To the afficted, this may certify that Mrs. B. Rob-ers, of this "liker, three or form weeks affict confino-ment, was attacked with a violent cough and great perturion, and secmed hasching to the great with farfal rapidity. I advised her to are Winfar's Balasen of Wild Chery-aho did so, and with this is any st

Physician and Dragfri. Bead on and be convinced still further of hor remar-Rable virtues of Wister Blasam of Wild Cherry: Mearrs: Standford & Park: Gents, As a matter of jus-tice to you, and for the beach of the public, I would offer the following statement of a cure effected by your medicine, known as Wister Dalsam of erly state. Act in the opring of 1817 my Plearing, which resulted in a wine fortplatement in the discount of the statement of a statement of the statement of a statement of a statement of the statement of a statement of a statement of the statement of a statement of a statement of the statement of a statement of a statement of the statement of a statement of a statement of the statement of a statement of a statement of the statement of a statement of a statement of the statement of a statement of a statement of the statement of a st

numerical of 19 yours aims it according to direct before it was all gono--the cough stopped, be in her side if her, and with the aid of nuch a die was restored to **FREFER** ILLIT. In con-zion of these circansiance, I would recommen-the public as a valuable modicine. Autor respectivily. R. N. GABRATT.

GRAND RAFINS, AIRCLA, UCL O, 1540. Read the following Testimonials. Of all the cares that have been recorded, there at articulary none equal to the one first mentioned, which

ainly shows the curability of Con

plainty hows the curability of Consumption, even in some of its worst format: Cown Pointy, Lake co., It., Jane 15, 1849. J. D. Park: Dear Sir, As 1 have a deep commission-tion for the affilted, permittime to give you a krich history of my Witching and the betwith Criterion of the strength of the strength of the strength in July, 1941, I was attached with a fore of the try-phod character, which left us in a very deblutared state, when in the following winter I was taken with a severe cold, which reduced ne to such an exitent as to give me the appearance of a confined output agent is a strength of the severe cough experiment of the strength is a foreigned to the severe cough experiment is a lead foreigned the couple of the severe is a severe could write it was a strength and there. My findud service of my iffe, and my physicians thooght i could service the short time. My extremites, especially my first, were constantly could, and at most ion there feeling. (Under these ci-

hyricians thought i could survive but short time. My extremines, especially my foct, were containly cold, and simost lost there feeling. Under these dire constances it may truly be and that if was a jiving skeleton. I finally discrimined by Dr. Withe's Haldaan or withed hyr and from the first were that i com-mented taking it. I can due a gradual recovery. I continued tue as its month the links met that i com-and cheering you can be first were that i com-and cheering you can be first were a single if was cared, and have colored good health ever since-aid cheering you can be intropy, and would may to these commentate not deta to the single work may to these commentate not deta to the time there with the single since and they be deabt but hime cases what of any will be blessed with remewer, health are to be blessed with yours.
