States, the section of the state section is in zero.

grading and masoury, to the interaction of the inportant departments, were from the Northern Coveland Rall Read. The work teween the mouth of fig Beaver and the State line, is in rep-id progress, and the claims for damages which re-tarled the work at the creating of the Beaver riv-ar, have been amicably adjuncted. It is expected the locomotives and cars will be running from Pittaburgh to Beaver and New Brighton in Jely of next year. Arrangements have been made to urge forward the works as rapidly as possible on the whole eighty miles of the Esstern Division, from Pittaburgh to the connection with the Cirve-land Road. The means now provided, for that ine, and to isource the statem Division, from Pittaburgh to the connection with the Cirve-land Road. The means now provided, for that ine, and to leave saurplys of about one hundred and fity thousand dollars, applicable to the sta-ing dired for the grading and bridging to the State alarm and much paper excitement and becauser to the South to take immediate it urge of the grading and bridging to the State indicative actaons and factows actional special is and fity thousand dollars, applicable to the oru-periorizative and equipment. The amount re-guined for the grading and bridging to the State is alarm and much paper excitement the Administration of Precident soft be central organ of Locofoxism, souse real if alarm and much paper excitements and bridging to the State is the Housand dollars, applicable to the oru-periorizative and statem, has been raised by the ciri is the Housan of Representatives. The Nation is the House of Representatives in the source of the bis station progress in this cirity for the construct the of the remaining thirteen miles west of Saleon is the House of Representatives. The Nation is the House of Representatives in

as from Pittsburgh. The amount will ot be large, and the Direc

The President. The Republic, of Wednesday, has a pungen ad able article, reviewing the circumstances proing and subsequent to General Tavlor's eleon to the Presidency, developing the means re rted to by an unscrupilous opposition to break way his administration, and appealing to the

CONTRACTOR ON TRACT TRACT

sorted to by an unscrupilous opposition to break down bis administration, and appealing to the Whig members of Congress to raily and organize, and act in concert, and thus afford the President a united and vigorous support. The Republic in Commecaning its remarks, asys: "MI ever a man came into the Presidency under circomstances which should have entitled him to fair and generous treatment from friend and adver-acy, that man was Gen. Taylor. Him modesly, his moderation, his strict integrity, his purity of life, idence in affection, and the gratitude of his coun-ficated, the affection, and the gratitude of his coun-ficated had rescord the fortunes of great par-y which had selected him as their conditate, and to identified with the excitement or mismosities of utilized atriff. He had no prejudices or partialic

regretted, however, to hear hit, hioreneau say, that on maturer consideration, he had changed his opin-ion, as to the constitutionality of the noti-slavery proviso. He had at one timo believed it to be not unconstitutional, but he was not satisfied to the con-irery. None of his views, however, were extreme means used by the opposition to receptuate the means used by the opposition to reader the Whig victory of no avail, by destroying the influence of the President and his advisors in the North he was charged with being in favor of the slave in-

or incompatible. It has lately come out that the prin ment of the Washington 1 'nich has been commit-ting a mistake almost as remarkable as the Galphin claim. It is that of charging \$12,500 for a piece of

claim. It is that of charging \$12,000 for a piece on work done under the orders of the Senate, which practical printers assert, cost souns \$500 or \$000,---Mr. Hale has called for an investigation of this case, stigmatizing it pretty plainly in his place as a errors imposition. It site. gross imposition. FROM HARRISBURG. Correspondence of the Pittsburgh Gazette. The Montour county bill came up the first thing n order in the Houzs, this morning, and occu sied the entire day. In the course of the discus
