HARNDEN & CO'S

Passenger and Remittance Office.

HARNDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emmigrants We do not allow our passengers to be cheated by the swindling scamps that infest the seaports, as we take charge of them the moment they reach port themselves, and see to their well being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some old rack at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience.

CAUTION—About the ONLY ORIGINAL AND GENUINE VISTAR'S BALSAM OF WILD CHERRY, the great remedy for

CONSUMPTION!

And the best medicine known to man for Asthma of every stage, Liver Complaints, Bronchitis, Influenza, Coughs, Colds, Bleeding of the Lungs, Shortness of Breath, Pains and Weakness in the Side Breast, &c., and all other

DISEASES OF THE

PULMONARY ORGANS.

A very important disease has been cured by this Balsam exists a very powerful influence, in spite of a

DISEASED LIVER.

In this complaint it has undoubtedly proved more effectual than any remedy hitherto employed, and in numerous instances when patients had endured long and severe suffering from the disease, without receiving the least benefit from various remedies, and when had been resorted to in vain, the use of this Balsam for a few weeks has effected a perfect cure. And in many instances effected permanent cures, after every well known remedy had failed to produce this desirable effect.

Besides its astonishing efficacy in the disease above mentioned, we also find it a very effectual remedy for colds, recent or long standing. It has been extensively used with decided success, even in cases of years standing. With the increase of confidence in its power, it has become a favorite with families, and a favorite with physicians, where immediate relief is required, and where the means of consulting the latter are wanting, it ranks as one of the first remedies known in use.

Miners, Steam Boat and Packet Engineers, and all persons exposed to sudden changes of weather, will find this Balsam a safe and certain remedy for Coughs, Colds, Influenza, Bronchitis, Asthma, and Consumption in its incipient stages. Price 50 cents per bottle.

LOST VOICE, &c., RESTORED!

New Brighton, Aug. 10, 1849.

Mr. S. W. Fowle: Having used certificates published in relation to Dr. Wistar's Balsam of Wild Cherry, I take this opportunity of offering a word in its favor, which you are at liberty to publish. A few months since my wife's lungs became so much affected with a sudden cold, that she lost her voice, and had severe pains in the breast. Her situation caused her friends much alarm. Having heard your Balsam strongly recommended by those who used it, I purchased a bottle from your agent in this place. She took it according to directions, and it produced a wonderful effect. Before using one bottle she had completely recovered her voice, the pains subsided, and her health was soon fully re-established.

HENRY G. BRIGHTMAN.

To Druggists and Dealers in Medicine—The celebrated and infallible remedy for the cure of Consumption, Asthma and Liver Complaint, has for its own merits, been rapidly, sure and safely working its way through the opposition of quacks and counterfeiters, until, by its true value and intrinsic excellence, it has gained for itself a most enviable popularity, and established itself in the confidence of an intelligent and enlightened public, from one end of the continent to the other. The testimony of thousands who have been relieved and cured by this valuable article, will show that it stands unrivalled—at the head of all other medicines, for the cure of diseases for which it is recommended. The genuine Dr. Wistar's Balsam of Wild Cherry is now for sale by duly appointed Agents, and all respectable dealers in medicines, in all large cities and towns throughout the United States.

Price $1 per Bottle; Six Bottles for $5.

THE PROOF.

Extract from the "Galena North Western Gazette,"

"By the use of Sloan's Ointment and Condition Powder, I have entirely cured a fistula on my horse and otherwise improved his condition more than 200 pe cent. on the cost of the medicine And a cow which was so feeble as to be considered worthless by myself and neighbors, was restored to good health and strength by the use of less than half a package of the powder, and is now doing better than any other cow I have. Small Pox, May 13, 1848. WM. VINCENT.

THE SUFFERING CHILD.

I hereby certify that one of my children, when unwell, fell into a large fire of live coals, and was burned so terribly as to lead to fret. The best of medical aid and attention was given to the child for four or five days, but the child's sufferings continued. After recovery, no flesh could be heard at a great distance, at which critical period one of my neighbors recommended and presented me with a box of Sloan's Ointment, and in less than fifteen minutes after the application of the ointment to the aggravated sores of the suffering child, the pain ceased entirely, and he speedily began to recover. My residence is in Heit township, Vermillion county, and State of Indiana.

THEODORE L. TAYLOR.

Chicago, August 24, 1848.

EXTRAORDINARY CURE.

April 13, 1848. Four miles north of Chicago (on the road to Milwaukie,) Cook county, Illinois.

Mr. Sloan—Dear Sir: One of my horses had a large bony tumor on his breast bone, immediately under the collar, which lamed him and rendered his services of very little value to me. Having seen your notice of Dr. Taylor's Nerve and Bone Liniment, to shoot the beast benefit. I then procured Wilder's Celebrated Horse Liniment, and used him, and I became fully satisfied that it would never relieve the animal. Finally I obtained a box of your truly valuable Ointment, and in less than a day and night from the first application the tumor entirely disappeared, and the horse was well. Yours, EDWARD ARMSTRONG.

POPULAR OPINION.

If popular opinion is any criterion of the worth of an article, we therefore take pleasure to lead at a few of the many voluntary certificates that appear in our columns respecting the great variety of remarkable cures performed by Dr. Sloan's Celebrated Ointment and Condition Powders."

These remedies no longer remain among those of doubtful virtue, they have passed from the tide of experiment, and now stand higher in reputation and are becoming more extensively used than all other articles of the kind.—Mich. City Times.

THE HALF HAS NOT BEEN TOLD.

Cedar River, Iowa Ter., June 13, 1848.

Dear Sloan—Sir: Please send by the bearer a new supply of your Horse Medicines. They are the best articles of the kind I ever used, never having been disappointed in their effect, as I have been in the use of others, even the most celebrated. Give me Liniments, &c., of the day. I have very much the feature in them, viz: that they do all that is promised, and upon a thorough trial one is contrained to add. the half has not been told.

Respectfully, M. DUBLEY.

THE DIFFERENCE.

The ordinary ointments and liniments it is well known are severe and partial in their operation—some penetrate, but not thorough—it reaches and removes the cause, hence it gives real and permanent relief. For purity, mildness, safety, certainty, and superceding all other Ointments and Liniments now in use.

WE CAN'T GET ALONG WITHOUT IT.

Bear's Grove, Ill., Oct. 24, 1848.

Mr. Sloan—Sir: I have used your Horse and Cattle Ointment in the cure of rattlesnake bites, sore throat, burns, and many other injuries, and in every case it has surpassed my expectations as a family Ointment, I have never seen its equal, and for beasts we can't get along without it.

Yours, &c., MILES M. JOHNSON.

EXCELLENT OINTMENT.

Mr Sloan—Sir: I have found considerable benefit since I was seriously afflicted with the rheumatic complaint, and applied freely the various liniments, pain killers, &c., recommended in your pamphlet. After reading your sign, at all this place influenced me to try your Ointment, and within two weeks from the time I commenced using it, was entirely relieved, and I was effectually cured, and shall recommend all who are similarly afflicted with the distressing complaint, to procure your excellent Ointment without delay.

Chicago, June 24, 1848.

Dr. W. B. Sloan—Dear Sir: For the last 20 years I have had occasion to use many horns, and have used many ointments in use, but have never found any thing equal to your ointment for injuries on horses. While on the canal I have applied your ointment to some 50 horses, for various injuries, and in every instance it has proved a sovereign remedy.

A FINGER BITTEN ENTIRELY OFF.

Troy, Miami county, Ohio, Sept. 14, 1848.

Dr. Sloan—Sir: On the 8th instant my son had a finger bitter entirely off by a horse. We immediately applied your Liniment, which relieved him of the pain in a few minutes, and prevented the finger from swelling the least particle, and the wound is healing rapidly. Respt. yours, S. BROOKWAY.
