CAUTION TO THE PUBLIC.

GAUTION TO THE PUBLIC. I have saccritice due there are individuals engages in digging, grinding, and preparing for sale, the abor-mentioned linear, to be mixed with dia dasod pre-casely as I use my pacened article. I have been they do not income a number of public with they do not income a number of the same of the period of the same a night to dig grind, and sell be infragement and it is mixed with the dis or are and be infragement and it, in mixed with the dis or many the compound; and that there who byr, mix and used the compound; and that there who byr, mix and used the compound; and that there who byr, mix and used formal is hnow what they are to do with it; that it is no infingement nuil it is niced with the oil to make the compound; and that there who bay, mix and suc it; mart take the responsibility. Not of them say this they believe that the patch? Is cooling have and that they believe that the patch? Is cooling have and that what they would do as they about certainly purch-ase of ma, so they did not incend to make the they and expose that have faced track apon the patch? Is all does not have a so they about certainly purch-ase of ma, so they did not incend to make the they have that be any way. Now if foci mayed? In day bound to expose that have faced track apon the patch? Is all have any may is an attrack apon the patch and the invest may may in an attrack apon the patch and the how we relieve any with not stant, and ther is the main they may is any start and the rot a prosecr-tion and fam. Some of those who are engred in this before traffe, will noncertonably control to the having proposition: that they mich select a index family and it was any start, will no stant, and the is follow-ing proposition: that they mich select any patch the soft is wrett who have had none practice in patch it for all farther proceedings in the basinese, but first is wrett way for a start, and make the follow-ing proposition: that they mich select a index family and do did to the patch was for a basin of the is wrett work for a start is a solution them is wretter work on or and sell they could all without string any thing to the patch tabout them without string any thing to the patch tabout them is any of any patch is account in the is an and make an any on any own judgment, it do not do make an invertee, and at event of the most minimum plant invertee, had a vertee of the most minimum is any discovery. ... genda the string is to a family point in we have the string is the approximation to an and it have the string to a string and would prote the string the string the string and would be point and it any discovery.

hail is their opinion it was good, and would protostine in my discovery. I grind the stricle to a fine jower, and put it up in berreis, its which are mericed: "Likawa PATARY FRAN ATD Waarner PADOP ASTATICLE PLATE" The provide grind noise to proper and use the above memioned from me or my sathfried agrent, Data i shall hold them to a strict accountability, and hall commence suits at law against those who thus haftings upon my right. UPTWO TONS of the above Firs and Weather Proof Artificial Blaze on hands and for sale. The arrow and knowled for was and Weather for some 4 rears, and knowled (or we what it is set for in every patients). DE JAYNER ALTERATIVE. DE JAYNER ALTERATIVE.
