THE PITTSBURGH GAZETTE PUBLISHED BY WHITE & CO PITTSBURGH.

PAILADELPHIA BORTH ANGRICAS.

any information in relation to rail road communi-estion, deeply interesting to us. Mr. White is faily informed upon the subject on which he inade to speak, and we have no doubt will imper mach important and useful information, and sho point out the advantages which are likely to accurate to the whole West, from our contemplat-ed rail road improvement. We hope there will be a full attendance to hear him.

editor of the Cieveland True Democrat, were or the Ill fated steamer, St. Jehn, which was lately

the Constitution conflicts with the laws of a high power, let him resign his seat, denounce the Con-

Mr. Buchanan and Slavery. sage occurs:

"I think it was Jederson who said that the netural ally of slavery in the South was the Demo-

andertook the defence of his friend, Mr. Buchanan, and called upon Mr. Hale to give his authority for his averment, that Mr. Buchanan had said they the natural sily of Slavery in the South was the Democracy of the North. Mr. Hale said he had not the downers her.

dangarous character. In the Southern States which compose the weaker portion of the Union, a spacies of property exists whice is now attracting the attention of the whole civilized world. These States never would have become parties to the Union, had not their rights in this property been secured by the Vederal chastitution. Foreign and domestic fanatics, some from the belief that they are doing God's service, and others from a desire to divide and destroy this glorious republic, have conspired the emanciate the Southest scheme. desire to divide and destroy this glorious republic, have conspired to emancipate the Southern slaves. On this question, the people of the South beyond the limits of their own States, stand atone and unsupported by any power on earth, except that of the Northern Democracy."

Recurring to the line of the Bellicontaine road, which is not the Bellicontaine road, when the supported by any power on earth, except that of

1842. We think, however, Mr. Davis is mistake a saying that Mr. Buchanan said nothing mor On a previous occasion, we think it was, h the following language, at least it is attributed him, and has not been denied, to our knowledge: "All Christendom is lesgued against the South upon this question of Slavery. They have no color allies to sustain their constitutional rights except the Democracy of the North.

"In my own State, lwe inscribe upon our party beaness bostility to shottion. It is there one of the cardinal principles of the Democratic party and many a bard battle have we fought to sustain this principle."

ts—You allude, in your paper : yesterday, to a want that is folt and acknowledged by all business men of our city—the want of bank-ing capital adequate to the demind of the large and increasing business of Pittuburgh.

My object is aimply to ask, if the friends of free

My object is simply to ask, if the friends of free banking are satisfied with the afforts that have been made to precure the presset of a suitable law at the present session of our Legislature. All parties here soon to favor the passage of such a law, as the best way to stign the object so much desired, expecially by Demperats, as perfect safety to note holders, and an abolishment of the present managed. Cannet something more be

A correspondent asks us to republish this noted paths of our friend Col. McCandless, and as it es up but nittle space, we comply, and it may

Genileman? Your cords invisition of the 30th oltimo, to be present with you at your mass meeting, on the thread of September, came to hand during my absence in the Northwestern counties of Pennsylvania.

I essurely that I never wrote an apology for I essurely that the service of the service

terests of Fennsylvania.

My engagements, gentlemen, in the Supreme Court, will prevent me from attending your mass meeting. With the brightest propert of Democratic success, 20,000 majority,

I have the honor to be
Truly yours,

Rail Roads West and North West.

running west, I have come to the two prominent extensions from Indiannpolis, one of them running south of west to Terre Haute, in a direct line to St. Louis, the other north west to Lafayette, in a south of west to Terre Hante, in a direct line to a south of west to Terre Hante, in a direct line to a direction to Chicago. These lines are not come petitors with each other, being 90 miles apart at their intersection of the Wabash. The Terre Hante line has the advantage of approaching that it is present adopt of the Mizziszippi trade, the point where travellers and business are both distributed, St. Louis—while the Lafayette line is superior in its approach to the many cities of the north west, and to those fortile seats of enterprize which have already achieved so much, and whither engistration for the next quarter of a century will sat with a powerful current. Latayette in very nance to defeat it.

Mr. Paoker thought some action ought to be and in order to windicate the character of the Sensity in the same parallel of latitude with Pittaburgh and at the head of steam navigation on the Wabash. If at Indianneolis we set on the manufacture into the same parallel of latitude with Pittaburgh and at the head of steam navigation on the Wabash. If at Indianneolis we set on the manufacture of the sensity in the same parallel of latitude with Pittaburgh and at the head of steam navigation on the Wabash. If at Indianneolis we set on the manufacture in the same parallel of latitude with Pittaburgh and at the head of steam navigation on the Wabash. If at Indianneolis we set on the manufacture in the properties of the sensity in the same parallel of latitude with Pittaburgh and at the head of steam navigation on the Wabash. If at Indianneolis we set on the manufacture in the parallel of latitude with Pittaburgh and at the head of steam navigation on the Wabash. If at Indianneolis we set on the manufacture in the parallel of latitude with Pittaburgh and at the head of steam navigation on the Wabash. If at Indianneolis we set on the manufacture in the passage, and before it reached the abend of passage, and before it reached the abend of the mutilitate after distance that a few tasted that a bill of his, which had been op

naure the speedy completion of the whole wor the State line of Ohio. The line from Indianapolis to Terre Han Thies) is nearly one half graded.

Thirty three milesof the 6s between Indianapo is and Lafayetto have been graded.

We have now reached the Wabash in our pro phetic rail road journey west; (it is not all prophe-cy) but, as it is unfashionable to stop short of the Father of Waters," and as my promised finals is running into rather too great a length, I beg leav to cut this number in two and will give you, t

rrow, "enother last call of Baxter. FROM WASHINGTON. Correspondence of the Pittaburgh Gaze

By the President of the United States of America.

A PROCLAMATION.

Whereas a Convention for the extension of Whereas a Convention for the extension of certain stipulations contained in the treaty of commerce and navigation of 27th August, 1629, between the United States of America and his Majesty the Emperor of Austria, was concluded significantly the Emperor of Austria, was concluded contained in the city. On the 8th of May, 1848: which convention, being in the English and Ger-man languages, is word for word, as follows:

Convention for the extension of certain stipulations contained in the treaty of commerce and navigation of 21th August, 1829, between the United States of America and His Majesty the Emperor of Austria.

and production of the work of the country of the co

a man pleading for humanity, untramelled by all compromises. Mr. Webster has marked out the line of duty for the free States, if they would comply with the strict letter of the law; but (low-croor Seward has only echoed the impulses of the North, upon the rights of man to claim the services of his fellows. Lovers of expediency may present much horror at the boldness of our Senator, but it is no use to disguise the fact that he has touched, with a master hand, the pulse of the free votes of the free States without respect to party lines.

Our Board of Supervisors have just made up the valuation of the "village," which amounts to two hundred and fifty-six millions of dollars, a sam larger than the disbursers ments of any State government in the Union for regular expenses, and almost equal to the taxation for all purposes in some of the larger States. Our police, alone, coats half a million annually, and for police, alone, coats half a million annually, and for lamps and gas a quarter of a million.

A new class of merchants have made their appearance this week; those from Ohio and the rest of the wheat growing States, filing the little space before left in the hotels. All the houses to siecp. The dry goods house are all selling enormous bills, and the country will close the spring trade more largely in dobt to New York; city than was ever known.

Money continues abundant in face of the large increase of business, and low rates of instructed only are paid, except in case of houses of small.

Done in the cliptic domestic and on such the larget in the distance of the large increase of business, and low rates of instruction to a such a such as a such a such a such a such a such as a such a such

and fifty by John M. Ciayton, Secretary of State of the United States of America, and Johann George Hulsemann, Charge d'Affaires of his Ma-jesty the Emperor of Austria near the said United States, on the part of their respective Govern-ments ments:

Now, therefore, be it known, that I, ZACHARY
TAYLOR, President of the United States of Ameri TAYLOR, President of the United States of America, have caused the said convention to be made public, to the end that the amen, and overy clause and article thereof, may be observed and falfalled with good faith by the United States and the citie can thereof.

ens thereof.

In witness whereof, I have hereunto set my and, and caused the seal of the United States to hand, and caused the seal of the United States be affixed.

Dene at the city of Washington, this twenty fifth day of February, in the year of our Lordonet housand eight hundred and fifty, and of the independence of the United States the seventy fourth.

Z. TAYLOR.

J. M. CLAYTON, Secretary of State.

Senstor Houston has improved upon Senator Seward's project for giving all foreign refugees a quaster section of land each, by proposing that the gift be extended to all creation, who have not land sliendly, or are not worth \$1800. It will prolable he suggested next, to divide the people's bably he suggested next, to divide the people's cows, furniture, hats, boots, and breeches, share and share alike, smong all mankind. Congress has about as much moral right to portion out our wardrobe as to alternate our land.—Noch.
