**TO THE PUBLIC.**

ABOUT four years since, I was traveling through the State of Ohio, while spending a few days in Athens, I discovered a singular Metallic substance, which, I subsequently learned that it had been known for and subsequently learned that it had been known for years, and supposed to be of no use or value, but from years, and supposed to be of no use or value, but from its singular texture and singular appearance, I its singular texture and singular appearance, I was led to believe it might be made useful, but for was led to believe it might be made useful, but for what purpose I had not at least an idea. I commenced what purpose I had not at least an idea. I commenced what purpose I had not at least an idea. I commenced
