The Gracie of peaceday announced the ab-sence of its editor. The place of his destination is not stated, but we presume he has some to Washingtos Ciry, for the purpose of making the sequalaiance of Bir. Filmore. - Post.

Qualitance of bir. Fulmore.-Fost. The above is an introduction to an article u the Post of. yesterday, containing about os, which always amount of falschood and mat form the basis of all that editor's remarks concertaing this paper. Lest some persons may be ad-astray by the unwarranted statement of the Pest, it may be proper for us to say, that our ab-sence from our office since Taesday evening, was caused by a very severe attack of Gholers Mor-

bus, irom, which we are now happily conval-escent, though still confined at home. The Post, a few days since, contained an article

which, for its strange mixty comsided an article which, for its strange mixture of canit, bypoersy, falsehood, and imbecility, has rarely been surpars ed. No paper in the United States, but the one in question, we feel assured could have originated and published such an article. Its nim was, to show that, in the removal of Harrison and Taylor, the Su-person Bluer of the Universe numerical binary preme Ruler of the Universe manifested his opp ion to the Whig party and its principles, and his
