THE NEXT PAGE FOR LOCAL MATTE

Nowinstanding the excessive heat, however, Philadran in the last when a lost part of the Care were at least 50 other authors, to a sight degree, the effect of those causes which are producing as great a mortality, in the western cities and tweat. We have had a few sases of cholors, moral conductors, and disturbance of the lower is a common complaint. But with grid in Guinelanti, from all causes, average about five hundred personase week, at the present time. In Putaburgh, we are asso in asserting, there has not been as many as 500 deaths in the last two producing as the counter of the first personase week, at the present time. In Putaburgh, we are asso in asserting, there has not been as many as 500 deaths in the last two months for the wonderful disparity. Take it all in all, we for the wonderful disparity. Take it all in all, we for the wonderful disparity. Take it all in all, we have but a significant form the counter of the first person whether and the counter of the first person whether the first pers

moreland and Bedford, to exclude Cambria alto getther, but the Monatain boys would not stance this. The result of the matter was, that two of the Bedford conferces. Measur, Schell and Shan non, alten withdraw, and in connection with the uriginal set from Cambria, nominated Gen. Joseph McDonald. The Westmoreland conferces, had be remaining one from Bedford, Mr. Tate, placed in nomination Alexander M'Kinney, Est, of Westmoreland county.

The stair has caused great excitement out in the second region, and the end is not yet. But it is "Macs" are preparing for war, and we trust the Whigs will prepare for wicker, which they can easily secure, unless one of the contenting of ordered for excention on Friday, (to day,) at East Cambridge, Mass., for the murder of can easily secure, unless one of the contenting which is such in The Content's will have seen it is and his Westmare and compatible does not ease it is easely in the contenting day and can be such as the content of Dr. Letber V. Bell to his teneral will hardly do this, and his Westmore-land competitor does not seem disposed to finch. It the meantime the papers of the District are taking sides.

The Besshurg paper goes for the Westmore-land goving man. The Johnkows paper for Mt. Dinkle. The Bedford "Jackson Demograf" away

Columbia.

From the British colonion we have had several arrivals lately, bringing crowds of passengers.—

Quite a trade has sprung up with that part of the world, and most of their products are to be found on sale in this market. From Clains we have a late arrival; giving notice of the death of the Emperor. We are 'us recept of late dates from the Sandwich lalands, but there is no news of interest.—Pacific News, June 17th.

20. 1230, when under the tend of an ancestor, South of Carolina was rescued from the experience of the Lord's preptie ore, and traitors again in the revolution of 1710. I have been born of traitors, but thank God hey have ever been traitors in the great cause of theory, against gramp and oppressions. Such treason will ever be mine oppressions. Such treason will ever be mine and oppressions. Such treason will ever be mine that the contract of suffering.

Lady Peel continued throughout Tuesday night in a site of complete prostration, and on Wednesday morning her illness had so much increased that it was found necessary to call in Sir Berjamin Readis.

consume the South.

Returning from Neabville, through the interior of our State, I learned, that the people in one of our upper Bistricts, Garing that the Neabville Convention would be a failure, were already agis tating the policy of South Carolina staking her rights into her own hands, and acting slone in their vindication. There was the true spirit of tid South Carolina, and I think I hear it proclaimed in your cheers, that also at least will never submitt to dishonorable subjection and run. She will took

Death of Sir Robert Peels

Commissioner.

Thus you have it. "He will do very well for followed every people who have dared all to pre-serve their liberties, and have conquered or per-iabed noby in their defence, instead of airmking, we might pant for the trial which shall lacket South Carolina in this great controvers). But we wish no isolation. We desire pearo—we dealer liberty—that peace and birry which the constitu-tion was intended to secure, but which has been basely wrested from us by sectional fanaticism, avarice and ambition." Whiskey Inspector, is "connected with a rotten faction," is a "first politician," and the assertion

that his nomination "would be acceptable to the Democracy of his own county" is "untrue."—
