course by the members in general using the system adopted, the associa-tion the shortly is a day in the system adopted, the associa-tion the shortly is a man is presumed inne-tion the short is not received that encourses men open ; unit he is proved guily. The evidence from the public which it deserves. A great and the short is the short is open about the short is open about the short is and state of the short is the short is open about the short is a short in the short is open about the spatial Dr. Webster, though perbaps strong, is ent me to time, have been charged with the manage <text><text><text><text><text><text><text><text><text><text><text><text><text><text><text> nmatantial, as far as the public are aptirely circumstantial, as far as the public i prised. It is, therefore, but a matter of just fried: Lis, iherefore, but a matter of suite-e-to after the tot, the noise, and the versitions of the day, its members may resort and spend a quiet back of the spend a spend a quiet is inder the spend a spend a quiet is a decent regard to the feelings of a large gain most respectable connection, whole hearts have been sadiy tran by this unfortune a fair the spin of the spend a place for wrangling, a samping sroud for Young Genetians who are about a called the spend a demands that we should calmly wait the verdict of the jury which will, no douth, base composed of the most is for four some for development of the Philadelphia Bulletin thus writesied, a correspondent of the Philadelphia Bulletin thus writes .--

thus writes--Borrow, Jan. 31, 1850. "The 'New and Astounding Developments against Dr. Weister,' sent from Borton to the New York Heatal, by a writer who signs humself' V. detté,' are copied into most of the penny papers in this vicinity, and will serve to renew and keep alive, natil March, the excitament on the Doreicop-ments' really contain nothing new to which any wright should be attached. They are intrinsically a collection of all the remore which have been beretofore on the wing singly, or in couple conly "Widgite' has migrated the whole into one floc-(with a few white black birds of this own inter-mined) to the South. I could bring down a hose of them with the 'samilest possible' abot, but the game is not worth the candle. This conver-ion of rumor's shadows into substantial evidence, to set the public options of generally and stream-ously against the prisoner as to origin a very coward-ly, despicable business, but is despenticly witchd." Boston, Jan. 31, 1850.

PROBABLE SUPERSION OF DIPLOMATIC INTER-WITH RUISIA AND AUSTRIA -- It is said A AND AUSTRIA.—It is said Austrian Govornments will astic agents from this coun-tion that time, it will be accomplished. W full confidence in it ourselves, that it will b pleted, as now expected, by Jane, 1653. ian and Austrian Governments will that the R ithdraw their diplom

tre efficients, meddlesome, and contemptible some extent at \$21 25 per ton, cash, and \$22 @ piece of tyrany that his persecution of the porr devil with the wooly horse was never witnessed here or elsowhere. Had the magistrate not been n ass, he would not have committed the man. Junius. WASHINGTON, Feb. 1, 1650.

are fim. [have to contradict a contradiction I made the o her day. Gov. Brown, of Tennessee, has been nominated minister to Russia. It is an excellent appointment, and will be unanimously confirmed. The details of the proceedings in Gaugress are not without interest, but as you will receive the ending points by telegraph, I must refer you to that generally unsatisfactory medium of intel-In the House, the Special örder of the day, the appropriation bill, was taken up this morning in Committee of the Whole, Mr. Hoge in the chair.

ligence. We are st present much exercised here in the federal city, as to our political rights and priviles Portage we could not do better than let well alone, bott there is a general feeling of discontent, le-course we are debarred from many of the mestion-portant incidents of citizenship. We in thabiting somplain that they make no figure at all in public receipt in the cances returns, and even there, no person figures abore a unit, the lower point in the scale of numeration. This complaint, hower Scleet Gommittee, of a bill to form a new county Scleet Gommittee, of a bill to form a new county to the West, save : MOTHER. rish of a PITTEBURGH, February 2, 1850.

Firtherdell, Ferrury 2, 100. For the Pittsburgh Gazzta. Ma. Entron-I notice an article in paper your of Friday, in relation to the Mercantile Library and Mechanic's Institute, under the signature of 's member, in which discussion is suggested as a means to create an interest in behalf of the Institate, both with its members and the publi . So itar, both with its members and the publi . So is as my experience goes, the plan proped is impolitic, and ought to be avoided. Such I learn has been the conviction of the genilement, who, from
