Grant Americae Mechanical Work.

O. Appleton & Co., New York, have in course of publication, in paits, price twenty for cours cases, of Machanica Mechanica Mentage of Machines, Mechanica Engine Fork, and Engineering; designed for Freetical Working Men, and these intended for the Engineering; designed for Freetical Working Men, and these intended for the Engineering; designed for Treatment of the Machanica Mechanica Mechanica Mechanica Will contain company and the most important machines in the United States. Independent of the results of American Ingenity, it will present working-drawings and descriptions of the most important machines in the United States. Independent of the results of American Ingenity, it will contain complete practical treatile on Mechanica, Machinery, Engine-work, and Depinicaring, with all that is useful in more than one, and other books over the follow outside, and an one of the contained of the other works of the other works. The great object of this publication is, to place before practical men and sindents such an amount of theoretical and scientific howofoge, in a condensed form, as shall enable them to work to the best advantage, and to avoid those mixukes which they might otherwise commit. The almost beyond precedent in with star range which is not treated with such clear-cess and precision, that even a man of the most ordinary capacity cannot fail of understanding it, and this learning from it much which it is important for limit to know.

The work is also and in numbers, and thus ancourage the enterprise.

The work will be lasted in semi-monthy numbers, BARNUM'S HOTEL, NEW YORK,

Broadway, corner of Maiden Lane.

Firth Sexuative HOYTEL has been leased by the Tamberther, and has been completely refuted in the most elegant manner. Large additions are now being made, which, when completed, will make it the most extensive flore in New York. It is the decernation of the proprietor, to make it equal, the expect, to any other floure in the United in the city, because in the most extensive flore in New York. It is the decernation in the most desirable of Broadway, convenient will the public buildings, phone of anascement, and business. Grateful for the libera patronage received from his western friends, while at Cumberland, Md, and more recently at the Weddell Honse, Cleveland, Ohio, he respectfully solicits a renewal of their patronage, for his new establishment, at New York, and begs to assure them that every confort and pleasure be given to administer to their control and pleasure.

A. S. BARNUM. oe given to administer to their comfort and pleasur A. S. BARNUM. New York, March, 1850.—[mr26-Jm Opinions of the Press. sision, that each may know his postulon.

Subscribers registered and serie forwarded on receipt of a remittance. Bills of Fachango, Brafts, Bank Notes, &c., addressed and made payable to the Managing Directors.
