Scald of the Foot and Ankle Cured.

M. Kiza—I am desirous of making known to the public the great efficacy of your PETROLEUM in my own case, which was a sovere scald of the foot and ankle; upon removing the stocking, the skip peeled off with 11, and left nothing but the bard surface. I expected to be laid up all winter from the effects of this scald, but we applied the Pstroleum freely, by means of a fiannel cloth saturated with it; at first, the spplication was painfal, but in a very short time the pain abated. I had no pain in one hour afterwards in five days from the time of the application of the Petroleum, I was able to go to work. I take pleasare in stating these facts for the benefit of other sufferers, and am desirous that they should be made public. I would also state, that I find immediate relief by the use of the Petroleum, in burns, from which I am a frequent sufferer owning to my bealness about the engine. I would recommend it as the most prompt and certain remedy for burns I have ever known. and certain remedy for burns I have ever known.

Mr. Woods was born in Lancaster county, Pa After some years residence, his prompt business habits and his great probity of character, recommended him so highly to the people of Allegbony county, that they twice elected him shriff, and after he had declined to serve them longer in this capacity, he was chosen county treasurer for a term of years; was those county treasurer, &c.—constrained, indeed, to hold some office of treast, until, in 1824, he removed to Westmoreland county. After the death of his wrife, in 1824, he came to spend his remaining days at the residence of his nephew, in Washington county; where he died, as above.

Among the last wends of the deceased, was faintly whispered a request, that, as soon as porsible after his departure, a hort oblicary notice should be written by his pastor, and published to the world—not that he should be lasted by the pen of postburnes faintry, as having lived without a fault, and dird without a
