Coal. The opening of books, for the taking of stock to the Hompfield road, takes place next Monday, when we shall see what prospect there is of raising two millions of money, or the one-tenth of it.

BALL ROAD MATTERS. In the Post of last Monday, is a trading satisfa written in the unwal personal and billingsgata style of the chiltor of that paper, when smarting und' the chiltor of that paper, when smarting und' bid is will raise a cry of repeal, which will sat-the data a statement grossify false in fact, and highly mjorious to the interests of this city where every his paper exerced any influence. He had as acted, that unless Fithburgh now, at once, there all the energies towards the construction of the Pitteburgh and Steabenetilo Re: Road, she would bitteburgh and connection with the great commer-tial and grain growing regions of the South and tweet Direction of the South and the state for the province in the same college for the same billities with expe-tions as Mr. Allison combines abilities with expe-tions as Mr. Allison combines abilities with expe-tions and integrity.

of a rail road connection with the great commer-ical and grain growing regions of the South and West. We took cocaroin; is a few remarks, to how the falschood and absorbing of the saint-ingent by directing the public attention to the mag-nificant, work undertaken by the joint efforts of the eitheons and eithes of Pituburgh and Allegheoy.

ent valley of the Ohio from the Allegheny to the Assissippl; and places within our grapp, the rest commercial and grain grow ng. regions of he west in all their length and breadth : and shall we with the fickleness and folly of the idiot aban isn it for another scheme yet uncommenced, which can only, even in the opinion of its fondesi rotaries give us similar advantages ? Such su-peristive folly the editor of the Post, advises the

perfairing fally the editor of the Post, advices the clitzens of Pittsburgh to pursue, and threatens them utless they follow his segacious lead, with being forever cut off from that very trade which they are building a miltroad to grap. Were we so dispoied, we could ask him some very troublescome questions about his favorite route, and point out some matters which would not please its friends to hear. Bar we forbear: We quarret not with the Steubenville project, but defand Pitts-burgh interests which are stacked in her Western Raifroad. We are berfettly willing that the Steu-Railroad. We are perfectly willing that the Steu-benville project should have all the benefit which may be derived from the Post's potent influence — All we ask is, that there shall be no misrepresen-

tations of our Western road. The Post may advo-cate its favorite route to the full extent of its edi-tor's ability, and we wish our Stenbenville friend great joy of their eloquent and influential supporter. We shall see whether his vehement declaration that that road "must be made," will contribute to its advancement and the wester of the full.

its advancement, and put the requisite funds int a treasury.

The Philadelphia Bulletin, in commenting on the Hempfeld Rail Road project, arys: "The project of adding in the construction of this road has never, so far as we are informed, been much considered in this city. It is amvalue, however, to hear the Grazilte talk of the Central Bail Road having "exhausted all hom means" of Philadel. If she saw that it was important to her linterests to construct this road, arech a subscrip-tion could be raised, by strengonse fforts, as woold shew our neighborts int the means of Philadel phis aro noi so caily exhausted." We did not write " all the means." but " all the wo and an write "an too means," out "at the spars means of Philadelphia." The compositors made our language stronger than we intended. We are happy to learn that Philadelphia is so

strong in capital that she can spare a fow millions more; but our friend of the Bulletin will not for-get that she has the mountain section of her road to complete, and if she still has any spare means,

The proposal of Mr. Pratt, in the Senate, to make the United States pay for runaway elaver, is the most obnoxious preposition which has yet come from the South, and will be universally and
