The long communication of "Old Zae," is insending and interest and the service of the service of

Commissioners, shall be expended within the tories from Mexico, for wains and man and an uncertainty of country of Coshocton.

Measures were also taken to increase the individual subscriptions to the stock of the Company, in that county, and delegates appointed to the Companion to be held in Steubenville, on the sixth of March next. We do not fully understand that, first condition on which Coshocton ing the second day, the orator said—)

ted power. That is impossible. It is a subsisting, learnal existing power; and where does it exist? If existed, I presume no one will controver, in Mexico priot to the cession of these territores. Mexico could have abolished slavery or introduced alwayer claser in California or New Mexico. That must be conceded,. Who will controver the position? Well, Mexico has purted from the territory and from the soverigaily over the territory; and to whom dis abs iransier it? She transferred the territory and the soverigaily over the territory to the Government of the United States. The Government of the United States. The Government of the United States, then, captures in syverignity and in territory over California and New Mexico, all, eliber in soverignity or territory, that Mexico held in California or New Mexico, by the cession of those territories. Sir, dispute that who can. The power exists or it does not use one will contend for its annihilation. It existed in Mexico. No one, I think, can deny that Mexico alientate the loverignity over the territory, and her alience is the Government of the United States. The Government of the United States can do in reference to them—within admit, certain limits of the constitution—what were flexico could have done. There are prohibitions upon the power of Congress within the constitution, which prohibitions, Jadmit, certain limits of the constitution.

Service of the control of the contro

in that county, and de'egates appointed to the Convention to be held in Stenbenyille, on the sixth of March next. We do not fully understand the first condition on which Coshoctan county makes her subscription. Does it mean that there shall be stock enough subscribed to grade and bridge the Pittaburgh and Stenbenyille. Bailtond to Stenbenyille, or to the city of Pittaburgh and Stenbenyille. Bailtond to Stenbenyille, or to the city of Pittaburgh and Stenbenyille. Bailtond to Stenbenyille, or to the city of Pittaburgh and Stenbenyille. We have brought only no have come here under the expectation that there are under the expectation that the numble individual who now addresses burgh. Will the editor of the Coshocton Republican answer.

This dreadful affair is creating a great deal of exchement at New York, as it justly should do. A stigld examination is being held under a Coroners. Tary, and every effort will be made to ascertain the true cause of the explosion. We extract the following from the New York papers.

Yesterday morning Mr. Mackellar, of the Chief's Office, was on the ground of the explosion as early as light would permit, with large gangs of men, which would permit, with large gangs of men, which were kept steadily at work through the day, frosh men taking the place of those who became fatywed. The melancholy result of the day's laboured to their iriends.

The result turn far is briefly—rescued from the runs alive (excepting Tisdate) 39 or 40. Taken from the runs advected to their iriends.

The result turn far is briefly—rescued from the runs alive (excepting Tisdate) 39 or 40. Taken from the runs advected to their iriends.

The sepacarace of the rains was swifel. A lave was found immediately previous to the results of the cannot be said. He sect took up the 6th are found to the cannot of the cannot

That is to be a came for amenoing in conven-tion—in other words, came for considering whether this Union ought to be dissolved or not. It is possible to contemplate a greater axisent of wildness and extravagance to which men can be carried by the indulgence of their passions? Why, sir, there has been no time in my public hif—in which statement I concurry with what was said the sir, there has been no time in my pussion moments which astament I docent with what was said the other day by the honorable senator from Alabams. [Kno]—there has been no time of my public life that I was not willing, for one, to copertas in any steps for the abolition of the slave trade in the Diatrict of Columbia. I was willing to do so while the other portion of the District south of the Potomac remained stateched; and there is still less ground for objection now that larger portion of the District has been retroeceded to Virginia, and when the molive or

mittee of the Benament of the power of this board, and have used the power of this board, and have used the power of the committee. The hill from the Committee proposes an appropriation of about \$1,200,000 for the control taking the censur, and \$211,000 for printing the returns. The points of difference and debate in the Senate are, whether the forms and debate in the Senate are, whether the forms and the Senate are, whether the forms and county of Philadelphis, 2 Chester and Delaware, Montgomery,

That is briefly—rescued from the runs alive (excepting Hisdae) 39 or 40. Taken from the remiss dead, (including Tisdael) 39 or 40. Taken from the remiss dead, (including Tisdael) 53: total accounted for—40. \*\*Generating to the ward in the winkes and referinge of both; gad yet, sit, in there times when a wark, it is with a property in the new Terriories, in which he takes the ground, that it has power to introduce or exclude it. His concluding remark, on this head, are as follow—Now. It is a property of the appropriation of some new and terrible and the appropriation of some new and terrible and the appropriation of some new and terrible and the wards, it is with the appropriation of some new and terrible and the winkes and the support of the appropriation of the appropriation of the appropriation of the appropriation of some new and terrible units and the appropriation of some new and terrible and the winkes and the winkes and the winkes and the winkes and the proportion of the appropriation of the app

Correspondence of the Pinsburgh Gazette.
NEW YORK, Feb. 7, 1850.
The news from California has not caused the Already three days of this session have been consumed in the celebration of these constructive for
nerals. Now, as the daily expenses, of Congress
are at least five thousand dollars, it appears that
thousand dollars have been musppiled for
the sake of compliments to the surriving relatives
of gentlemen who were not, in truth, in the public
service at the time of their decease.

In the Houss we have had several matters of
interest. The purchase of the manuscript of
Washington's Farewell Address has been carder
when the survey of the service at the time of their decease.

Washington's Farewell Address has been carder
when the survey of the administration. The course taken by Mr.
The news from California has not caused the
usual buoyancy, though the advices are as golden
as the most excited could hope for. The actual
mount of gold brought by the ship is full two and
a quarter millions, of which mer than half is in
the hands of passengers, in small amounts, that is
from one to twenty thousand dollars. Private
from one to twenty thousand dolla
