| The content of the

intention of its enemies that the Administration shall not come before the people with the facts ne cessary to explain and windicate its course? Mr. Calhoun had been in posse ing his speech, of the documents communicated to Congress in answer to the calls of the two

Houses on the President in relation to California

he might have thought it but an act of justice to the President to modify some of his views an expressions. Mr. Calhous says:—

"I have not seen the answer of the Executive to the calls made by the two Houses of Congress for information as to the course which it took, or the part which it acted, in reference to what was done in California. I understand the canvers have not get been printed. But there is enough known to justify the assertion, that those who profess to represent and act under the authority of the Exceptive known and act under the authority of the Exceptive known and act under the authority of the Exceptive known and act under the authority of the Exceptive known and act under the authority of the Exception and a Canstitution and a State."

Now, we ask the American people what kind of justice towards the President and the Adminis-Mr. Clemens, in the Senate, and Mr. Venable, i

opposition majorities in the two branches would have deluged the country with these documents tang since, if they had been calculated to reflect upon the conduct of President Taylor; but since they only show that the old man has acted wisetion majorities in the two branently, and patriotically, the docume ed Even a Senator of the Uni assau the Administration understandingly. is shabby and shameful.—Republic. RANK DEFAULTER. -- Mr. Bulloch, the abaco

ing Cashier of one of the Savannah Banks, took about one hundred thousand dollars of the bills of timate friend of Mr. Bulloch's has been arrested and committed on carrier of naving sided in his escape. It is understood that he sailed from Savannab on the 25th ult., in a British schooner, the Abel, Capt. Hicks, bound to Rotterdam, touching at Truro, in Oornwall, England. He is the only Cart. B. F. Bourne.-The New Bodford Mer

oury says that a letter received in that city from Capt. B. F. Bourne, late of the schooner John Allyne, dated at Callao, Jan. 8th, confirms the ac-Allyne, dated at Canao, san Man, and the count heretofore published of his escape from the Patagonia natives, at the Straits of Magellan, and mentions his safe arrival at Callao, in the schooner Hopewell, Capt. Morton, of Boston, to sail in

THE BURNET HOUSE, CINCIPALL-The Gazett March 5th, has a fine cut of th hoad of any establishment of the kind either is the new or old world. We have already given a description of the interior, as well as exterior, ar. ingoment of the House. It will, says the Gazette be opened between the middle of April and the first of May.

One of the tiems of Expense newspaper, the N. V. Tribune paid, during 1649, amounting to \$29,000, for telegraphing news, alone, besides the news from the East, West, and Bouth. The whole sum \$50,000.

time.

Mr. Calhoun. Does the Senator think the South
can remain in the Union upon terms of equality
with a specific guaranty that ahe shall enjoy her
rights numbested?

Mr. Foote. I think she may, without any previous amendment of the constitution. There we

vious amendment of the constitution. Anero we disagree.

Mr. Galboun. Yes, there we disagree entirely; and there, I think, he disagrees with our ancestors. I spree with them. They thought liberty required guaranties, they thought that it required protection; and so believe I. Mr. President, i will not dwell upon this topic, which has been brought up in this irregular manner.

The World's Fair in London. The following letter is in answer to one written by C. Y. Haynes, Esq., of Philadelphia, to Prince

Albert:

Palacs of Westmaneres, February 4th, 1850.

Siz—I beg leave to acquaint you that her Majesty's government is in correspondence with the government of the United States, and that the Commissioners those to be put in communication with some central authority in the U.S. through which they will be able to communicate information on all points connected with the exhibiion.
In the mean time you will perceive from enclosed statement the present position of arrang ments. I remain, sir, your obedient servant, STAFFORD H. NORTHOOTE, Secretary.

Columnia, Pa., March 5. -First Boat of the Season The canal boat James Bingham, with sixty thou and pounds of merchandize,

Police Gazette states that the petition of Edwin Forrest, for divorce from his wife, has already re-House, on Tuesday last. The New York Home Journal, noticing this ap

plication says:

"In the large circle of most respectable families in which we meet Mrs. Forrest, there is not, at the present moment, the slightest invalidation of her claim to respect as a woman of period parity and propriety. It would seem to her friends, indeed, that there were no need of saying what in the propriets in the indeed, that there were could be so easily known by inquiry, but could be so easily known by inquiry, but quard those at a disasten from drawing iy, such conclusions as are ordinarily; by an application for divorce."

THE PACIFIC RAILEOAD. -The subscriptions in St. Louis to this road, as far as can be ascertain

so obviously to be traced to the utter inability of the Southern States to defend themselves through Congress, upon this or any other subject upon which the northern States choose to act? Gould that be overlooked! It is the great and manifest cause. If we had the same power now that we had tornerly, we could defend ourselves here; but that power is gone. And it is the sense of week, here that is the South feels—ti is the conviction that they cannot defend themselves here that is the cause of the deep excitement which prevails in that section of the Union. Could I overlook that? And what was my summing up? It was that, unless this question is finally and forever settled now, it is not probable that it will be settled at any future time, and that it nover can be satisfactorily settled, unless the cause which has led to that disagnited the removed. It said outhing about size quasion; It did not allude to any size quas non-timat is an inference of the Sensire from Missinguist be removed. It said outhing about size quasion; I did not allude to any size quas non-timat is an inference of the Sensire from Missinguist by removed. estate."

The Judiciary Committees are engaged in the Parent divorce case. A investigation of the Forrest divorce case. Mr. Forrest himself is here with a bost of attorneys. nover seen more adroit and attiful manouvering n all the course of my Legislative experience—
A dozen of his borer, some of the most prominent men of Philadelphia, who have all received large fees, of course, may be seen gliding to and fro upon the floor of the Senate at once; and if money can accomplish his object, I have no doubt he will succeed. It would not be extravagent to say that twenty thousand dollars had already been ne win succeed. It would not be extravagain to say that twenty thousand dollars had already been expended by him.! [His wife, this morning, preexpended by mind trins wind, this moreing, sented through her counsel, an indignant den all the criminal pratices imputed to her. Mr. Cooper and Protection to Iron.

Military officers and soldiers are amenable to a special correspondent notices the remarks of a pudicial tribunal if they refuse to obey the orders of the Sheriff, when so called out by him. The Sheriff may require all whom he carrols in the state of the Sheriff may require all whom he carrols in the state of the st

of the Sheriff, when so cuited out by min. The Sheriff may require all whom he carrots in his pass comitative to be armed and equipped, if, in the spinton, the case demands it for the suppression of an outrage upon the peace of society.

"Rioters are miled and bent on mischief are "Rioters are armelled and bent on mischief are are gainst the government under which they live and are, in a legal point of view, little better than pirates."

Judgo Jones, in a charge to the Grand Jury of Philadelphis County and City, on July 1st, 1844, held the law thus: "If the rioters are armed, or too numerous to be overawed by the moral force of mere numbers, he must command every man he unmone to bring his arms; and whether commander or not, every man summoned on the Sheriff's posse has the right to come armed."

"When the power of the jounty is convered, the legal means which the law requires."

English history furnishes us with instances of the High Sheriff, at the head of the armed array; the country, fighting regular battles with robets, and even with invadors, exercising in fact the functions of a general, without a military commission. Thus doth the law utter the power and design in fact the functions of a general, without a military commission. Thus doth the law utter the power and design in fact the functions of a general, without a military commission. Thus doth the law utter the power and design in fact the functions of a general, without a military commission. Thus doth the law utter the power and design in fact the functions of a general, without a military commission. Thus doth the law utter the power and design in fact the functions of a general, without a military commission. Thus doth the law utter the power and design in fact the functions of a general, without a military commission. Thus doth the law utter the power and design in fact the functions of a general, without a military commission. Thus doth the law utter the power and design in fact the functions of a general, without a military commission. Thus do

The Sheriff is the judge of the emergency notice of the threateed danger is sufficient to put the mischief, and must choose among his legal modes of provention, that which, in Ass opinion, will be ufficiently effectual. In the late threatened and actual riots, the Sheriff called out the military and stationed them at threatened points—the very points attacked when the voltages are constant of, and without the conference of Lay most distinguished HENRY L. RULWER.

Hon. I. M. CLAYTOR, &c., &c., &c., &c., &c.

Now, sir, in order that I may say nothing but what I design to say, I will use very full notes in relation to that part of my remarks which refer to the confect and course parsued by the British did that I will repeat what I have already stated
