PRIDAY MORNING, FEB. 22, 1850. H. Advertures are earnestly requested to hand in heir favors before 5 P. M., and as early in the dayas Practicable. Advertisement not inserted for a specified time will invariably be charged until ordered out

4. The certifiers lay themselves open to the two charges of an uninformed, and, therefore, unbest coming interference, and an improper disregard of the views and rights of the medical profusation. Under this head the writer is very severe. e can only take an extract. Speaking of

we can only take an extract. Speaking of the medical profession, the Doctor ears.—

The medical profession, the Doctor ears.—

Docaybe ask too much when she demands that the members of that profession [the clerical] acknowledge-and respect the rights? She, the very best authority in the matter, has declared, and on the highest gayed considerations, that the whole system of patient heddicals—forcet nosatrum—is "toomaistent with beneficence," equally "default in the properties of or naughts" is her demand too exacting when he was immediately "hundled out" reaching the toomaistent with beneficence," equally "default in the properties of the profession of

The side A phile on. Which the same required training and the private dirty philos medical except the private of the control of the private of the private of the control of the private o

The proceedings are reported in the Mansfell

Honkerest of the Hunker General Committee, had been several days published in the papers. Itigg posters had been stuck up throughout the city, one seeching the faithful to be on hand. The public sentiment for the occasion had been carefully proper opared and embodied in a series of resolutions, buting over with patriotism and side. It had all been arranged who should figure as officers, and that Chao Cooner, James T. Brady, Daniel E. Sickles, Robert H. Morris, Edward Strahae, John McKeon, and Francis B. Gutting, should do the McKeon, and Francis B. Gutting, should of the committee from anothers, who didn't sign dot this careful for a "decided demonstration." But also for the committee from and their symbol didn't sign date the carl for those who did, and taking possession of the committee from and the large Hell, had every thing their own way. Capt. Rynders opened the bail by nominating Mr. Purdy for the Chair, which he took amid a temperat of yells, hisses and groans. Mr. Sickles made his way to the stand, and nominated Chas. O'Conor for Chairman, when he was immediately "hustided out," resolutions and chins, will be distributed along the valing the bottom of the stairs in a somewhat dame, when he was immediately "hustided out," resolutions aged state, and begging for dear life. Severalout of the Woods. A hundred to along the valing the proceedings, were rudely ejected from the stairs of a brill fail and confusion that it was impossible.

The chairman read a series of resolutions and the increase of the stairs of a brill the way to the stairs. The merchandise they bring from large and the stairs in a somewhat dame, when he was immediately "hustided out," resolutions and the proceedings, were rudely ejected from the stair and the proceedings, were rudely ejected from the stair and the proceedings, were rudely ejected from the stair and the proceedings, were rudely ejected from the stair of a brill the continuation."

Messrs Greely & McElrath have our thanks for

Beyolution, torn and rent assunder, merely because a small proportion of the American people desire to extend over Territories now free, that fool blot upon our National honor—Stavery. Forbid it Heaven.

Haurs St. Extraction.—The subscription is bealt of the sufferers by this unfortunate socident after the Staffers subscription in the Staffers by this unfortunate socident at Mew York, amounts to \$16,627.

a number of their very excellent Whig Almanac for 1850. We are also indebted to Mr. Lockwood for Poor Richard's Almanac for 1850, as written by Benjamin Franklin, for the years of 1733 '34 and '35, and which contains a life of that disa tingulabed man, with most of his protound max.

doubt his fitness for the situation, or for one much more important, and who is not pleased to find it meraping the reward of his important lators in the Whig came, and of his many sterling virtues as a man and a citizen. He will leave us with the hearttelt wishes of this great community, for his success and health abroad, and his safe rest turns, to spend the evening of his days among his neighbors and townsmen.

Three of our rolling mills are now in successful operation, with hands from the cast, and as others are arriving almost daily, and more are expected, we may look for all our mills to be going on as usual, night and day, in a few weeks. The Asserter graph—

"At Gineianati, as we learn by intelligence this morning, some of the Mills started at the terms reponded by the cowner, but having made no proving the new of posterior protections of petited to proving the mills and oursed the workers. No better without cast and ourse are opposed by the cowner, but having made no proving the new of posterior protecting made no proving the being made on proving the being made no proving the being made on proving the being made no proving the p THE WESTERS RAILROAD.—A few days ago, a large size of the street of the Ohio and the Community. No one who knowshim can but good to the "unterrified Democracy." The great fire was first discovered ty.

MR. FORWARD'S CONFIRMATION, as Charge d'Afficie deep and portentous character, and bode any thing the street of the Ohio and but is community. No one who knowshim can but good to the "unterrified Democracy." The great fire was first discovered more important, and who is not pleased to find Bill; and I perceive the bill reported by the major-indication, or for one much more important, and who is not pleased to find Bill; and I perceive the bill reported by the major-indication, or for one much more important, and who is not pleased to find Bill; and I perceive the bill reported by the major-indication, or for one much more important, and who is not pleased to find Bill; and I perceive the bill reported by the major-indication, or for one much more important, and who is not pleased to find Bill; and I perceive the bill reported by the major-indication.
