PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth
Than are dreampt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles with labels and directions for the benefit of the public.

The PETROLEUM is procured from a well in this county, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, but just as flows from Nature's Great Laboratory!! That it contains properties reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if known, might be of vast usefulness in alleviating suffering, and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constant and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage,) Asthma, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhea, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of life. The proprietor knows of several cures of [illegible], that resisted every other treatment, get well under the use of the PETROLEUM for a short time. The [illegible] can be given to any person who desires it. None [illegible] without the signature of the proprietor.

HARNDEN & CO'S

Passenger and Remittance Office.

HARNDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ships.—We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some old craft, at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience.

Drafts drawn at Pittsburgh for any sum from £1 to £1000, payable at any of the provincial Banks in Ireland, England, Scotland and Wales.

A CAUTION—About the ONLY ORIGINAL AND GENUINE WISTAR'S BALSAM OF WILD CHERRY, the great remedy for CONSUMPTION!

And the best medicine known to man for Asthma of every stage, Liver Complaints, Bronchitis, Influenza, Coughs, Colds, Bleeding of the Lungs, Shortness of Breath, Pains and Weakness in the Side, Breast, &c. and all other diseases of the PULMONARY ORGANS.

A very important disease over which this Balsam exerts a very powerful influence, is that of a DISEASED LIVER.

In this complaint it has undoubtedly proved more efficacious than any remedy hitherto employed, and in numerous instances when patients had endured long and severe suffering from the diseases, without receiving the least benefit from various remedies, and when Mercury has been resorted to in vain, the use of this Balsam has restored the Liver to a healthy action, and in many instances effected permanent cures, after every well known remedy had failed to produce this desired effect.

Besides its astonishing efficacy in the disease above mentioned, we also find it a very effectual remedy in Asthma, a complaint in which it has been extensively used with decided success, even in cases of years' standing. With the increase of intelligence has grown up a knowledge of the elements of health, and a regard for them, and commensurately with the strides of science have we acquired the means of arresting disease, and averting its ravages. Notwithstanding the progress we have made, statistics show that even now, one sixth of the whole population die annually of consumption.

One of the most important discoveries of the age, in ameliorating the condition of this large class of suffering humanity, is
DR. WISTAR'S BALSAM OF WILD CHERRY.

Wistar's Balsam of Wild Cherry is a fine Herbal Medicine, composed chiefly of Wild Cherry Bark and the genuine Iceland Moss, (the latter imported expressly for this purpose,) the rare medicinal virtues of which are also combined by a new chemical process, with the extract of Tar, thus rendering the whole compound the most certain and efficacious remedy ever discovered for
CONSUMPTION OF THE LUNGS.

Still further evidences of the remarkable curative properties of this inestimable preparation:
RUSSELLVILLE, Brown co., O., Aug. 21, 1849.

Messrs. Sandford & Park: Gentlemen, About six weeks ago I received the agency of Wistar's Balsam of Wild Cherry, but with some reluctance on my part, for the reason that I had been the agent of so many pills and other nostrums, which were cracked up to be something wonderful, but which turned out in the end to be of no account whatever, except to the manufacturer. But I candidly admit that this time I have been deceived, for the extraordinary cures effected by Wistar's Balsam have convinced me that "good can come out of Nazareth." Your agent left me one dozen bottles, which are all gone—having been the means of curing several obstinate cases of Consumption—and no mistake; for what I see and know I am bound to believe. One case in particular: A young gentleman in Winchester, Adams county, O., 10 miles from this place, was cured of Consumption when the doctors has given him up, or at least could do nothing for him, and it was the intention of his friends to convey him to your city, and place him under the care of some eminent physician there. But a friend told him of Wistar's Balsam, and that he could obtain it of me. He sent for it, and before the second bottle was gone he was sound and well, and attending to his every day business. As there are several inquiries for the medicine, it would be well to forward an additional supply without delay. Very respectfully, yours,
LAMBERT NEWLAND.

The above, from L. Newland, Esq., a highly respectable country merchant, commends itself forcibly to the candid attention of all those who have doubted the great merit of Wistar's Wild Cherry Balsam.

Remember the original and only genuine Wistar's Balsam of Wild Cherry, was introduced in the year 1833, and has been well tested in all complaints for which it is recommended. For 17 years it has proved more efficacious as a remedy for Coughs, Colds, Influenza, Bronchitis, Asthma, and Consumption in its incipient stages, than any other medicine.

LOST VOICE, &c., RESTORED!
NEW BEDFORD, Aug. 16, 1848.

Mr. S. W. Fowle: Having seen many certificates published in relation to Dr. Wistar's Balsam of Wild Cherry, I take this opportunity of offering a word in its favor, which you are also at liberty to publish. A few months since my wife's lungs became so much affected with a sudden cold, that she lost her voice, and suffered severely from pains in the breast. Her situation caused her friends much alarm. Having heard your Balsam strongly recommended by those who used it, I purchased a bottle from your agent in this place. She took it according to directions, and it produced a wonderful effect. Before using one bottle she had completely recovered her voice, the pains subsided, and her health was soon fully re-established.
Yours, truly, HENRY G. BRIGHTMAN.

The testimony of thousands who have been relieved and cured by this valuable article, will show that it stands unrivalled—at the head of all other medicines for the cure of diseases for which it is recommended. The Best and Cheapest Horse Medicine IN THE WORLD.

SLOAN'S OINTMENT AND CONDITION POWDER,

Have earned a great name. For Purity, Mildness, Safety, and Thoroughness, SLOAN'S OINTMENT *Excels* And is rapidly superseding all other Ointments and Liniments now in use for the cure of the following diseases:

Fresh wounds, galls of all kinds, sprains, bruises, cracked heels, ringbone, windgalls, poll evil, callus, spavins, sweeney, fistula, sitfast, strains, lameness, sand crack, foundered feet, scratches or grease mange or horse distemper.

The Powder will remove all inflammation and fever, purify the blood, loosen the skin, cleanse the water and strengthen every part of the body; and has proved a sovereign remedy for the following diseases:

Distemper, hide bound, loss of appetite, inward strain, yellow water, inflammation of the eyes, fatigue from hard exercise; also, rheumatism, (commonly called stiff complaint,) which proves so fatal to many valuable horses in this country. It is also a safe and certain remedy for coughs and colds which generate so many fatal diseases. W. B. SLOAN,
Grand Depot, 40 Lake st, Chicago, Illinois.

THE PROOF.

Extract from the "Galena North Western Gazette."

By the use of Sloan's Ointment and Condition Powder, I have entirely cured a fistula on my horse and otherwise improved his condition more than 500 per cent. on the cost of the medicine. And a cow which was so feeble as to be considered worthless by myself and neighbors, was restored to good health and strength by the use of less than half a package of the powder, and is now doing better than any other cow I have.
Small Pox, May 13, 1848. WM. VINCENT.

THE SUFFERING CHILD.

I hereby certify that one of my children, when naked, fell into a large fire of live coals, and was burned severely from head to feet. The best of medical aid and attention was given to the child for four or five days without any relief—each day's sufferings increased till his groans could be heard at a great distance, at which critical period one of my neighbors recommended and presented to me a box of Sloan's Ointment, and in less than fifteen minutes after the application of the ointment to the aggravated sores of the suffering child, the pain ceased entirely, and he speedily began to recover. My residence is in Helt township, Vermillion county, and State of Indiana.
THEODORE L. TAYLOR.

EXTRAORDINARY CURE.

April 13, 1848. Four miles north of Chicago (on the road to Milwaukie,) Cook county, Illinois.

Mr. Sloan—Dear Sir: One of my horses had a large bony tumor on his breast bone, immediately under the collar, which lamed him and rendered his services of very little value. I faithfully applied several bottles of Dr. Taylor's Nerve and Bone Liniment, without the least benefit. I then procured Wilder's Celebrated Horse Ointment, and used that until I became fully satisfied that it would never relieve the animal. Finally I obtained a box of your truly valuable Ointment, and in less than 60 days from the first application the tumor entirely disappeared, and the horse was well. Yours, EDWARD ARMSTRONG.

POPULAR OPINION.

If popular opinion is any criterion of the worth of an article, we invite the incredulous to read at least a few of the many voluntary certificates that appear in our columns respecting the great variety of remarkable cures effected by the use of "Sloan's Celebrated Ointment and Condition Powders."

These remedies no longer remain among those of doubtful utility, they have passed from the tide of experiment, and now stand higher in reputation and are becoming more extensively used than all other articles of the kind.—Mich. City News.

THE HALF HAS NOT BEEN TOLD.
FOX RIVER, June 12, 1848.

Dear Sloan—Sir: Please send by the bearer a new supply of your Horse Medicines. They are the best articles of the kind that I have ever used, never having been disappointed in their effect, as I have been in the use of others, even the most celebrated Ointments, Liniments, &c., of the day. I like very much this feature in them, viz: that they do all that is promised, and upon a thorough trial one is constrained to add, that "half has not been told."
Respectfully, M. DUDLEY.

THE DIFFERENCE.

The ordinary ointments and liniments it is well known are severe and partial in their operation.—Sloan's Ointment is mild yet thorough—it reaches and removes the cause, hence it gives real and permanent relief. For purity, mildness, safety, certainty, and thoroughness, SLOAN'S Ointment excels, and is rapidly surperceding all other Ointments and Liniments now in use.

WE CAN'T GET ALONG WITHOUT IT.
BREESE'S GROVE, Ill., Oct. 24, 1848.

Mr. Sloan—Sir: I have tested the virtue of your Ointment in the cure of rattlesnake bites, sore throat, burns, and many other injuries, and in every case it has surpassed our expectations. As a family Ointment, I have never seen its equal, and for beasts we can't get along without it.
Yours, &c., MILES M. JOHNSON.

EXCELLENT OINTMENT.

Mr. Sloan—Dear Sir: For a considerable length of time I was seriously afflicted with the rheumatic complaint, and applied freely the various liniments, pain killers, &c., without obtaining any relief. After which your agent at this place influenced me to try your Ointment, and within two weeks from the time I commenced using it, the pain ceased, and I was effectually cured, and shall recommend all who are similarly afflicted with the distressing complaint, to procure your excellent ointment without delay.
Resp'y yours, OSCAR F. MOTT.

CHICAGO, June 24, 1848.

Dr. W. B. Sloan—Dear Sir: For the last 30 years I have had occasion to use many horses, and have used the great variety of liniments and ointments in use, but have never found any thing equal to your ointment for injuries on horses. Within the last two months I have applied your ointment to some 80 horses, for various injuries, and in every instance it has proved a sovereign remedy.

A FINGER BITTEN ENTIRELY OFF.
Two miles south of Chicago, Sept. 14, 1848.

Dr. Sloan—Sir: On the 8th instant my son had a finger bitten entirely off by a horse. We immediately applied your celebrated ointment, which relieved him of pain in a few minutes, and prevented the finger from swelling the least particle, and the wound is healing rapidly. Resp'y yours, S. BROCKWAY.

DOCTORING IN GALENA.

Mr. Sloan—Dear Sir: About three years ago I was severely injured in one of my legs by the falling of a pile of wood which occasioned large running ulcers. Nearly every doctor in Galena tried to cure them; but tried in vain, until from sympathy and improper treatment my other leg became as bad as the one originally wounded. I despaired of ever being well again—but in order that I might neglect no means within my reach, I purchased of your agent in Galena some of your ointment, and you can judge of my surprise and gratitude better than I can express it, to find myself entirely well before I had finished using the second box.

These facts I make known that others afflicted may believe and not delay using so valuable an ointment as yours has proved to be. Resp'y your grateful friend,
Galena, Ill., Dec. 19, 1848. EVAN DAVIS.

JACKSON, Mich. Feb. 24, 1849.

S. K. Hibbard—Dear Sir: I am out of Sloan's Condition Powder and Horse Ointment. The sale far exceeds my expectation. If you can manage to send me 4 dozen Ointment, I will pay for them the first time that you are here, and presume I shall be able to sell a large quantity in the course of the year. It will be an object to you, as well as to myself, to keep me constantly supplied. Very resp'y yours,
S. S. VAUGHN & CO.

MISSISSIPPI RIVER
ST. LOUIS, Feb. 22, 1849.

Dr. Sloan—Sir: About two years ago, while rafting on the Mississippi river, in passing over the rapids, I was plunged into the water, and by the raft dashing against a rock, crushing my left leg and otherwise seriously injuring me, so much that I lost all sensibility. When consciousness returned I found myself in St. Louis, surrounded by my weeping family. Good nursing and medical aid, enabled me in about two months to hobble around with the assistance of a crutch. The wounds only partially healed, leaving large running sores at the knee, which for many months discharged blood and matter of the most offensive character. My pains were inexpressible, at times my suffering was so great that death would have received a hearty welcome. Fortunately Mr. Wilson, (one of my neighbors) advised me to try your Ointment. I obtained a box applied it according to direction—the sores soon began to assume a healthy appearance, and in three months I was entirely cured, and enabled to do hard labor.
Your obedient servant,
HIRAM W. THOMAS.

We, the undersigned, neighbors of H. W. Thomas, were acquainted with the case above stated, and knowing the circumstances, most cheerfully confirm said Thomas' statement.

GOOD NEWS.
CHICAGO, Jan. 8th, 1849.

W. B. Sloan—Sir: One of my horses was hoof bound and also wounded in the stifle, in which he took cold, and became so crippled that he could scarcely travel. By the free application of your valuable ointment, his hoofs were soon softened and the stifle permanently cured. I have also used the Ointment in the case of Poll-Evil and on severe galls with equal success.

On a mashed finger that was very painful, it operated like a charm. Yours, &c, A. VAN ORDEN.

TESTIMONY FROM LITTLE FORT.

Sloan's Ointment and Condition Powder are acknowledged by all who have used them to be the best remedy for horses and cattle that has been discovered. Fresh wounds, galls, spavins, bruises, ringbone, poll evil, and in short every outward disorder or injury can be cured by this wonderful remedy. The Powder is designed for inward strains, distemper, hide bound, fatigue from hard exercise, diseased eyes, &c.—Lake County Chronicle.

'RATHER DOUBTINGLY, BUT I THOUGHT WOULD TRY IT.'
WICKLIFFE, Cook Co. Feb. 13, 1849.

Mr Sloan—Sir: I have a fine young horse that was taken with the scratches last fall. I paid out about three dollars for medicine to cure him, but he grew worse. I then bought a box of your ointment at your office when in Chicago last, rather doubtingly, but I thought I would try it. Judge of my surprise and my opinion of its beneficial qualities, when I found my horse's legs smooth and well in four days from the time I commenced applying it. Your obedient,
E. F. COLBY.

FACTS FOR THE PEOPLE.

More than fifteen years of unrivalled success in the cure of every variety of external diseases and injuries such as sprains, bruises, cuts, burns, cutaneous eruptions, sore lips, sore breasts, chapped hands, chilblains, biles, ulcers, corns, pains in the back, sides, or other parts of the system, rattlesnake bites, &c., bears ample testimony that Sloan's Ointment is just the thing for the hour. Certificates without number have been received by the Proprietor from disinterested individuals, giving details of remarkable cures by its use.

A WISCONSIN WITNESS.
Granville, Milwaukie co. Wis., Oct. 13, 1848.

Mr. Sloan—Dear Sir: Recently my horses ran away with a log chain attached, which cut and otherwise injured them seriously, so much so that I considered my team ruined for business. Fortunately a friend recommended the use of your Ointment. I went to Milwaukie and purchased a box. It soon removed the inflammation, and in a few days the wounds healed. The great benefit derived from the use of your Ointment, on my horses, induced me to acquaint you with the fact, believing its publicity would benefit you and the public. Respectfully yours,
GEORGE COMSTOCK.

IT IS A POSITIVE FACT,

And has become a common saying, that Sloan's Ointment and Condition Powder are rapidly superseding all other remedies for all diseases of horses and cattle. The beauty of the medicines consists in their purity and safety, to wit: they may be used ever so freely without any danger of taking cold, or any other injury resulting from their frequent use, and never fail to cure if the directions are followed. GRAHAM'S STATION, Ohio, May 25, 1849.

R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling large quantities (say 1 to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are *the* medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abcess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED; and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect was furnished with a bottle of Dr D Jayne's Carminative Balsam: This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

CONSUMPTIVES, BE ON YOUR GUARD.
DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY.
THE GREAT REMEDY FOR
Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases, is
DR. SWAYNE'S
Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has passed away from the thousands daily launched upon the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced very generally through the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the foregoing statements, and of the value and efficacy of this medicine, the proprietor will insert a few of the many thousand testimonials which have been presented to him by men of the first respectability—men who have higher views of moral responsibility and justice, than to certify to facts, because it will do another a favor, and themselves no injustice. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, acting from conscientious impulses, voluntarily bear testimony to the truth of a thing, or particular fact, such testimony, being contrary to their worldly interests and purposes, coerces conviction of its truth, and commends itself in a special manner to universal credence."—O'Hogan's Moral Maxims.

READ THE HOME CERTIFICATES.

STILL ANOTHER CURE OF PULMONARY CONSUMPTION.—There never was a remedy that has been as successful in desperate cases of Consumption, as Dr. Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood; power possessed by no other medicine.
CHESTER Co., April 25th, 1848.

Dr. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies which I had recourse to, still increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so rapidly that friends as well as myself, gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine: I did so with the most happy results. The first bottle had the effect to loosen the cough, causing me to expectorate freely; and by the time I had used six bottles, I was entirely well, and am now as hearty a man as I ever was in my life, and would be happy to give any information respecting my case, that other sufferers may derive the benefit; for which I am so grateful. For the truth of the above statement, I refer you to Peter Rush, Grocer, West Chester, Pa., of whom I purchased the medicine.
Respectfully yours, JAMES MORGAN.

Wonderful Cure of a Methodist Minister.

Dr Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the Lungs, which was accompanied with a distressing cough, pain in the breast and head, a very considerable discharge of offensive mucus from the lungs, especially upon change of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Just here I was advised and persuaded by a dear friend in Wilmington to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr. Shaw, one of your agents, a few bottles, and commenced its use. My disease was at that time of 20 or 25 months' standing, consequently it was deeply seated. I found, however, considerable relief from the use of the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength, and thereby ruptured those vessels that had already begun to heal; in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudent I had to use twelve or fifteen bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but the above indiscretion. The Syrup allayed the fever, habit, took away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system good health. I have deferred offering this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well I offer it with pleasure. REV. J. P. JORDAN.

Important Caution—Read! Read!

There is but one genuine preparation of Wild Cherry, and that is Dr. SWAYNE'S, the first ever offered to the public, which has been sold largely throughout the United States and some parts of Europe; and all preparations called by the name of Wild Cherry have been put out since this, under cover of some deceptive circumstances, in order to give currency to their sales. By a little observation, no person need mistake the genuine from the false. Each bottle of the genuine is enveloped with a beautiful steel engraving, with the likeness of William Penn thereon; also, Dr. Swayne's signature; and as further security, the portrait of Dr. Swayne will be added hereafter, so as to distinguish his preparation from all others. Now, if it was not for the great curative properties and known virtues of Dr. Swayne's Compound Syrup of Wild Cherry, persons would not be endeavoring to give currency to their "fictitious nostrums" by stealing the name of Wild Cherry. Remember, always bear in mind the name of Dr. Swayne and be not deceived.

SPECIAL NOTICE TO TEACHERS.

PROFESSOR CHARLES DAVIES has just prepared a new arithmetical work, a copy of which will be presented to each and every Teacher in the United States, without charge, upon their application to A. H. English & Co., 79 Wood street, Pittsburgh, (post paid) The work is entitled,
GRAMMAR OF ARITHMETIC;
Or, An Analysis of the Language of figures and Science of Numbers.

The following notice is copied from the New York Tribune of Jan. 22d, 1850:—

"GRAMMAR OF ARITHMETIC, BY CHAS. DAVIES, L. L. D. (18mo., pp. 141.)—In this work the language of figures, and construction of numbers, are carefully analyzed. The alphabet, composed of ten figures—the words derived from the alphabet, and the laws by which the figures are connected with each other, are clearly explained.

"The analysis shows that there are but four hundred and eighty eight elementary combinations in Arithmetic, each corresponding to a word of our common language; and that these combinations are so connected together as to be all expressed by only sixty three different words. The system proposes to commit these words to memory, and then read the results instead of spelling them, as now practised.

"In another respect the system proposes an important change, namely: to consider and treat all fractions as entire things, having a given relation to the unit ONE, from which they were derived.

"We scarcely need say that the little work evinces the ingenuity and skilful analysis, for which Professor Davies' writing on this subject are justly celebrated. We commend it to the attention of practical teachers, believing that they will find it crowded with new and valuable suggestions."

From the Professors at West Point.

"MILITARY ACADEMY OF U. S. WEST POINT, Jan. 17.
"The Grammar of Arithmetic, by Professor Davies, presents the subject in a new light. It so analyzes Arithmetic as to impress the mind of the learner with the first principles of mathematical science in their right order and connection, and the new rules for the reading of figures are of great practical value.

Deafness Cured.

From the New York Tribune.

A FRIEND, whose word is most reliable, and who has no possible interest in the matter, but one of gratitude, desires us to say, that he has been cured of inveterate deafness, by the use of "Scarpa's Compound Acoustic Oil," a Philadelphia medicine, which is not for sale in this city; but which he thinks ought to be, for the good of the afflicted. He has a sister who has also been cured by it. He urgently advises all who are suffering from deafness, to try this remedy, with an assurance that, unless the case be extraordinary, the experiment will prove abundantly successful.

Great English Remedy.

FOR Coughs, Colds, Asthma and Consumption! The GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, brochitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough and croup.

Sold in large bottles, at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

SELLERS' IMPERIAL COUGH SYRUP—THERE'S NOTHING LIKE IT!
PITTSBURGH, March 27, 1847.

Mr. R. E. Sellers—In justice to you and your incomparable Cough Syrup, I beg leave to state, for the benefit of the community, that my wife has been several times afflicted with a most distressing cough. I purchased, in January last, a bottle of your Syrup, which cured a cough of two months' standing. About one month since, the cough returned, and was so severe that she could hardly move, from weakness in the breast; I sent for one bottle of your Cough Syrup, and a part of one bottle cured the cough. I gave the other to a journeyman who was severely afflicted, who had, to use his own words, "eaten enough cough candy to cure all the people in Pittsburgh," if the candy had been as good as represented.
Yours, respectfully, ALFRED B. KEEVIL.

MEDICAL.

M'ALLISTER'S OINTMENT,

Containing no Mercury, nor other Mineral.

THE following testimonial was given by the celebrated Dr. Wooster Beach, the author of the great medical work entitled "The American Practice of Medicine and Family Physician."

"Having been made acquainted with the ingredients which compose McAllister's All-Healing Ointment and having prescribed and tested it in several cases in my private practice, I have no hesitation in saying or certifying that it is a Vegetable Remedy, containing no mineral substance whatever; that its ingredients, combined as they are, and used as directed by the Proprietor, are not only harmless, but of great value, being a truly scientific Remedy of great power; and I cheerfully recommend it as a compound which has done much good, and which is adapted to the cure of a great variety of cases. Though I have never either recommended or engaged in the sale of secret medicines, regard for the truly honest, conscientious, humane character of the Proprietor of this Ointment, and the value of his discovery, oblige me to say thus much regarding it. W. BEACH, D. D."
New York, April 22d, 1846.

BURNS.—It is one of the best things in the world for Burns.

PILES.—Thousands are yearly cured by this Ointment. It never fails in giving relief.

For Tumors, Ulcers, and all kinds of Sores, it has no equal.

If Mothers and Nurses knew its value in cases of Swollen or Sore Breast, they would always apply it. In such cases, if used according to directions, it gives relief in a very few hours.

Around the box are directions for using McAllister's Ointment for Scrofula, Liver Complaint, Erysipelas, Tetter, Chilblain, Scald Head, Sore Eyes, Quinsy, Sore Throat, Bronchites, Nervous Affections, Pains, Disease of the Spine, Head Ache, Asthma, Deafness, Ear Ache, Burns, Corns, all Diseases of the Skin, Sore Lips, Pimples, &c., Swelling of the Limbs, Sores, Rheumatism, Piles, Cold Feet, Croup, Swelled or Broken Breast, Tooth Ache, Ague in the Face, &c.

From the Reading Eagle

There was never, perhaps, a Medicine brought before the public, that has in so short a time won such a reputation as McAllister's All-Healing or World Salve. Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it of the most painful rheumatism, another of the piles, a third of a troublesome pain in the side, a fourth of a swelling in the limbs, &c. If it does not give immediate relief, in every case, it can do no injury, being applied outwardly.

As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maidencreek township, in this county:
Maidencreek, Berks co., March 30, 1847.

Messrs. Ritter & Co:—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of McAllister's All-Healing Salve, which I purchased from you. I suffered with it for about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a peaceful and sweet sleep. I have also used the Salve since for tooth ache and other complaints, with similar happy results. Your friend, JOHN HOLDINBACH.

SALTER'S

GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the
GINSENG PANACEA
in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this
WONDERFUL PREPARATION.
The changable weather which marks our fall and winter months, is always a fruitful source of
COLDS AND COUGHS.
These, if neglected, are but the precursors of that fell destroyer,
CONSUMPTION.
The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.
THE GREAT AND ONLY REMEDY
will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country,—from
MEDICAL MEN OF THE FIRST STANDING,
Ministers of the Gospel, &c., together with copious notices from the
JOURNALS OF THE DAY,
we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.
HUNDREDS OF BOTTLES
have been used in this city.
THOUSANDS AND TENS OF THOUSANDS
throughout the United States and Canada, and we challenge any man to point out a
SINGLE INSTANCE
in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to
EFFECT A PERFECT CURE.
Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of
UNPARALLELED EFFICACY
is to be had, whose vouchers are at home,—our neighbors,—many of whom it has
SNATCHED FROM THE GRAVE.
In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at
ONLY FIFTY CENTS,
just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor,
Broadway, Cincinnati, Ohio.

Facts for the Public,

In relation to that unrivalled family Salve,
DALLEY'S MAGICAL PAIN EXTRACTOR.

TESTIMONY of a respectable Physician.—Read the following, addressed to my Agent, Mr. F. Merryweather, Cincinnati:
CINCINNATI, Feb. 19, 1849.

Sir: A sense of duty compels me to give my tribute to Dalley's Pain Extractor. Being opposed to quackery and all nostrums having for their object sinister motives—but realising much good from the "King of Pain Killers"—I am induced to tender you this certificate. I have used it in my family, in my practice, and with all the happy and wonderful effects that could possibly be imagined. H. J. BRODIE, M. D.

Dr. Brodie is the senior partner of Brodie & Levi, Druggists.

Inflammatory Rheumatism.

The following testimonial comes from a source familiar to many of those traveling on our Western waters. Mr. Glime, the well and favorably known proprietor of the Parkersburg Hotel, is husband to the lady whose letter I annex:
PARKERSBURG, Va., April 12, 1849.

To Henry Dalley, Chemist, &c.—Sir: Having formerly been long afflicted with violent inflammatory Rheumatism, which appeared so firmly seated as to defy all ordinary appliances to allay the severe pain attending it, I was induced to try your Magical Pain Extractor; and it having effected, almost as if by magic, an immediate relief, and also, to all appearances an entire and perfect cure, I am induced for the benefit of others who may be afflicted with pain, caused by any kind of inflammation, to write to you, declaring that in my opinion, founded on actual experience your Magical Pain Extractor is the most valuable discovery of the present age for the immediate extraction of bodily pain. It is an almost immediate and a perfect cure for Burns and Scalds, and all external inflammation.

Having many acquaintances formed by their visits at my husband's hotel in this place, I have supposed by your showing them these few lines, it may possibly be of benefit both to them and yourself.

[I entertain the hope that Mrs. Glime will pardon the publicity I give to her letter, as well on the score of humanity as of its being the surest mode of bringing it to the notice of her friends.—H. DALLEY.]

CURE FOR WORMS.

B. A. FAHNESTOCK'S VERMIFUGE.

CHANGE OF EXTERNAL WRAPPER.

IN order to afford all possible security to the public, as well as to themselves, against fraud and imposition from counterfeiting, the proprietors have made a change in the exterior wrapper or label of their Vermifuge. The new label, which is a steel engraving of the most exquisite design and workmanship, has been introduced at a very great expense, and is from the brain of an artist of the first talent. The design is new, and the execution elaborate. Several figures and a portrait are most prominent, but the word "VERMIFUGE," printed in white letters on a red and finely engraved ground, should be particularly examined—When held up to the light the letters, shading of the letters and every line, however minute, throughout the whole of this part of the engraving match as exactly as if the impression had been made upon one side only, although it is actually printed on both sides of the paper. This should in all cases be observed. A label upon each dozen is also printed in red upon both sides, and should be examined in the same manner.

This preparation has now stood the test of many years trial, and is confidently recommended as a safe and effectual medicine for expelling worms from the system. The unexampled success that has attended its administration in every case where the patient was really afflicted with worms, certainly renders it worthy the attention of physicians.

The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation—and he invariably found it to produce the most salutary effects—not unfrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is attested by the certificates and statements of hundreds of respectable persons in different parts of the country, and should induce families always to keep a vial of the preparation in their possession. It is mild in its operation, and may be administered with perfect safety to the most delicate infant.

SELLERS' COUGH SYRUP.—From W. K. Boden Esq., Clerk of the Court of Quarter Sessions of Beaver County.

Mr. R. E. Sellers—Sir: Some time in the winter my wife was afflicted with a severe and distressing cough, and hearing of your invaluable Cough Syrup, I purchased a bottle from S. T. Trimble, of Bridgewater and after taking a portion of it two or three evenings on going to bed, she found immediate relief, as also several friends have been relieved in severe cases. I am therefore satisfied that it is a safe and valuable medicine, and would recommend it to those who may be afflicted with severe Coughs and Colds.
