EPSEE NEXT PAGE FOR LOCAL MATTER DARGEROUS SILINESS OF THE PRESIDENT .- Ye terday morning, we announced the distressing in telligence that Gen. Taylor was dangerously ill.-All through the day, yesterday, despatches were hourly arriving, bringing the most alarming intelligence, and overwhelming our citizens with ap hension and sorrow. Never have we witnessed deeper feeling, or more intense suxlety, then has been manifested on this occasion. Our city has been shrouded with gloom, and sadness has dwelt on every counterance. While the deepest sympathy has been felt for the distinguished auf ferer, the most ardent prayers have been address ed to Heaven for his recovery, not only for his own sake, but for that of the public welfare. Under our telegraphic head, the various despatches received during the day, vesterday, will be found. Up to the hour of this present writing, 9 o'clock, Tuesday evening, there are faint

to announce the very latest intelligence. P. B. Before going to press, last night, a telegraphic despatch was received, announcing that the President was better, and that strong hope were entertained of his recovery.

PITTSBURGH AND STEUBENVILLE RAIL ROAD. We learn from one of the Commissioners, that the prospects of this read are quite flattering. If the people of Pittsburgh, he says, will take stock to the amount of \$100,000, they will pedge themselves to build the road. The wealthy farmers and owner of roal lands on the route, are determined to have of coal lands on the route, are electronical to nave the road, and the prospects are really now quite favorable for its construction. It is proped to cross the Ohio by a Ferry. As the road will pass through one continued field of coal, and a rich ag-ricultural country, there can be no doubt that the coal trade alone will support the road.
