EFEE NEXT PAGE FOR LOCAL MATTER Small North.-The last Legislature, in its w SMALL NOTES.—The last Legislature, in its wisdoon, did a very foolish thing, when they gave on
A law against their circulation existed previously,
sufficiently stringent to have banished them, had
at its provisions been, wholly nullified by public
opinion. Small notes are necessary for the public
convenience, and as the Legislature will not permit our own lanks to issue them, the people adopt
the next best substitute, the notes of the banks of

they come where the remainder the properties of the parties which the period of the parties which the period where the remainder the public opinion of the parties of the parties where the period parties are the properties of the parties which the search of the parties which the period which the properties are the parties of the parties which the period which th

The editor of the New York Tribune, says he has were in good health and spirits, each having just were in good meant and spirits, each state place received an addition to his family, making Chang the father of five children and Eng four. This is presty good evidence that they are still in the land of the living.

tions of the country.

Mr. Clayton's resignation was sent to Gen. Taylor by Mr. Johnson, four works since, and was

northwest portion of this flourishing new territory Governor Ramsey recently made an expedition to

for Secretary of the Interior. Of course all of them cannot be chosen, and, of the three, perhaps Mr. Smith must be considered the man most likely to

The chief interest of this schievement is, the passage of the "Rapids," the only impediment supposed, heratofore, to exist in the navigation of the Mianceota river as far up as Traverse des Sioux, 120 miles above the mouth. The "Wayne" is 165 tons burthen; 160 feet long, 25 1-2 feet beam; 4 1 2 feet bold, and on the occasion in question, she draw 3 feet water. The land on the banks of the Sc. Peter's is excellent, and teems with luxurint vegetation. meet the views of the President. changed its baptismal name, and bestowed others more melodious and taking in their sound. For one meksdious and taking in their sound. For my part, I have not yet heard any more expressive signification than the Omnibus, by which I usually designate it. He was, in some passages to surpassingly elequent and soleme, and when these face sentences were thrown out, the crowd in the gulferies burst out into murrants of auppressed applicate, which the energy of the chair alone provented from becoming general. Mr. Webster fraskly stated that his collesque, Mr. Davis, and many of their friends in the other House, differed many of their friends in the other House, differed of the bring.

The Carrett—The usually well informed from him, and he believed a majority of the citic arms of Massachusetts coincided with them rather than with him; but he said his convictions of duty were clear, and he must pursue the broad plain pathers, through the Attorney General, Mr. Johnson, immediately on learning that General Taylor has folied to be anywined. be should console him.

oon in defence of the constitution. There was an animated debate after this. Mr. Clay alluded to the motion which Mr. Hale said he should certainly make, to lay the bill upon the

on Sunday, nor will intered by the carriers, recipitation, better, whether by measurers, or foliar carriers, recipitation, better, whether by measurers are present, at the country, and at the other foliates, as in present, at the country, and at the chief offices, is towns, dec. It is being clearly understood, that interes deposited in the receiving boxes shall remain autoreached until Monday, and that there shall be no standance of postmatters or their clerks at the windows of the Post Office on Sanday, will not be discontinuously and the standance of the Post Office on Sanday, will not be discontinuously and the standance of the post Office on Sanday, will not be discontinuously and the standance of the post Office on Sanday, will not be discontinuously the standard of the standard of

Last Words of Eminent Men.

The last wards of Gen. Taylor recall to the mind reminiscences of the last words of other eminent men, which might be considerably added which, and iterated the request to be permitted to address the Senate at large on the subject, and at his own leisure, in a general summing, when all the was all belt to do it to day. Mr. Halo made an exceedingly with and humorous reply to that portion of Mr. Webster's remarks in which he noticed the singular ory-ory-ory always man in opposition to this bill. He paired Webster and Foote, Clay and Cass, Storspeed and Mangum; and so on, to the infinite mement of the audience. This was all bedistange, but when the fire eating Davia, of Mississiphi, rose with trimmpet in hand, there was a nead to smile, and be in the expiring such Monterquieu, Sir, are you trule content.

consideration of this distribution of the analysis of the Ministeriops, and peterated as far as Comparison to the filling and the second of the Ministeriops, and peterated as far as Comparison to the filling and the second of the Ministeriops and Margani, and so on, to the finding and Margani, and so on, to the finding and the second of the Ministeriops and Margani, and so on, to the finding and the second of the Ministeriops and Margani, and so on, to the finding and the second plants the model and intrivial of the second of the Ministerio and through an about the first and through a short St. Paul.

The Texas excitement to day is very great and tices.

The Tenns excitement to may absorbs much of the general conversation. An intense feeling exists which leads to the apprehension of very serious consequences. Public meets at the feel of San Actionio, and on the light field of San Jacinio, at which resolutions were passed, deconoming in strong terms the General Government, and calling on the Government of General Government, and calling on the Government of the General Government of the Government of the General Government of the Govern rection.

An extra exazion of the Legislature has been called, in reference especially to the difficulties now existing. It is to convene on the 12th of Autrest perior.

gust next.

The excitement is very great and the aspect of affairs is becoming more and more alarming daily PRAISE AND CRESCRE—All men covet plaise and deprecate occurre, yot the value of both is very greatly overrated. That which is really ex-cellent is not much improved by eulogiums, and that which is obviously bad, is neither better nor

that which is obviously bad, is neither belt worse for words of disparagement. B praise and blame are so rarely awarded wit thing like justice, that in the mind so i dicious, they have little weight. Within a few hours of the late Pre-ident's der Within a few hours of the late Prevident's death, the saddening intelligence of that event had penetrated into the remotest sections of the country, and beyond its limits, for it was answered at Halitage and beyond its limits, for it was answered at Halitage and the morning after it occurred. And from all queriers it has stocicle one uniform response of grief and tegral. Newspapers of every political ereed comet to us in the southern appear of mourning. The aspectities of partisanship are forgotten in the view of the common calamity. In his life, Gen. Taylor was for the whole country, and in his death, the whole country unless in accommon before the properties in the second of the properties his virtue, and declaring his loss.

mowledging his virtues and declarity his loss.— Mosers. Toomb and Stephens contradict the Meeser. Toomb and Stephens contradict toe statement made in various quarters, relative to their taring visited General Taylor, and quarreled with him upon his death bed. Mr. Stepheos publishes a card, asserting that neither he nor Toombs aw General Taylor during he last illustration. The Southern Press says the same.

The labors of Mr. Anderson, the great temper
