letter having been published in the Journ

far more sense and manliness by yielding to their failure with cheerfulness, than by viciting their n upon the President, his Cabinet, the Gove a it that it will never give them office o

peach bioseoms below our year was a secret our year. All the months the Cabbact, to read the article we copy to day from the National Intelligencer. The deservedry high character of that paper, for candors and truth gives to its declarations a weight of authority which scatters to the winds the innendees of letter writers and telegraphic despatches. The Lood Foons, in and out of Courset, are latering to worknow the Cabbact, or destroy its influence, and they stop at robitors, however base or mean, to accomplish, their object; and we are curry to say they receive "will and counfort" from some disappointed Whig affine veckers, who measure their deservings and shillites by their own extravers and dah" character, they should haten to untto their fortunes with the spotle party, which to untto their fortunes with the spotle party, which is funded for the counts their fortunes with the spotle party, which is funded fortunes with the spotle party, which is funded for the counts of the counts o
