

1.1

We append a faw more incidents connected general character of grants of ind 'f with this deeply interesting trial, toguher with some of the commercial resources and project the state of the commercial resources and project from the land. The cold air from the mountains an that which accompanies the great ocean cur-cent from the northwest, thus become united, and can that one of the wimesses who swore that he POPULATION. FordLattin, his Easy on New Spain, states the population of Upper Californis, in 1802, to have consisted of-Converted Indians, 15552 Other classes, 1,200 seen that one of the winnesses who sworte that he saw Dr. Farkman two or three hours after the time he was seen going into Dr. Webstor's rooms, on the 32d, now retracts, and arys it was on the day previous that he saw him. And Mrs. Rhodes, another winness, it appears, also retracts her statements that it was Dr. Parkman that ahe saw. 16,501 Alexander Forbes, in his history of Upper and Lower California, publiabed in London, in 1839. states the number of converted Indians in the for-mer to have bees, in 1831, 18,683 Of all other classes, at 4,312 statements that it was Dr. Parkman that she : These facts will go still further to confirm Lower California, published in Lohors, H. 1985.
