reply to Philandros will appear to ime, however, that by this till lie are onite tired of the long, weariscme, and t ments of this learned solon, who he act himself up as a great expon

Monning Express. This is the title of a new moraing paper, which is under the editorial are pervision of Mr. Harper Mitchell, aided by Mr. Youngson as local editor. The paper presents a appearance, and gives promise of being

dited with spirit and ability. The Union Safe.

It is a matter of sincere gratification to ever iren, that the excited elements at Wash ling dows, and that patriotism and ason are taking the place of passion and sec dice. We never had the least fear of a dis

ion of the Union. We look upon the schem as the chimera of an excited imagin ith a wrong head and a bad heart. It is a phys e. But we have feared that an effort t at would be made, and that some blood might be spilt in the mad attemp and we dreaded the consequences which would result, in an embittered and alienated sectional ent is wearing out. The tres stale, and the traitors will go into oblivion. nger, however, in this state of afirs, that the North, in the exhuberance of good nor at the defeat of the dist. will make toe great concessions. The peo of the free States are disposed, for the sake of to make almost any sacrifice short of ent that any We have our Northern members will e at the North. In conciliating the South not awakened to undo a work of so much labor Indians encamped, and one with a gun rinn The probabilities now are, that the proposition in wards him, but looking towards the horse of Mr. Bell will be adopted, and urged by the South, and be agreed to by a portion of the Dan- without knowing whether he had killed him of South, and be agreed to by a portion of the Dem cratic party of the North. It will not, howeve ion, satisfy the great majority of the ts, the very best propolent, which is, in all respe tion which has been made during the sea We hope the Whig party in Congress will rally appears to have been the master spirit, orders around their venerated Ghief Magistrate, who als the mon act to tell, as the Indians returned to though a southern man and a slaveholder, has the renampment. eed a plan which the North can agree to. and which the South ought to accept. It does no justice to either, and treats the n indices of bot ion, that Congre peedy settlement of the que

may turn its attention to nuch needed legislation.

Mn. Calkova.-The Richmond Whig, in no any women kil tiong the speech of Mr. Calhous, which it coa-demns in strong terms, says: "Bat we thank heaven! the Union cannot be dissolved by Mr. Calhonn or his sgents or admir

reaction of the second and the second of the second and the second no who dreams of diamion becomes, instantly... odious to the American people as Barror Araol they take care to disclaim all such intention, whi their every act is disclaim all such intention, whi their every act is disclaim all such intention. Both the worthers to whom free have a linded, it is worth or remark, dischained the states of tritors. An oddanmest or remark, asculate to hand of the set of th I an effort to exonerate his

of killing a bear. THE PERCEPLUANIA BLOCK FOR THE WASHING ving resolutions, rela- palliates, in some degree, the strocity of the out-

For the Pitteburgh Gazotte. Yellow Creek Murder and Logan' Speech. non plain matter of fact people of the ers near Yellow Creek is charged up , whether slave owners or not. , has given to that occurrence (our history beyond that of any oth aracter. The writer of this articl And then Goy, Brown of Florida, comes in with se two nice little men, Cabell and Yulee, (the me carly satisfied that great inj lebrew.) Senator Morton, who wears a wig a ve man and a patriot, in that adm normous and so awry that it obtains a well as intellectual vision that of Gov. Brown's complime: tion, whether it was really the work of ecause he was found in bad company. Cabe

Morton, (more's the pity) and the Hebrew, poked a card at the Governor, leading, as they thought, t of a "full hand," in which they men so years ago that there was living in Ohio, a fe le Convention." That was quite enough. es below Yellow Creek, a certain Mic "I thank thee, Jow, for teaching me that word, aid the Governor, and "on that hint be spake. He says, Florida is in the Union and for the Union fivers, the very man who shed the first bloc hich led to the killing of the Indiana

iggers, or slave territory.

So, after all, there is some prospect

He then determined to embrace some early o ortunity to obtain Myers' states liso, who, your residers will remember, pro although his informant, Mr. Sloan, a respectable and intelligent guntleman, and neighbor of Myers, had often heard his story and repeated it to the On the 21st of February last, the writer called

n Mr. Myers. in company with his neighbor, Mi He found him a stout, vigoro memory seemed good, except in the rec of names, many of which he had forgotter

did not remember the names of C or Sappington, or Connelly, or Lord Dunmore, a though he had descended the river as far as Grav ock, when that nobleman led

the Scioto, in 1774. The writer, after stating the object of his visit asked Myers how old he was. He replied one hundred and two years. His wife, who is an sotive woman, interposed and said his age was ninety soven, and Mr. Sjoan remarked that from data furnished him many years ago, by Mr. Myers, he had supposed that he must be about the age his wife made him. This conclusion is rather corrobated by a subsequent remark of Myers, that h was a man grown, when the affair at Yello

Week happened. His account of that affair was as follows: In the month of May, 1774, he went at ionists, will go too Ohio, near Yellow Crock, in company with ty other men to look at the country. They went t other men to look at the country. They went the creek two or three miles to's spring, at a pl now known as the Hollow Rock, where they c cluded to encamp that night. Having span their horse, they turned him loose around the poin of the hill where there was good grazing, and be gan kindling a fire. Soon after they heard the horse's bell tinkling as though he was meaving their way; and lastly, the great D ken, but who has done any thing? rapidily. Myers, then, suspected that a wolf has scarced the horse, and taking up his rife be ra-round the point of the hill until he saw the bers standing still and an Indian stooping down b him, trying to loosen the spancels of the hill until he discovered a l

not, he (Myers) wheeled about and ran t he spring, and camp, when he fou tes. It is not as and and pra-er man had occome alarmed and left befare him recommended by the Press-Next morning, several Indiana came orer going on here since the organ House. To morrow it is expected by Indians, the evening before; but Great House, wi their encampment. That afternoon or the next...

non full of Indians was disco war, the white men immediately seized the would be likely to land, and lying c til it came quite close, fired and killed overy po on in the cance but one. Here the writer inquired wi

Answer. " I cannot tell, they w Such is Myers' narrative, and I have thought

vorth preservation: of its irath every one o adge for himself. Mr. Sloan has known My or about twenty years, and has heard his ats ed, been nominated Charge to Austri or about twenty years, and has been a mini-ment, again and again, without variation, and his version of Myers' narrative agrees precisely with isid before the Senate at an early day. It is intended to make changes in the diplohat of Myers himself to the writer. Myers is well known as a w r. His story was told without the least shado

rimins ity. He spoke of killing the Indians with quite such indifference, as an experienced hunter wor ke motives which we beh This narrative, if to be relied upon,
