.i. . 🔨

panion. The Journal with which he has been so long connected, has men with an almost irreparable loss in his death, and the editorial corps is shorn of one of its most active, useful, and shining comments.

Capt. Charles Petrenell, of Cleveland, committed suicide by cutting his throat with a ranor, on Friday last. The deceased was commander of a company in the Mexican War, and distinguished himself by his bravery. — He had just returned from parade, in honor of the birth day of Washington, when he committed the fatal deed in his bed chamber.

Twenty Second of February at Philadelphia.

Mr. Seddon, said that for hall a century in South. [Mr. S.,] rusted the government. This had, [Mr. S.,] rusted the part of the cancel force her views of this matter on the government. She has found dough faces enough a lawrent, ha (Mr. S.) trusted none would be found there daring to be trailors to the North. The generation of the president not to forsake the South. How much more effective would that gentleman's eloquence when the sentiments of anti alsvery? Ho would then have imments of anti alsvery.

bund with the noblesi love of constry. The half from was pleadily decorred for the occasion, Sulfy great picture of George Washington, on horseback, was suspended between Naglet's apport he letter of the construction of the support of the construction of the substitution of the substit

ed a second and final reading. The object of this the horse sleep bill is to make these certificates all of the same and the recouck on the dewy monatain's top. I myself can sleep all night long, burbeaded, under the full monitor debicdness, and to provide for the gradual extinguishment of the city of the debt of Pittaburgh, and for the improvement of the atrects, lanes, and if it was also taken up and faulty passed. I enclose you a copy of this bill as it passed final reading.

An ACT to limit the sixthesis and the control of the state of the city of the control of the city of the sixthesis of the city of the control of the city of the control of the city of

accourage her in this braggadocis; but when, so now, the civilized world rises to denounce a company in the Mexican War, and distinguish, Kentucky, and Louisana, besought of Minself by his brayer. He hadjust returned from parade, in henor of the birth day of Weshington, when he committed the fatal deed in his bed chamber.

The birth day of Weshington. Was celebrated in Philadelphia by a most splendid ball, given by the Whig Young Men, who are ever found imbued with the noble if two of words with the noble if two of words with the noble if two of corner. The ball room was splendidly decorated for the cocasion \$\mathcal{Sullys}\$ great picture of Goorge Weshington, can heresback, was suspended between the Republic.

The pixture was really in Barsum's High more found in the interest and a for the improvement of the attents, lance, and alleys, of said city, of Entaburgh, and for the improvement of the attents, lance, and alleys, of said city.

San. Be it mixtude by the Senets and House of Pennyal and the attents lance, and alleys, of said city.

San. Be it mixtude by the Senets and House of Pennyal was the bad stolen form branch by the form of the birth day of Weshington and the safe in this braggadocis; but when the committed the fatal deed in his bed charmed the fatal deed in his bed charmed to form the committed with the orbite, the condition and the safe in the passage of this act, to meet and adopt such meets and the safe in the dotter of the common connection of the birth day of Weshington. Was colorated for the cocasion of the safe in the safe in the passage of this act, to meet and adopt such meets and the safe in the s

passed final reading.

AN ACT to limit the indebtedness and provide for the gradual extinguishment of the debt of the city of Pittaburgh, and for the improvement of the atrects, lanes, and alleys, of said city.

A thief was caught in Baraum's Hotel, (Baltimore) on Wednesday night, who, when arrested, the provided the atrects, lanes, and alleys, of said city.

A thief was caught in Baraum's Hotel, (Baltimore) on Wednesday night, who, when arrested, and on which we had stolar from the form the said swered costs, which he had stolar from different boarders rooms. When detected, he look-from the said of the said stolar form the said swered costs, which he had stolar from different boarders rooms. A thief was caught in Baraum's Hotel, (Balti-

sent to jail.

Major Nosh says: "Some men seem to think that editing and publishing a newspaper come by nature; whereas they constitute a business, in which more industry and watchfolooss are more necessary than any other occupation or calling known among men."

The people of Boston are moving in favor of a home for aged females. The people of New Eng-land are as enterprising in their benevoleace as in their ordinary business.

home for aged temment. Into people of New Legland are as enterprising in their benevolence as in
their ordinary business.

The cost of the great suspension bridge over the
Daieper, at Kleff, in Russis, iccently completed,
was two millions of dollate. The model, and
three thousand tons of iron used in the bridge,
were furnished them from England. It was two
dears to complete the model and stand, of which
the bridge is thrown it balf an English mile.

The friendship of some People is like our shadow, keeping glose while we walk in the sunshme,
but descring us the moment we enter the
shade.

The interest of the British National debt is over
\$234,000,000 sterling.
