MANY TO SERVICE CONTROL OF THE PROPERTY OF New Orleans, this rate of increase is said to be more than 33 per cent. per enumy; and the yearly consumption of that city is said to have reached 3,000,000 of brashets. L'ent. Maury, in a letter to Robert Triplett. Eu., predio: that in ten years, and efter a rail road or canal has been made over the Isshmus of Panama, the demand for our Objoriest coal on the Pseific side of that Isshmus. will amount to 30,000,000 of brashels a year. It appears from his statement, which is confirmed by the claborate work of Mr. Taylor, that there are no coal mines between Cupe Horn and Vancouver's Island, and that the Panama and San Frenches of the same are are now supplied with Liverpool. LANCASTER COURTS.-The Union and Tribun on the 5th inst. They breathe the true Whir fer vor, and are worthy of the Old Guard, from who they emenated. It will be seen from the following and congratulate Pennsylvanians on the Governor's gard to slavery. In the following manner they press their opinion of the general course of Gov-

case of these steamers we can fix no strongly of a want of magnanimity towards those limits.

A new and large demand for our coal most soon apring up on the "coast," for the manufacture of august.

Twenty peers are, the idea of using coal as fold on niver steam boats was regarded as preporterous, and now it is a question whether this will write the manufacture of the steam boats was regarded as preporterous, and now it is a question whether this will write the standard washing the standar

Correspondence of the Pintsburgh Gazette.

Washington, June 13.

Wiolent Scene between Mr. Clay and Mr. Benton-Excitement in the House
-Truculence of Toombs-Meeting of
Whig Members on the Tariff.
There were high seems in both Houses to day. The protability that the compromise or emnibu bill is about to pass the Senate stems to examp

ments in relation to slavery, return him thanks for the proper exercise of his constitutional veto to pervent the depiration of a large portion of our chizens of a just representation in the Legislature; government in Galifornia, and, consequently, operance in California, and consequently in California, and consequently in California, and consequently in California, and consequently in Califo government in California, and, consequently, op-posed to her admission.

Mr. Benion denied the correctness of that report.

and on repentance from the faction presuming to call itself "the South," which has time and again piblicly and privately threatened not to allow one of of covernment to pass the House, until their demand as to siavery were coincided with their demand as to sia

that they give the national administration no half
way support:

Resolved, That in Zachary Taylor, as Chief Majustified on our every satisfy and patricinam we
have easily confidence.

Resolved, That as Pennsylvanians, we feel a
deep sense of gratitude to the chief magistrate of
the nation, for the solicitude in behalf of the leduttful interests of Pennsylvanian and the nation
generally, and his carnest recommendation to Congrose, to afford them ging interests, and give
that protection to industry so urgently demanded.

Resolved, That the Whigs of the Union, having
succeeded in electing Sachary Taylor, and plat
increases of pratitude to the chief conting and we call
took to the present Congress to do speedy justice
to those sheard plan suffering interests, and give
that protection to industry so urgently demanded.

Resolved, That the Whigs of the Union, having
succeeded in electing Zachary Taylor, and plat
full in the compromise of the compromise consented to the chief magistrate of
the nation, for the solicitude in behalf of the leduttful interests of Pennsylvania, and the nation
generally, and his carnest recommendation to Congrose, to afford them ging true city in the day and the salino
generally, and his expressive do speedy justice
to those already long suffering interests, and give
that protection to industry so urgently demanded.

Resolved, That the Whigs of the Union, having
succeeded in electing Zachary Taylor, and plat
full in the delivery of lusiness and progress by dilatory
the compromise of a dilatery in the day a debase of the compromise of the salid on the union of the union that the comfull in the care of delays.

The other resolutions congratulate the welland the salid have reached before the close of next week. What and how many lost specials and in the lill will be reached before the close of early
tweek. What and how many lost specials and the unit week. What is not not put the cent that after the compromise can describe over withersed over
the northern boundary of Texas

the measures of his administration.

The other resolutions congratulate the Whiga of the State on the present-tofty position occupied. by the party cypress a just pride in the distinguished yrepresentative of Lancaster in Congress, Hon.

Thaddens Stephens; declare that his vindication of the North is worthy of her highest admiration, and that he has fully justified the confidence reposed in him. They reiterate Governor Johnston's sentiment in relation to alyvery, return him thealts for the proper exercise of his constitutional vector.

The proper exercise of his constitutional vector of the North is worther or the charge of inconsistency, and reforted it upon Mr. Benton, by referring to the statement that, during the case was in Missouri, last summer. Mr. Benton had Slave States. Dalaware..... 2 Maryland..... 2

and the second second

the infamy of such legislation.

I have not yet seen a Wheeling paper noticing in Hempfield Rail Road bill, but I venture to say. I have not yet seen a Wheeling paper noticing in Hempfield Rail Road bill, but I venture to say. I had no demonstration in its favor will be made there. The counties through which the Baltimore Road is to pass, would frow in dignarity at each of the recue of the national industry from its present Road is to pass, would frow in dignarity at each of suffering and misery.

That includes would grin with delight. But Wheeling people are not to be fooled by the dark luming for suffering people are not to be fooled by the dark luming the remaining that the proposed of the recue of the national industry from its present state of suffering and misery.

That high top-loldical gentleman, Bayly, of Actorian proposed the strong of westmoroland; they are not going to put their hends into that trap.

For the Pittsburgh Gazette.

Mr. Ediron,—It as been thought strange by some the members of the House, with the there in the proposed of the present state for the Legislature before the recent and the recent whose Incude and whig Convention.

Antimasonic and Whig Convention.

It is well known, that in the same meridian there whose I mends and exerted their influence in his favor for the Sensie, and it would have savored strongly of a want of maganimity towards those whose conduct had been so generous towards timed. He could not, therefore, with propriety, have consented to an act so replete with injurtice to the fifth of the Committee of them on the policy, which act the magnetic propriets to the Sensie, and the Rouse at large. But discussed the proposed propriets the conduct had been so generous towards timed. He could not, therefore, with propriety, have consented to an act so replete with injurities to the fifth of the Committee of the months of the many the propriety has been taken from the time appropriate to the Correspondence of the Pintsburgh Gazette.

Washington, June 13.

The Pincal WASHINGTON

The Cenan Affair—The Contey Princers.—
The Weshington Republic says that despatches were received on Wednesday at the Navy Department, from Coptain Tainall, of the United States atcam frigate "Saranae," which were written of Key West, on the 2d of June. Their contents are

ormoners, the crews and other persons found on board of two captured American merchant vessel; that Commander Randolph, of the Junied States sloop of war Albany—which, with the German-town, Commander Lowndes, was then off the harbor—and the United States Consul had called on the Spanish authorities for information in regard to board of two captined American mecanat version; bat commander Randoph, of the United States and the States of States of the States and the States of States of the States and the States of States o

If Works.—As this is the season of the year when worms are most formidable among children, the proprietors of M'Lane's Vermifuge beg leave to call upon parents, soliciting their attention to its virtues for the expelling of these annoying and often fatal enemies of children. Their invention is by a physician of great experience in Virginia, and after using it for several years in his own practice, and failing its suncess so universal, he has been induced at last to

offer it to the public as a cheap but certain and ex-

CITIZENS

key West, on the 2d of June. Their contents are thus substantially stated:

"We learn that Captain T., on his arrival at Haviana, on the 2th ult., found that the Spanish General of Marne, on his return to that place, in the war steamer Pizarro, from his pursual of the Crock, after the shift as Cardenas, brought with him as ursoners, the crews and other persons found on the crock, and the content of two captaned American mortant vessels; that Commander Randolph, of the United Blates shoop of war Albanja-which, with the Comman.
