DR. WISTAR'S BALSAM OF WILD CHERRY.

Wistar's Balsam of Word Cherry is a fine Herbal
Medicine, composed cheirdy of Wild Cherry Bark and
the granite lecitand Bloss, (the latter imported expressy for this parposo,) the rare medicinal virtues of
which are also combined by a new chemical process,
with the extract of Tar, thus rendening the whole
compound the most certain and efficacious remedy
ver discovered for PROPERTORS:
THOMAS BORBRIDGE PROPRIETORIE

FROM THE STATE AND THE STATE A to holible around with the assistance of acruich. The wounds only partially based, leaving large running sores at the knee, which for many mouths discharged blood and matter of the most offensive character. My pass were inexpressible, at times my suffering was so great that death would have received a hearty well offensive come. Formaniely Mr. Wilson, lone of ary neighbors and the state of the matter of the most offensive character. My pass were inexpressible, at times my suffering was so great that death would have received a hearty well offensive come. Formaniely Mr. Wilson, lone of ary neighbors and the activity of the state of the 1850. 1850. And the contraction of the contract of the con ever discovered for CONSUMPTION OF THE LUNGS.

Bull further evidences of the temarkable carative proporties of the menushib preparation.

Messas, bandford & Park Gentieran, Abous in Proporties of the menushib preparation.

Messas, bandford & Park Gentieran, Abous in weeks ago I received the agency of Wistar's Balasam of Wild Cherry, but with some relocations on my part, for the reason that I had been were crucked up to be something wonderful, but where there do not necessary the same properties of the same band wonderful, but where there do not necessary the end of the end to be of no necount whatever, except to the manuscurer. But I candidly admit that this time I have been deceived, for the extraordinary cures affected by Wistar's Bullson beth. Vaur agent left me one dozen footiles, which are all gone—barrig been the means of curing several obstitute cares of Consumption—and on mistake; for what I see and know I am bound to believe. One case in particular A young gentler man in Winebester, Add Consumption when the doctors has given him up, or at least could do nothing for him, and it was the nitention of his friends to convey him to your city, and place him under the ears of some minent physician there. But a friend told him of Wistar's Bullson and before the scound bottle was gond by without delay. Very respectfully, yours, AND.

The above, from L. Newland, Ed., a harbly respectable country merchant commends their foreiby to use candid attention of all those who have doubted the great ment of Wild Cherry, was introduced in the Newland Ed., a harbly respectable. CONSUMPTION OF THE LUNGS. my Allister's Olethern, it Containing as Mercury, nor other Mineral. TUHE following testimental was given by the celebrated Dr. Wooster Beach, the author of the great medical work entitled "The American Frantice o. Medicine and Family Physician."

"Having been made acquaint all-lication frantice o. Medicine and Family Physician."

"Having been made acquaint all-licating chinment with a vine preserbed ard tested it in several cases in my private practice, I have to hexistation in saying or certifying that it is a Vegetable Remedy, containing no mineral substance whatever, that is ingredient combined as they are, and used as directed by the Proprietor, are not only harmless, but of great wanted the compound which has denoted and the pool, and which is adapted to the circ of a great wartety of cases. Though I have never either recommended or engaged in the sale of secret medicines, regard for the traity honout, conscientions, hamase characters of the Proprietor of this Olintannia and the value of his discovery, chilere me to this Olintannia much regarding it.
