Congress

[Public—No. 6]

[Public—No. 6] BY AUTHORITY,

Paine's Hydro El setric Lighte

North August 1974, Massachus Etta.

a fermic, is proved to have come man-A Congarantion or Elberns.—The Hempstead (Long Island) lequirer, publishes a list of the mem-bers of the congregation of Rev. Z Greene, in Suffile country, who are giver seventy years pld. It includes the name of five persons over 100 methods over 50; fifty on over 50, and forty five over 10 years of age.

The Mint is Haw () fleans is once more in operation, and it is expected a fulfillion of dellars will be coined this month, at that establishment. The Delaware Whig State Convention assems bleast Lowes, on the 25th ult., to nominate cam-didates for Governor and Congress. Another tractarian, second only in rank to Mr. Newman, has gone to Rome to abjure Protestant-

ENDLESS CHAIN PUMP, OR BLEVATOR.

New and Unful Improvement for Raising

pumps can be seen at David Prosset's, opposite this city, who will sitend to

in Birmingham, opposite this city, who will, sitend to nutting them in, or give directions. The pumps are for sale by JOSEPH WOODWELL, jell-wile's Cor. Second & Wood sts, Pitysburgh.

Louis Phillippe is menaced with an attack of iropsy in the chest. A Weatrny Tsiny.—The Cleveland Herald states that Mr. H. N. Ward, of that city, a man of weath and provious good standing; has been proved to have committed repeated the fig. A ex-cret apartment in his barn was found full of stoien

ter to a constant circulation.—An be not in wells of They require little power—an be not in wells of any depth—and carnot freec, in consequence of the water fulling to a level when the pump is not in use. Wherever they have been used, hey have given great and faction, and use, indeed, for raising water, the best pumps in the world. A tobacconist in St. Louis, whose till had been frequently robbed, in order to detect the thirf, so arranged a loaded pistol that it would be discharged on the opening of the till. On the next wait of the thirf, he received the contents of the platol, and was found to be the tobacconial's own apprentice boy.

The Board of Managers of the Washington Monument Society propose to eclebrate the approaching Fourth of July at Monument Place. Washington. It is understood that a procession will be formed, and move from the Gry Hallito the Monument grounds, where the Oration will be formed, and move from the Gry Hallito the Monument grounds, where the Oration will be formed, and move from the Gry Hallito the Monument grounds, where the Oration will be formed, and move from the Gry Hallito the Monument grounds, where the Oration will be formed, and move from the Gry Hallito the Monument grounds, where the Oration will be formed and the formed in a few formed and the formed and the formed and the formed and the formed and formed in the course of oraction.

Lowe Sextexces.—John C. Sellens, convicted at St. Louis, of murder in the second degree, has been sent to the State prison for fifty years, and Thomas McDomial, convicted of robberty, for twenty years.

Jekoux K. Boygn, Euq., editor of the Carllalo (Ps.) Democrat, has returned safely to his dulies, having been no further than Williamsport, and nover having had nny idea of going to Cuba with the invaders.

FORGE Pas-roars.—The United States Dipartiment of State have information of a forgery and said of blank passports, and have given notices that blanks are never usued, and no person is permitted to cell them.

Corr of Famionaniz Barning.—The sum of six hundred and fifty dollars is asked for an ordinary house, and still more ordinary furniture, for the twenty of the Carllato for the mount of the work of the control of the carlot of the cell them.

Corr of Famionaniz Barning.—The sum of the subscribed. No constituted in any house, and still more ordinary furniture, for the twenty of the Carllato for the mount of the work of the subscribed. No constitute of the carlot of the The Board of Managers of the Washington Monument Society propose to

P. W. GATES' PATENT DIES FOR CUTTING SCREWS. PATENTED MAY 8, 1647.

THESE DIES having been hadored and highly approved in all the principal shops in New York and Philadelphia, are now offered to manufacturers, inchmists, ship muths, e.c., with the utmost considered, as the most perfect article in use for cutting screws.

Their superiority over any other Dies beteitofive used, consists in their cutting a perfect. Their superiority over any other Dies beteitofive used, consists in their cutting a perfect Serkey, whicher Yorsquare heread, by osci passing over the iron to be cut, which require no savelging for prejudity preparation, as the dies cut that thread out of the solid iron, without raising it in the frame in their greater durability, rapidity, and perfection of work; and in their simplicity and little liability to get out of order.

Caretificates.
