hereds, and several of them from hown very source, imported. The publichers have spared me expense to bring out this work in a viperior mainder, both la nergerd to the energevings, the merits of the work, and the grarers accould of every part of the book. And its believe ed that the work will be found to contain more practi-cal information on Hreching and Manage and Bong Powis, then any work issued in this contair. For sub by the state of this contain at Bookseller and Importer, 104 Fourth st. 137 A 130 Wood Strest, shows I I And States, and Strest, and States I Rent. It is admirably arranged for Co acture, Righthitony, Sc. For isras, apply is OHN A FLIZSIMO apl6:dif
